

# Inspection Checklist: Garages and Parking Lots

*Does your business operate a parking garage or lot that is open to the public and charges for parking?*

**Definition: Garage** means a building, shed, or enclosure, or any part of a building, shed, or enclosure, that can accommodate, store, or keep five or more motor vehicles for a fee or other consideration. **Parking lot** means an outdoor space or uncovered plot of ground that can accommodate, store, or keep five or more motor vehicles for a fee or other consideration.

**Use this checklist to learn what our inspectors look for and help avoid violations. All businesses also must comply with the General Retail Inspection Checklist, which is included at the end for easy reference.**

**For your convenience, each Requirement includes the relevant section of law and/or rule, so you can refer to it for more information. The KEY below describes the legal citations and symbols used in this checklist.**
