The reports for the period October 1, 2012, through March 31, 2013, for donations to City agencies and for official fundraising for unaffiliated not-for-profits, required by the Board's Advisory Opinion Nos. 2003-4 and 2008-6, respectively, **are due to the Board by May 15, 2013.**

AO 2003-4 (attached, see especially pages 22-23) requires a listing of all donations of money, goods, or services with a value of \$5000 or more.

AO 2008-6 (also attached, see especially pages 12-13) requires a listing of the names of all not-for-profit entities for which City agencies, based on a determination by their agency head, solicited support and/or endorsed.

*****Please note that these reports, in whatever format you choose to submit, as well as all previously submitted reports, will soon be posted on the Board's website.*****

Please be advised that:

- 1) The two above-referenced Advisory Opinions contain **different** disclosure requirements.
- 2) For any disclosure for which your agency requests that the donor remains anonymous, that is, where you request a waiver of the requirement to disclose the identity of the donor, you must include a separate document stating the following: a) the identity of those staff of your agency who know the identity of the donor, b) that your agency has received a statement from the donor that the donor, the donor's family, and any firm in which the donor has a controlling interest or has a high executive position are not engaged in business dealings with your agency, or, if that is not the case, that the donor is not involved in such business dealings, and c) that your agency will maintain on file the donor's statement and that to the best of your agency's knowledge that statement is accurate.
- 3) If another individual at your agency can better respond to these disclosure requirements, please provide me with his or her name and contact information.

If you have any questions about these reports, you may contact me at 212-442-1415 (hawley@coib.nyc.gov).

Subject: Disclosure of Donations and of Fundraising Efforts Due May 15, 2013

Wayne –

DoITT received the following donation between October 1, 2011 and March 31, 2012:

In conjunction with its annual New York City government “Excellence in Technology Awards Program” (“ETAP”), DoITT received a donation from eRepublic, Inc., valued at approximately \$12,500 for glass awards, \$10,000 in audio visual presentation costs, and \$35,000 in catering costs. eRepublic, Inc. is the publisher of *Government Technology* magazine and other periodicals. It is one of the nation’s leading publishing, research, event and new media companies and is focused on the state and local government and education markets. Through its *Government Technology* Executive Events division, eRepublic runs the largest intergovernmental conferences in the nation and produces over 100 targeted and custom events annually (<http://www.govtech.com/events/>).

In past years, ETAP took place at the same time as eRepublic’s annual event, called the "NEW YORK CITY TECHNOLOGY FORUM" (referred to as “GovTech”), in November at the Brooklyn Marriott. This year, ETAP had to be postponed until February 2013 due to the City needing to deal with the ongoing recovery from Hurricane Sandy and eRepublic offered to donate to the ETAP event separately from the November event.

DoITT did not receive any other donations during this reporting period, nor did it solicit private contributions to any non-profit organizations during this period.

Please let me know if you require more information.

COLLABORATIVE LINKAGE AGREEMENT

Proposer: Sunset Park Health Council d/b/a Lutheran Family Health Centers

Pursuant to the proposal submitted by Sunset Park Health Council d/b/a Lutheran Family Health Centers in response to the New York State Department of Health Request for Applications for the Maternal and Infant Health Initiative – Component B: the proposer, if funded, will implement the programmatic linkage the Brooklyn Family Justice Center in the manner described below.

Sunset Park Health Council d/b/a Lutheran Family Health Centers (LFHC) will develop and implement the Healthy Families Sunset Park (HFSP) project. HFSP will be based on the Healthy Families New York program model, utilizing highly trained paraprofessionals hired from and representing the cultures and languages of Sunset Park (zip codes 11220 and 11232 in Kings County (Brooklyn)), to deliver home visiting services to expectant mothers and parents with infants less than 3 months of age considered at high-risk for child abuse and neglect. Once enrolled, services will be provided to families until the child enters kindergarten or Head Start. The program aims to reduce child maltreatment, increase use of prenatal care, improve parent-child interactions and school readiness, ensure healthy child development, promote positive parenting, promote family self-sufficiency, and decrease dependency on public assistance and other social services.

The New York City Family Justice Center – The New York City Family Justice Center in Brooklyn is an initiative of the Mayor’s Office to Combat Domestic Violence. It serves as one-stop-services center for victims of domestic violence and their children, by co-locating service providers in one building, so that victims need only go to one office to have their multiple needs met. The BKFJC reduces barriers faced by victims of domestic violence who are seeking help. This innovative program enables victims to meet with a prosecutor, speak with a trained counselor, and apply for housing and financial assistance in just one visit – all in their language while their children play safely in the next room. By providing services in one location with partnering City agencies and community providers, the BKFJC increases the effectiveness of service delivery to break the cycle of violence.

In support of this initiative, The BKFJC will:

- Provide input and collaborate in program planning as a member of the HFSP Advisory Board, a subcommittee of the Sunset Park Promise Neighborhood Health Committee;
- Refer appropriate clients to the HFSP for a comprehensive assessment;
- Accept referrals of HFSP victims of domestic violence and their children for supportive services, including housing, public assistance, criminal justice issues, and counseling;
- Provide information in support of the annual MIECHV needs assessment to be conducted by HFSP;
- Participate in joint public information/education activities;
- Participate in joint professional development opportunities;
- Accept referrals for families affected by domestic violence who are unable to be served by HFSP
