

Finding Name and Address of Building Owner of Record or Owner’s Agent

Newsstand license applicants must send via certified mail a letter of notification to the owner or owner’s agent of the building or lot directly adjacent to the site of the proposed newsstand. It is your responsibility to provide this notice to either the property owner of record or the owner’s agent. The Newsstand License Application Checklist, including a model letter, are available at nyc.gov/BusinessToolbox.

The New York City Department of Finance and the New York State Department of State maintain online databases that may help you identify the name and mailing address of the owner of record or the owner’s agent. For convenience, the Department of Consumer and Worker Protection (DCWP) created this handout to help you navigate these online databases.

Please note that DCWP cannot guarantee the accuracy of the information in the databases maintained by other agencies. If you have questions about the information or experience technical difficulty, please contact the Department of Finance (nyc.gov/finance) or the New York State Department of State (dos.ny.gov).
