<sup>1</sup> The amount in the space above for “Total Amount Requested from the City in FY 2026,” should be the total amount the Organization wishes to receive from the City. For example, if the Organization submits additive requests of \$250,000 from a Borough President and \$250,000 from City Council, the “Total Amount Requested from the City” would be \$500,000.

## REPURPOSING

If the City has previously appropriated funds to the Organization for a project that is no longer progressing or has materially changed from the project approved by the City, such funds cannot be paid out to the Organization unless the Organization has submitted a new application to “repurpose” such funds for a new project.

Is the Organization requesting to “repurpose” previously appropriated funding?

Yes                      No

If YES, please provide the following information:

City FY of Original Appropriation	Amount of Original Appropriation - Borough President Funding	Amount of Original Appropriation - City Council Funding	Previous Project Funded (e.g., Replace HVAC unit)	Project Address

Total Amount of Borough President Funding to be Repurposed:                      \$ \_\_\_\_\_

+ Total Amount of City Council Funding to be Repurposed:                      \$ \_\_\_\_\_

= Total Amount to be Repurposed as part of this Application:                      \$ \_\_\_\_\_

In addition to the “Total Amount to be Repurposed” as set forth above, is the Organization requesting further City funding in this Application?

Yes                      No

Amount of new funding being requested, if applicable: \$ \_\_\_\_\_

NOTE: The total amount to be repurposed plus any new funding being requested must equal the “Total Amount Requested from the City in FY 2026” on the preceding cover page.

Why are the previously approved project(s) listed above not proceeding? In other words, why is the Organization requesting to repurpose funding? Please provide further detail in **Attachment O.20 Status Report** (see Organization Form).

## INTRODUCTION

Note that questions in this Application relate ONLY to the vehicle purchase Project for which capital funding is being requested.

Please note that if the Project requested herein is approved and receives City capital funding, it will be subject to a compliance review to verify that the Organization complies with all City funding requirements.

Please acknowledge that you have read and agree to this statement: \_\_\_\_

The City is aware of many instances where organizations have been funded for the acquisition of large specialty motor vehicles, multi-passenger vehicles and ambulettes, but ultimately have lacked the capacity to operate and secure such vehicles on a regular and continuous basis. Due to a lack of funds, properly employed licensed drivers, a secure parking location and/or deficient policies and procedures, organizations have had to replace stolen City-funded vehicles or have volunteered or been asked to relinquish their City-funded vehicles to the City.

**Does the Organization understand and agree to review the Organization's needs and capacity to sustain the vehicle(s) for at least five years?**

Yes                      No

**\*Please note that the following entities are NOT subject to this process, and therefore should NOT submit a Capital Request Form:**

- **New York City Health and Hospitals Corporation (HHC) hospitals**
- **New York City public schools (however, charter schools should submit a Capital Request Form)**
- **New York City private schools  
(unless 100% of the student body consists of special education students with disabilities whose tuition costs are paid by the New York City Department of Education, and the school does not share its building(s) with another school)**
- **The City University of New York (CUNY) colleges and schools**

**Before submitting this Application and related attachments:**

- **Review the Guidelines to determine whether the Organization meets the criteria set forth therein;**
- **Review the Glossary;**
- **Review this Application to determine the information that you will need to gather about the Project;**
- **Identify each attachment you must submit with this completed Application; and**
- **Review this Application and the related attachments together to ensure that the corresponding responses match.**

Non-profit organizations that request City discretionary capital funding for Moveable Property projects should closely review the website of the New York City Department of Design and Construction ("DDC") as a resource and guide to the City's funding and reimbursement process for such projects:

- For a copy of DDC's Non-Profit Reimbursement ("NRP") Program Handbook: [https://www.nyc.gov/assets/ddc/downloads/not-for-profit/New2/DDC Handbook November 2024.pdf](https://www.nyc.gov/assets/ddc/downloads/not-for-profit/New2/DDC%20Handbook%20November%202024.pdf) (This document provides an overview of the entire NRP reimbursement process.)
- To view the NRP Program's checklists, template agreements, and required legal submissions, please see: <https://www.nyc.gov/site/ddc/contracts/not-for-profit-forms.page>. (Please note that the checklist submissions include items that will be in addition to the information requested in the capital funding application.)

Note that the City relies on the anticipated split between City and non-City funding set forth in this application when making funding decisions. If funding is allocated by the City, any reduction of total non-City funding or changes to funds said to be in-hand or pledged could impact the City's funding toward the project, and will require detailed explanation from the Organization. **Please acknowledge that you have read and agreed to this statement:**

B. *Status of Securing Non-City Funding*

If relying on non-City funds to cover a portion of the vehicle costs, complete questions 5(B)(1) and 5(B)(2) below.

- If the vehicle(s) will be parked when not in use at multiple locations, the list must be further broken out by location.
- **Training: Do NOT include any training costs** in the Vehicle List, as training costs are capitolly ineligible. - 4) **Please acknowledge that the Organization understands and agrees that if significant changes are made to the Project’s scope or a significant amount of time has passed since the time of the application, then management of the Project may be suspended until the Organization submits a new application for OMB’s review:**

5) **ONGOING POST-FUNDING COMPLIANCE**

OMB, on behalf of the City, conducts compliance reviews of Organizations that have received capital funding from the City under the City’s discretionary capital grant program. The goal of the compliance review process is to verify that the Organization is complying with its obligations and responsibilities under the corresponding legal documents relating to the funding of the project and the use of any other City-owned Real Property or capital asset.

Does the Organization understand that it will have to participate in such compliance program?
