

1 RCNY §3005-01

CHAPTER 3000

Elevators and Conveying Systems

Subchapter A

Amusement Devices

§3005-01 Scope and application. This subchapter adopts all the national standards set forth in §3005-11 and is applicable to all amusement devices including, but not limited to, inflatable amusement devices, portable amusement devices and simulators operated within the City of New York, whether located on a permanent, temporary, or mobile foundation. An amusement device that is not in compliance with this subchapter must not be operated.
