Dear Mr. Briffault:

Pursuant to Rule 1 13(e) of the Rules of the Conflicts of Interest Board (COIB), I, as Commissioner of the New York City Department of Probation (DOP), hereby designate Lily Shapiro, in her official capacity as Senior Policy Advisor to the Commissioner at DOP to serve on the Public Safety Council of the People's Police Academy.

The Peoples Police Academy (PPA) is housed at Medgar Evers College of the City University of New York, in the DuBois Bunche Center for Public Policy. The PPA is an initiative designed to enhance community and law enforcement relationships and trust, ultimately leading to a safer New York City. The initiative involves, ultimately, having civilian community members involved in training local law enforcement on topics such as cultural literacy and local history. I have determined that there is a demonstrated nexus between Ms. Shapiro's service on the PPA Public Safety Council, her role as my Senior Policy Advisor, and the mission of DOP. Ms. Shapiro's service for PPA furthers the DOP's mission and is not undertaken primarily for the benefit or interest of the PPA. Furthermore, to the extent any such business is conducted, Ms. Shapiro will take no part in the PPA's business dealings with the City.

I have been advised that Ms. Shapiro does not anticipate any conflicts between her responsibilities at DOP and her responsibilities as a member of the Public Safety Council of the PPA. I approve of the reasonable use of City time and resources for the purpose of Ms. Shapiro serving on the PPA Public Safety Council as part of her City duties.

Sincerely

Dear Mr. Briffault:

Pursuant to Rule 1 13(e) of the Rules of the Conflicts of Interest Board (COIB), I, as Commissioner of the New York City Department of Probation (DOP), hereby designate Catrina Prioleau, in her official capacity as Director of the Neighborhood Opportunity Network (NeON) at DOP to serve on the West Harlem Restoration and Reentry Project (WHRRP) Advisory Committee.

The WHRRP is an innovative reentry and community healing program funded with a 3.5- year grant from the District Attorney of New York's Criminal Justice Investment Initiative to the Osborne Association in partnership with Living Redemption's Central/West Harlem Youth Opportunity Hub and the Tayshana Chicken Murphy Foundation. This multifaceted program is a direct response to a June 2014 law enforcement intervention in ongoing violence that resulted in the arrest and prosecution of 103 individuals living in the Manhattanville and Grant housing developments and surrounding areas. The West Harlem Community Restoration and Reentry Project is designed to sustain a reduction in violence, address trauma resulting from the intervention, promote long-term healing among residents, and build capacity of local organizations and residents for peacekeeping actions and work.

I have determined that there is a demonstrated nexus between Ms. Prioleau's service on the West Harlem Restoration and Reentry Project Advisory Committee, her role as NeON Director, and the mission of DOP. Ms. Prioleau's service for WHRRP furthers the DOP's mission and is not undertaken primarily for the benefit or interest of the WHRRP. Furthermore, to the extent any such business is conducted, Ms. Prioleau will take no part in the WHRRP's business dealings with the City.

I have been advised that Ms. Prioleau does not anticipate any conflicts between her responsibilities at DOP and her responsibilities as a member of the West Harlem Restoration and Reentry Project Advisory Committee. I approve of the reasonable use of City time and resources for the purpose of Ms. Prioleau serving on the West Harlem Restoration and Reentry Project Advisory Committee as part of her City duties.

Sincerely,
