Total Amount Requested from the City in FY 2026	

Please note that there are two spaces above for the Borough President selection in the rare circumstance that an Organization wishes to apply for funding from two Borough Presidents for the same Project.

Below, please list the individual City Council Members and/or Delegations that your Organization would like to consider contributing towards the City Council Request Amount listed above. Please note that only the Council Members and Delegations listed below will be able to view your application.

Specify the City Council Source Requested, if any.

City Council Delegation

¹ The amount in the space above for "Total Amount Requested from the City in FY 2026," should be the total amount the Organization wishes to receive from the City. For example, if the Organization submits additive requests of \$250,000 from a Borough President and \$250,000 from City Council, the "Total Amount Requested from the City" would be \$500,000.

REPURPOSING

If the City has previously appropriated funds to the Organization for a project that is no longer progressing or has materially changed from the project approved by the City, such funds cannot be paid out to the Organization unless the Organization has submitted a new application to “repurpose” such funds for a new project.

Is the Organization requesting to “repurpose” previously appropriated funding?

Yes No

If YES, please provide the following information:

City FY of Original Appropriation	Amount of Original Appropriation - Borough President Funding	Amount of Original Appropriation - City Council Funding	Previous Project Funded (e.g., Replace HVAC unit)	Project Address

Total Amount of Borough President Funding to be Repurposed: \$_____

+ Total Amount of City Council Funding to be Repurposed: \$_____

= Total Amount to be Repurposed as part of this Application: \$_____

In addition to the “Total Amount to be Repurposed” as set forth above, is the Organization requesting further City funding in this Application?

Yes No

Amount of new funding being requested, if applicable: \$_____

NOTE: The total amount to be repurposed plus any new funding being requested must equal the “Total Amount Requested from the City in FY 2026” on the preceding cover page.

Why are the previously approved project(s) listed above not proceeding? In other words, why is the Organization requesting to repurpose funding? Please provide further detail in **Attachment O.20 Status Report** (see Organization Form).

INTRODUCTION

Note that questions in this Application relate **ONLY** to the Initial Outfitting Moveable Property Project for which funding is being requested. The Construction/Renovation Application should be completed if requesting funding for a Construction or Renovation Project. The Moveable Property - Standalone Equipment and/or Equipment System Application should be completed if requesting funding for another Moveable Property Project that does not meet the initial outfitting requirements as specified in the Guidelines (attached hereto as Exhibit 1).

Please note that if the Project requested herein is approved and receives City capital funding, it will be subject to a compliance review to verify that the Organization complies with all City funding requirements.

Please acknowledge that you have read and agree to this statement:

***Please note that the following entities are NOT subject to this process, and therefore should NOT submit a Capital Request Form:**

- **New York City Health and Hospitals Corporation (HHC) hospitals**

New York City public schools (however, charter schools should submit a Capital Request Form)

- **New York City private schools**
(unless 100% of the student body consists of special education students with disabilities whose tuition costs are paid by the New York City Department of Education, and the school does not share its building(s) with another school)
- **The City University of New York (CUNY) colleges and schools**

Before submitting this Application and related attachments:

- Review the Guidelines to determine whether the Organization meets the criteria set forth therein;
- Review the Glossary;
- Review this Application to determine the information that you will need to gather about the Project;
- Identify each attachment you must submit with this completed Application; and
- Review this Application and the related attachments together to ensure that the corresponding responses match.

Non-profit organizations that request City discretionary capital funding for Moveable Property projects should closely review the website of the New York City Department of Design and Construction ("DDC") as a resource and guide to the City's funding and reimbursement process for such projects:

- For a copy of DDC's Non-Profit Reimbursement ("NRP") Program Handbook: <https://www.nyc.gov/assets/ddc/downloads/not-for-profit/New2/DDC%20Handbook%20November%202024.pdf> (This document provides an overview of the entire NRP reimbursement process.)
- To view the NRP Program's checklists, template agreements, and required legal submissions, please see: <https://www1.nyc.gov/site/ddc/contracts/not-for-profit-forms.page>. (Please note that the checklist submissions include items that will be in addition to the information requested in the capital funding application.)

J. Timeline

1. Moveable Property purchases are deemed “initial outfitting” if and only if the location of the Moveable Property falls into one of the categories set forth below. In addition, such Moveable Property must be used by the Organization at the Project Address for at least five years from the date of disbursement of the City funding for such Moveable Property. **Moveable Property orders must occur within six months of the occupancy date.** Review the definition of Initial Outfitting Moveable Property in the Glossary to determine whether your Project meets the criteria identified therein and the categories set forth below. Indicate all applicable Initial Outfitting Moveable Property Project’s category(ies) by completing the relevant information below:

BUILDING TYPE	DATES	EXPECTED DATE OF FIRST OCCUPANCY (MOVE-IN DATE) (Moveable Property orders must occur within 6 months of the occupancy date)
Newly Acquired Property	Purchase Date of Property: _____ Expected Purchase Date of Initial Outfitting Moveable Property: _____	
Newly Leased Property	Lease Term: _____ years Lease Start Date: _____ Lease End Date: _____ Expected Purchase Date of Initial Outfitting Moveable Property: _____	
Newly Constructed Property	Construction Completion Date: _____ Expected Purchase Date of Initial Outfitting Moveable Property: _____	

BUILDING TYPE	DATES	EXPECTED DATE OF FIRST OCCUPANCY (MOVE-IN DATE) (Moveable Property orders must occur within 6 months of the occupancy date)
Comprehensive Upgrade/Complete Reconstruction (complete 7 below)	Reconstruction Completion Date: _____ Expected Purchase Date of Initial Outfitting Moveable Property: _____	

2. Has the Moveable Property already been ordered?

Yes

No

If YES, the City will not provide funding.

2) Estimated cost of Initial Outfitting Moveable Property: \$ _____

Include:

- costs to be covered by both non-City funds and City funds, if applicable.

3) **Property Ownership:**

Does the Organization currently own or lease the Real Property to be initially outfitted? Note that if the Real Property is owned by an Affiliate or Related Organization and leased or licensed to the applicant Organization, the correct response is “Lease private property.” Check one of the boxes below.

Own:

Lease private property:

Attach lease & any amendments as **Attachment B.1 Lease - Private Property.**

Lease City-owned property:

Attach lease & any amendments as **Attachment B.2 Lease - City-owned Property.**

Other:

If "Other," provide an explanation below.

--

If the property is leased, there must be at least five (5) years remaining on the lease term (excluding any renewal options) from the date of disbursement of City funding for the Initial Outfitting Moveable Property. Notwithstanding the foregoing, if the property is leased and the Moveable Property consists **solely** of computer hardware, software, networks, and information technology systems, there must be at least three (3) years remaining on the lease term (excluding any renewal options) from the date of disbursement of City funding. Please acknowledge that you have read and agreed to this statement:

See also question 9 below for requirements for Initial Outfitting Moveable Property that is attached to the leased Real Property.

4) **Project Address** where the Moveable Property will be located (See definition of “Project Address” in the Glossary):

A.

Street: _____ City: _____

State: _____ Zip Code: _____

Borough: _____

Block: _____

Lot: _____

Community Board #:_____

Council Member/District #: _____

- B. Please describe the Project Address where the Moveable Property will be located. For example, specify the building type (residential, commercial, mixed use, etc.).

- C. Is the contemplated use of the Moveable Property by the Organization consistent with the Certificate of Occupancy for the Project Address?

Yes No Not Applicable (i.e., there is no Certificate of Occupancy)

If NO or NOT APPLICABLE, please provide an explanation below as to how the contemplated use of the Moveable Property will be legally permissible at the Project Address. Please be specific. Describe what steps need to be taken and the corresponding time frame for accomplishing those steps.

5) **Projected Funding Sources for this Initial Outfitting:**

In your response below, do not include any City funding for construction or renovation costs or vehicles.

Please read all the definitions and fill out this question 5(A) carefully. In the past, many Organizations have not inserted the correct amounts.

A. **Total Funding Sources Currently Available for this Initial Outfitting**

Total Initial Outfitting Moveable Property Cost: _____

LESS the following available funds:

I City Funding in Executed Funding Agreements
for the Moveable Property: _____

ii. City Funding Appropriated in Prior Fiscal Years (with
no Funding Agreement yet executed): _____

*(Note: this amount does NOT include the City funding
being requested in this application)*

iii. Received Non-City Funds (see Glossary): _____

iv. Pledged Non-City Funds (see Glossary): _____

v. City Funding Requested Herein _____

EQUALS the Funding Gap: _____

Note that the City relies on the anticipated split between City and non-City funding set forth in this application when making funding decisions. If funding is allocated by the City, any reduction of total non-City funding or changes to funds said to be in-hand or pledged could impact the City's funding toward the project, and will require detailed explanation from the Organization. **Please acknowledge that you have read and agreed to this statement:___**

B. **Status of Securing Non-City Funding**

If relying on non-City funds to cover a portion of the Initial Outfitting Moveable Property costs, complete questions 5(B)(1) and 5(B)(2) below.

1. **Status of Securing Pledged Non-City Funds** - Please explain when the Pledged Non-City Funds will be received. In particular, if the Organization has received notification of New York State or federal funding, provide the amount(s) and explain the status of such pledge(s). Please be very specific.

Please try to fit the response in the space provided above, but if necessary, attach additional narrative as **Attachment B.3 Status of Pledged Non-City Funds**.

2. *Funding Gap* - Please explain how the Organization will close the funding gap. Please be very specific.

Please try to fit the response in the space provided above, but if necessary, attach additional narrative as **Attachment B.4 Funding Gap**.

3. *City appropriation* - Elected officials may only be willing to fund less than the amount requested herein.

If the elected official(s) provide less than the amount requested herein, and the Organization does not come up with the shortfall, the Project may not go forward.

Does the Organization understand and agree to this requirement to fund the shortfall?

Yes No

- a) What are the Organization's backup funding resources? Please explain in detail.

- b) If the elected official(s) provide less than the amount requested herein, what is the Organization's plan to proceed? Is there a smaller subset of the Project that would be able to go forward under such circumstances? Please describe in detail.

Note that if the Organization represents that the Project can go forward if the City funds only a portion of the request, the Organization shall not apply in a future fiscal year for additional funding for the Project.

Please acknowledge that you have read and agreed to this statement:

6) Existing Liens That May Attach to the Project:

- A. Please note that many liens contain "after-acquired" language that subjects all future moveable property located in the Real Property, or all future moveable property wherever located, to the lien.

Are there any known restrictions including mortgages on the Real Property where the Moveable Property will be located, or liens (including "after-acquired" liens on property "wherever located") that could potentially attach to the contemplated Moveable Property?

Yes No

If YES, indicate the type (e.g., use restriction, lien, mortgage, other), complete the table below and answer B.

TYPE OF LIEN	EXPIRATION DATE OF LIEN	LIENHOLDER NAME	AMOUNT OF LIEN
			\$
			\$

Please try to fit the response in the space provided above, but if necessary, attach information regarding additional liens and/or an explanation as **Attachment B.5 Existing Liens Table**.

B. If YES, will such lienholder(s) exclude² the City-funded Moveable Property requested herein from such lien(s)?

Yes No Don't Know

If YES, please submit a letter from each lienholder acknowledging that if the Project is funded by the City, the lienholder will exclude **the specific Moveable Property requested herein** from such lien(s) as **Attachment B.6 Lienholder Letter(s)** (For reference, see Exhibit 3B, Form of Exclusion Agreement.)

- Please note that such letter from each lienholder will not replace at a later date (prior to the City reimbursement for this Project) a Form UCC-3 filing by each lienholder to exclude the Moveable Property from such lien.

If NO, the City will not provide funding.

If DON'T KNOW, describe below the steps the Organization is taking to secure the lienholder's agreement, and why the Organization believes the lienholders will exclude the Moveable Property requested herein.

7) Comprehensive Upgrade/Complete Reconstruction:

Is the proposed Initial Outfitting Moveable Property Project related to a comprehensive upgrade/complete reconstruction?

Yes No

If yes, has such construction work been completed?

Yes No

² Please note that if HUD has a lien on the property, please submit evidence that HUD's lien will be subordinated to the City's lien (rather than exclude the **specific Moveable Property requested herein** from HUD's lien) as **Attachment B.6 Lienholder Letter(s)**.

Respond to the questions 7(A) and 7(B) below if the proposed Initial Outfitting Moveable Property Project is related to a comprehensive upgrade/complete reconstruction and the Organization is NOT completing the Construction/Renovation Application in FY 2026 in relation to this initial outfitting.

If the construction work has been completed, provide:

1. a description of the scope of work, including the four trades (HVAC, electrical, plumbing, general construction), and any other work that was completed, including, but not limited to: demolition, lighting, life safety, surface treatments (carpeting or other floor covering, painting), drywall, ceiling work,
2. a detailed cost breakdown for the scope of work corresponding to the categories referenced above,
3. a description of the facility and size of the area affected by the reconstruction/upgrade and how it relates to the area (space) to be initially outfitted, and
4. the construction completion date.

Please be sure to break out costs such as design, overhead, profit, and insurance in the cost breakdown.

Label the attachment as **Attachment B.7 Completed Construction - Scope of Work and Cost Breakdown.**

See Exhibit 12 (Sample Construction or Renovation Project Narratives) and Exhibit 7A (Sample Cost Breakdown for Construction Projects).

A. If the construction work has not been completed, provide:

1. evidence that funding is available to complete such construction work,
2. a description of the scope of work, including the four trades (HVAC, electrical, plumbing, general construction) and other work, including, but not limited to: demolition, lighting, life safety, surface treatments (carpeting or other floor coverings, painting) drywall, ceiling work,
3. a detailed cost breakdown for the scope of work corresponding to the categories referenced above and the basis for such breakdown,
4. a description of the facility and size of the area affected by the reconstruction/upgrade and how it relates to the space to be initially outfitted,
5. the estimated construction completion date, and
6. the potential risks and benefits of carrying out the construction. Such risks may include but are not limited to budget-related risks, fundraising risks, timing, and/or service disruptions.

Please be sure to break out costs such as design, general conditions, overhead, profit, and insurance in the cost breakdown.

Label the attachment as **Attachment B.8 Uncompleted Construction - Funding Availability, Scope of Work and Cost Breakdown.**

See Exhibit 12 (Sample Construction or Renovation Project Narratives) and Exhibit 7A (Sample Cost Breakdowns for Construction Projects).

8) Moveable Property List:

- A. A comprehensive list of every item of Moveable Property for which funding is being requested *must* be attached, substantially in the form of the table below, as **Attachment B.9 Moveable Property List**.

I certify that I have read the List of Ineligible Items included in the Application package, and none of those items are included in Attachment B.9 Moveable Property List:

See the definitions of “Initial Outfitting Moveable Property,” “Moveable Property,” “Equipment System / Moveable Property System,” “Minimally Attached Moveable Property” and “Standalone Equipment” in the Glossary, as well as the Bullet Points to the Guidelines and the Guidelines. For a sample Moveable Property list, see Exhibit 7B (Sample Cost Breakdown - Initial Outfitting Project).

- The list must include:
 - each item of Moveable Property to be purchased (e.g., Side Desk, Toddler Chair, Conference Table, etc.),
 - the make/model (projected),
 - the quantity to be purchased of such item,
 - the unit cost of such item (i.e., no lump sums),
 - Must be at least \$165 per item
 - the total cost, and
 - the anticipated date of purchase (cannot be prior to July 1, 2025).

If the Organization purchases any items prior to entering into a contract with the assigned City managing agency, then the Organization runs the risk that some or all costs may be deemed to be ineligible for reimbursement by the City.

Please acknowledge that you have read and agreed to this statement:

- If any of the Moveable Property will be Minimally Attached Moveable Property (see Glossary) and thus will be attached to the Real Property in **ANY MANNER**, the list should specify each attached item (e.g., wall brackets, theater seats bolted to floor, etc.) with a “Y” in the appropriate column in the table.
- **Training: Do NOT include any training costs** in the Moveable Property List, as training costs are capitally ineligible. Even if training costs are included or bundled in the total cost of the Moveable Property, the training costs must be quantified by the vendor and removed from the costs to be reimbursed by the City. Prior to funding, a written statement directly from the vendor specifying the cost of any and all training and the basis for such cost (e.g., cost per hour, number of hours) would be required.

SOFT COSTS				TOTAL COST	EXPECTED PURCHASE DATE	
TOTAL OF HARD AND SOFT COSTS:						

- B. When deciding which Moveable Property to purchase, did the Organization consider function and cost? Please describe how the cost breakdown reflects efforts to buy the most economical Moveable Property required.

- C. What is the basis for the above cost breakdown?

Please provide backup for the cost breakdown (e.g., quotes and/or advertised costs) from third-party vendors, manufacturers or suppliers) as **Attachment B.10 Cost Breakdown Basis**.

Please note that page 6 of the Guidelines states, "All costs reimbursed by the City must be reasonable, based on the standards of a prudent person."

Please note that the City will not pay for customized items (e.g., entity-specific signage or specifically designed furniture or equipment).

9) Attached Moveable Property:

If any of the Moveable Property will be Minimally Attached Moveable Property (see Guidelines and Glossary) and thus will be attached in **ANY MANNER** as specified in the chart in question 8(A) above, please refer to the discussion of “Moveable Property” in the Guidelines and address the following. Such forms of attachment include but are not limited to attachment through the application of bolts, nuts, screws or nails. Please note that many large items of medical Moveable Property, such as MRI machines, are often bolted in some manner to the Real Property.

- A. Does the Project include any Minimally Attached Moveable Property that will thus be attached to Real Property in **ANY MANNER**?
- Yes No

If YES, complete the rest of question 9.

If NO, skip to question 10.

- B. If the Project involves Minimally Attached Moveable Property that will thus be attached to Real Property in **ANY MANNER**, is the proposed total City capital funding for the entire Initial Outfitting Moveable Property Project at least \$250,000?
- Yes No

If NO, the City will not provide funding.

- C.
1. If the Project involves Minimally Attached Moveable Property that will thus be attached to Real Property, is such Moveable Property easily transportable and reusable at minimal cost in another location if the City is forced to take possession of such Moveable Property?
- Yes No

If NO, the City will not provide funding.

If YES, what is the estimated cost to remove and reinstall the Minimally Attached Moveable Property at another location? _____

If YES, please describe how the Minimally Attached Moveable Property is transportable and reusable at minimal cost, and the basis for the estimated cost.

2. If the Project involves Minimally Attached Moveable Property, describe in detail how such Moveable Property would be attached. Please provide a diagram or photo if available as **Attachment B.11 Attached Moveable Property - Photo - Diagram.**

- D. If the Project involves Minimally Attached Moveable Property to be located in Real Property that the Organization leases, please attach as **Attachment B.12 Attached Moveable Property-Owner Acknowledgement** a letter from the owner of such Real Property acknowledging in writing that it will execute an agreement stating that the specific Moveable Property requested herein will **not be considered part of the Real Property** and will not be subject to such lease. For reference, see Exhibit 6A for the Form of Acknowledgement Letter for Attached Moveable Property-Landlord.

If the Project includes Minimally Attached Moveable Property to be located in Real Property that the Organization leases, and no such letter is attached at B.12 Attached Moveable Property- Owner Acknowledgement, **the City will not provide funding.**

Please note that such acknowledgement from the owner will not preclude the City from requesting a similar acknowledgement at a later date prior to the City reimbursement for this Project.

- E. Have any and all mortgage holders and other lienholders on the building acknowledged in writing that they will execute an agreement stating that the specific Minimally Attached Moveable Property requested herein will **not be considered part of the Real Property** and will not be subject to such mortgage or lien³?

Yes No

If YES, attach such current acknowledgement(s) as **Attachment B.13 Attached Moveable Property - Mortgage Holder - Lienholder Acknowledgment**. For reference, see Exhibit 6B for the Form of Acknowledgement Letter for Attached Moveable Property - Mortgagees/Creditors.

If NO, the City will not provide funding.

³ Please note that if HUD has a lien on the Real Property, please submit evidence that HUD's lien will be subordinated (rather than exclude the Moveable Property from HUD's lien) as **Attachment B.6 Lienholder Letter(s)**.

Please note that such acknowledgement from the mortgage holder or lienholder will not (1) replace at a later date (prior to the City reimbursement for this Project) a Form UCC-3 filing by the mortgage holder or lienholder to exclude the Moveable Property from such mortgage or lien, and/or (2) preclude the City from requesting a similar acknowledgement at a later date (prior to the City reimbursement for this Project).

10) Software:

Review the Guidelines (Exhibit 1) for requirements for software licenses and the Form of Assignment of Software License and Consent (Exhibit 5).

Software licenses are capitally eligible only when they will be valid with the initial purchase for at least three or five years from disbursement of City capital funds. A three-year or five-year software subscription with ongoing fees (such as monthly or annual fees) is not capitally eligible. Any software license(s) for Moveable Property purchases must be transferrable to the City and/or the City's designee, and the City's Assignment of Software License and Consent (see Exhibit 5) will need to be executed by the software licensor(s), if the license is not transferrable by its terms. Note that many items of Moveable Property in addition to computers contain software, including medical Moveable Property and telephone systems.

Does the Organization understand and agree to these software license requirements?

Yes No

11) Installation and Related Soft Costs:

Are there any consultant or design fees, installation or installation-related costs, or other soft costs for the Moveable Property (as indicated in **Attachment B.9 Moveable Property List**)?

Yes No

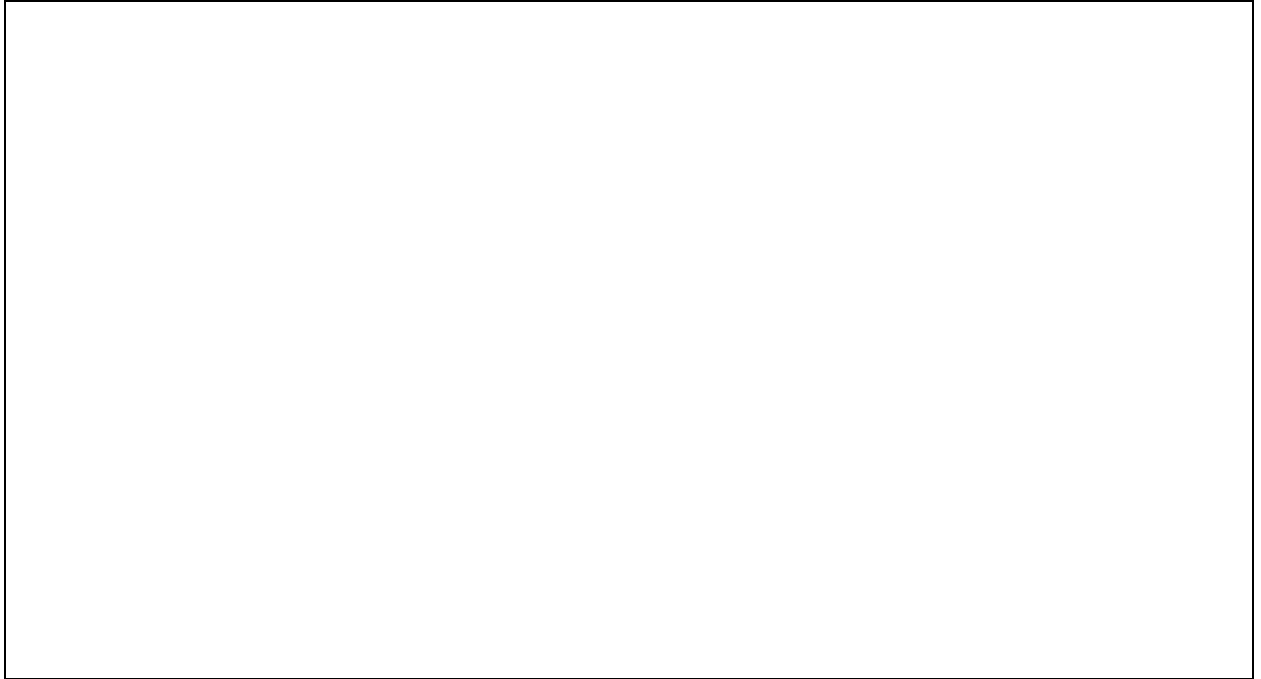

If YES, attach a detailed description of the scope of work for the consulting, design and/or installation, the estimated hours to perform the consulting, design and/or installation, and the hourly rates to be paid for the consulting, design and/or installation as **Attachment B.14 Design, Installation and Other Soft Costs**.

12) Contemplated Uses/Purposes:

- A. City capital funds may not be used to purchase Moveable Property unless a majority of the space used by the Organization at the Project Address is for Front Line Services for a majority of the time that such space is used (as opposed to being used for administrative use (e.g., back office, executive or support service space)). Front Line Services are services that are rendered directly to the public through physical public access (such as a community center) or a hotline. Such services do not include lobbying, advocacy, capacity-building, general administration, and/or development work.

When the majority of the space used by the Organization is used for Front Line Services, City capital funds may be used to purchase Moveable Property for any part of the space at the Project Address used by the Organization. Electronic medical records Projects will be deemed to comply with this provision regardless of the percentage of the space that is used for Front Line Services.

1. Please explain how at the Project Address (specific location of the Moveable Property), a majority of the space used by the Organization will be for Front Line Services for a majority of the time that such space is used. **If less than 50% of such space will be used for Front Line Services, the City will not fund this Project.**

2. Please complete the chart below **for the entire space used by the Organization** at the Project Address.

As stated in the introduction, the Application must be filled out in its entirety. **If the chart below is not completed, the City will not provide funding.**

Complete the table below indicating the type of rooms/areas for the space used by the Organization in the building, the number of such rooms, the square footage (SF) of such rooms, and the programming in such rooms. If the room type is not indicated in the table, add the type in one of the blank rows.

Note: If the square footage of certain rooms/areas for Front Line Services varies depending on the day or time, fill in the table below based on the majority of the time that such rooms are used at all.

3. Please note that office use does NOT constitute use for Front Line Services, unless programming in such offices is provided directly to the public through physical public access or a hotline. To the extent that offices are listed above as providing Front Line Services, please explain:

- B. Will the Moveable Property Project be used for new services or programs not previously offered by the Organization?
Yes No

If YES, the City will not provide funding.

- C. Does the Organization employ salaried employees to provide the services related to the Moveable Property?
Yes No

If YES, specify the number of such salaried employees: _____

Explain who will provide the services related to the Moveable Property. Include position titles and job descriptions or functions of such staff. Indicate whether such positions are (i) paid or volunteer and (ii) full-time or part-time.

Please try to fit the response in the space provided above, but if necessary, attach a separate page labeled **Attachment B.15 Staffing**.

- D. If the Moveable Property is technology related, specify the number of users and the number of such technology-related items. If the number of such items exceeds the number of users, please explain the need for the additional items. For example, if the Moveable Property List includes 20 computers, but there are only 10 users, explain the need for the additional 10 computers.

- E. Project's impact on operating costs and operating revenues - Please explain how this Moveable Property Project, once it is completed, will have an impact on the Organization's operating budget (i.e., salaries; energy costs; security costs; insurance costs; maintenance costs; etc.), revenues and ability to provide services. Please explain how the Organization will fund such operating costs for a minimum of five years. Be specific.

- F. Are the services to be performed or the programs to be provided by the Organization with the Moveable Property regulated by any federal, New York State or City Agency?

Yes No

If YES, does the Organization have all required licenses, permits, etc. for the planned uses?

Yes No

If applicable, identify all such required licenses, permits, etc.

If NO, provide an explanation below of how the Organization anticipates securing the required regulatory permits or licenses.

- G. Will any of the services or programs using the newly acquired Moveable Property be provided pursuant to one or more City Operating Contract(s)? Such contracts include any kind of service agreement.

Yes No

If YES, provide a summary description of the contract including term of the agreement(s) (start and expiration dates), number and term of renewal options (if any), contracting City agency and services covered.

Note that prior to any disbursement of City capital funds, any such current City Operating Contracts at that time (except HHC-affiliation agreements and discretionary grants from elected officials) will need to be submitted.

13) Sectarian Use:

Religious or sectarian activity that should be disclosed includes worship, prayer and/or proselytization occurring any time at the Project Address, regardless of the duration, the frequency and the sponsor of such activity. In addition, it includes administration and implementation of such activities.

When answering this question, please consider and disclose any broader programs that may have worship, prayer and/or proselytization as even a small component of such programs. Failure to disclose activities that may have religious or sectarian components will lead to delays in, reduction of and/or rescindment of City capital funding. **It is recommended that if there is any uncertainty as to whether a certain activity is a religious or sectarian activity, it be disclosed.**

Please acknowledge that you have read and agreed to this statement:

- A. Will any portion of the Organization's space at the Project Address be used by anyone to plan, organize or implement any religious or sectarian activity (see Organization Form, Section II, questions 1(N)-1(P))?

Yes No
