Home Improvement Contractor Affirmation

The U.S. Environmental Protection Agency (EPA) requires certain businesses to be certified in safe lead practices under the Renovation, Repair, and Painting (RRP) Program and/or the Lead-Based Paint Activities Program.

Submit this completed, signed form if your business is *not* certified under one or both of the EPA programs above.

Legal Name of Business (Applicant):	
Business's Trade or Doing-Business-As (DBA) Name, if applicable:	
Business Address:	
License Number (if renewing your license):	

I affirm the following:

- My business is *NOT* required to obtain (*Check all that apply.*):
 - Renovation, Repair, and Painting (RRP) certification concerning the renovation, repair, or other disturbance of lead-based paint in a residential property.
 - Lead-Based Paint Activities certification (also known as Lead Abatement certification).
- If I or any agent of the business agrees to perform home improvement work that requires the business to obtain one or both of the EPA certifications above, I will notify DCWP of the change within five business days and include proof of certification.
- I understand that falsification of any statement made herein is an offense punishable by a fine or imprisonment or both.
