Financial Relationships with your Superior

Your boss needs you to pay for their lunch? Order them an Uber? Loan them \$30? Where does Chapter 68 draw the line? Check out this video about what kinds of financial activity between you and your boss is (and isn't) permitted.

---

## Entree

Things your boss can accept for their birthday	Things your boss can't accept for their birthday
A light bulb	Film Forum membership
Handmade card	A new car
Store bought card	One Chipotle burrito
Trader Joe's green filler	Four trips on the subway
A high-five	

Unless it's a significant life event, keep gifts to your boss under the \$10 limit. Even if other people want to pitch in, your boss can't accept a gift worth more than \$10. Three of you pitching in for your boss's birthday? That's \$3.33 each, tops. (Sorry, your boss's birthday isn't significant.)
