Hello Charles

Thank you for the information this morning. Here are my questions:

1. As there is no renewal kit being mailed out by the former DCA, what is the new procedure for notifying the electrical and elevator departments to perform our inspections?
2. Who do we provide the COI's to? Who should be listed as the certificate holder? Where do we send them?

Thank you,

Dear Charlie,

I am the attorney for Central Amusement International Inc., operator of Luna Park in Coney Island and of the Friedsam Memorial Carousel in Central Park.

As requested, please find below my question regarding the new/amended rules to implement Local Law 80 of 2021 and Local Law 98 of 2021:

How an amusement ride operator should now classify/list its rides so that the relevant City department knows which ride we are talking about (for reports, insurance etc). Will the Serial Number be sufficient or will any NYC department assign another number?

Thank you,
Giulia Sambugaro, Esq.
