Sign Template – Required Sign on Pedicab

By law, pedicab businesses must post a sign to the rear of the bicycle seat that states clearly in letters and numbers at least two (2) inches high the price per minute per ride. (*Local Law 59 of 2012*)

DCWP created the attached sign template for use:

- The sign template is 11 inches wide by 8.5 inches tall.
- You can type the dollar amount in the template, then print the sign in Landscape Orientation on Standard US Letter paper (8.5” by 11”). The sign must have a protective cover (for example, lamination).

You may receive penalties for failing to post the required sign or failing to post the sign with required minimum size for letters and numbers.
