

## **List of TRIE Partners**

The TRIE Initiative focuses on addressing racial disparities in communities of color by building local coalitions and enhancing civic engagement. It invests in neighborhood organizations to connect residents with resources and amplify community voices in city governance. TRIE Neighborhood Administrators (TNAs) are the community-based organizations (CBOs) awarded to serve a TRIE Neighborhood and build a coalition that mobilizes diverse community stakeholders to meaningfully engage residents in the People's Money and support multiple City goals and initiatives.
