**Statement from NYCCHR Commissioner Christine Clarke
on the Anti-Muslim Attacks in Bay Ridge**

The NYC Commission on Human Rights stands in solidarity with the Muslim community during this deeply troubling time. No one should ever face harassment or intimidation because of their faith.

The recent attacks senselessly targeted three women, including a 12-year-old girl, in a heartbreaking reminder of the violence that hate can bring into our neighborhoods. I want the community to know that we are here to listen, provide guidance, and stand with New Yorkers against discrimination.
