Ethan Carrier  
General Counsel  
Conflicts of Interest Board  
2 Lafayette Street  
New York, NY 10007

Dear Mr. Carrier,

By this letter, I designate Sheriff Joseph Fucito, Sheriff of New York, to participate in the New York State Sheriff's Association as an Executive Committee member on behalf of the New York City Department of Finance, pursuant to Conflicts Board Rule 1-13.

Sheriff Fucito states that his work on behalf of the Sheriffs' Association would be approximately 8 hours per month, and that he would not be compensated for his proposed volunteer activity.

New York State Sheriff's Association's does not hold contracts with New York City, nor are they registered as a lobbyist for the City.

The New York State Sheriffs' Association is a not for profit corporation consisting of all the elected and appointed sheriffs of New York State. The purpose of this organization is to assist sheriffs in providing efficient and effective delivery of sheriff's services to the public through education. The organization also advises members of the State Legislature and the Governor's Office regarding the feasibility and implications of proposed legislation or administrative rules and regulations affecting sheriffs and their constituents.

Sheriff Fucito would be able to provide insight and assistance in advocating the City's interests within the Sheriffs' Association. There is a clear nexus between Sheriff Fucito's position as Sheriff of New York and his activity on behalf of the NYS Sheriff's organization.

Sincerely,

A handwritten signature in black ink, appearing to read "Jacques Jiha".
