Dear Mr. Carrier:

Pursuant to Rule 1-13(e)(1) of the Rules of the Conflicts of Interest Board, I, as Commissioner of the New York City Department of Environmental Protection (“DEP”), have designated Jennifer Garigliano (the “Designated Employee”) to perform work in her official DEP capacity for the Water Resources Association of the Delaware River Basin (“WRADRB”), a not-for-profit organization, as set forth in Exhibit A hereto. Based on information presented to me, I have determined that there is a demonstrated nexus between the Designated Employee’s City job, the mission of DEP and the work or activity of the Designated Employee at WRADRB, and that such work or activity furthers the mission of DEP and is not undertaken primarily for the benefit or interest of WRADRB.

The Designated Employee will take no part in WRADRB’s business dealings with the City either at WRADRB or at DEP in the absence of COIB approval.

Sincerely,
