The Fund will be administered by the Comptroller of the City of New York pursuant to §93(h) of the New York City Charter.
- (b) *Participation in the Fund.*
  - (1) To qualify for participation in the Fund, an applicant for a process server license or renewal therefore must submit with such server's application a copy of its completed application to two sureties approved by the Commissioner for the bond required by § 20-406.1 of the Administrative Code of the City of New York and the original copies of the rejection or denial of such application by such sureties. Pursuant to such section, process serving agencies are not eligible to participate in the Fund.
  - (2) Any process server who qualifies for participation in the fund may participate by submitting with the application for a process server license or renewal thereof a certified check or money order in the amount \$1,000, made payable to the New York City Department of Consumer and Worker Protection for depositing the amount in such Fund.
  - (3) A bonded licensee may participate in the Fund in lieu of continued compliance with the bond requirement of §20-406.1(a) of such Code by submitting proof that consists of an original copy from the process server's current surety denying renewal and the completed applications and original denials from two additional sureties approved by the Commissioner, and upon submitting to the Department a certified check or money order in the amount of \$1,000 made payable to the New York City Department of Consumer and Worker Protection, prior to the expiration or cancellation of the licensee's bond.
  - (4) The required deposit to be made by applicants to participate in the Fund may not be refundable upon the issuance of a process server license. If the Department denies issuance of a license or

renewal thereof, the deposit made by the applicant must be refunded within thirty days after the application for a license or renewal thereof is denied.

- (5) Participation in the Fund does not relieve a licensee of any obligation to pay awards or fines imposed by the Department or judgments or arbitration awards rendered against the licensee by a court of competent jurisdiction. In the event that a process server's license is revoked, surrendered or the process server fails to renew its license, and the Fund is invaded to pay an award, fine or judgment that was rendered against such process server pursuant to the provisions of the Code or these rules, no license may be issued or reinstated to such process server unless the amount(s) paid out of the Fund on behalf of such process server is reimbursed by such process server in full.

(c) *Invasion of the Fund.*

- (1) If the Department has revoked a process server's license or the licensee has surrendered or failed to renew the license, the Commissioner may require that disbursements be made from the Fund to pay to the City any fine, penalty or other obligation the City imposes relating to the violation of subchapter 23 of Chapter 2, Title 20 of the Administrative Code of the City of New York and any rules promulgated thereunder or to pay a final outstanding judgment recovered in an action arising out of the violation of the provisions of such subchapter.
- (2) No disbursement may be made from the Fund to pay an award, fine or judgment that is rendered against a licensee who has furnished a bond pursuant to the requirements of § 20-406.1(a) of the Administrative Code of the City of New York or against a process server who was not licensed by the Department or a participant in the Fund at the time of the violation.
- (3) Disbursement from the Fund may be made at the discretion of the Commissioner or his or her designee, provided, however, that invasion of the fund must be limited to no more than \$10,000 for all awards, fines or judgments arising out of a single service of process.
- (4) The Commissioner or his or her designee may order that partial payment of awards, fines, or judgments be made from the Fund.
- (5) Nothing contained herein may be construed to limit the rights and remedies of any party, including the Department, to pursue a cause of action against a process server who is a participant in the Fund.
- (6) Nothing contained herein may be construed to provide for the payment of awards or judgments rendered against Fund participants in personal injury actions.

- (d) *Accounting.* The Commissioner must, by January 31 of each year, cause an accounting to be made of all of the Fund's activities during the preceding calendar year.

**§ 2-232d. Testing.**

Every person who applies for a process server license or renewal thereof shall be required to pass an examination prior to being issued a license or renewal. Such examination shall test the applicant or licensee's knowledge regarding proper service of process within the city of New York and familiarity with relevant laws and rules. The fee for this examination will be \$75 and is not refundable. An applicant who fails the exam on the first attempt may take the examination a second time without an additional fee. After the second successive failure, the applicant's application or renewal will be denied and he or she must reapply for a process server license.

**§ 2-233. Records.**

- (a) **Duty of individual process server to keep records.** Each process server must maintain records of all service made by them in compliance with the provisions of section 89-cc of the New York General Business Law and section 20-406.3 of chapter 20 of the Administrative Code of the City of New York, as follows:

(III) contains a backup support system such that the scanned image file must be capable of being reconstructed if an electronic or computer malfunction or unforeseen incident resulting in the destruction of the system or the information contained therein; and

(D) where the process server stores scanned image files on a portable media device, such portable media device must be labeled with the process server's last name, license number and the date range of the records stored on the device;

(ii) **Electronic records with a third party contractor.** Where a process server maintains electronic records with a third party contractor, the process server must submit recorded entries in chronological order to such contractor within three business days of service or attempted service. The process server must enter a contract with a contractor pursuant to which such contractor must be required to provide services and perform functions consistent with 6 RCNY § 2-233(c), provided, however, the process server may use the services and functions for electronic record storage that a process serving agency has made available to process servers under a contract with a third party contractor.

  - (ix) the time service was attempted or effected, which must be entered as military time;

  - (xi) the nature of the papers served;
  - (xii) the court in which the action has been commenced, which must be entered as either Civil Court NYC, Civil Supreme, Criminal, Housing (L/T), or District Court, followed by the county of the court, the judicial department if appellate, or the federal district;

- (xviii) if an affidavit or affirmation of service is filed with the court by the process server, the record shall include the date of such filing.

**(b) Duty of licensed process serving agencies to keep records.** Every process serving agency must keep complete and accurate records for each individual process server to whom it assigns or distributes process to be served. Such records must be kept in a searchable manner that permits ready identification of (i) the daily activity of each such individual process server and (ii) any or all process assigned or distributed for service by the name of the person or entity from whom the process serving agency received such papers for service.

- (1) **Maintenance of records.** Process serving agencies must maintain electronic records by copying records to an electronic records management system or by submitting records to a third party contractor.

(i) **Electronic records management system.** If the process serving agency elects to store records itself rather than through a third party contractor, it must save the record to an electronic records management system within three business days from the last event recorded in the record. Such electronic records management system must maintain electronic records, including the required records described in 6 RCNY § 2-233(b)(2), in a manner that:

- (A) ensures the authenticity, reliability and integrity of the electronic records;
- (B) permits the efficient retrieval of electronic records;
- (C) contains a backup support system such that the electronic records must be capable of being reconstructed if an electronic or computer malfunction or unforeseen incident results in the destruction of the system or the information contained therein.

(ii) **Third party contractor.** Where a process serving agency maintains its records with a third party contractor, the process serving agency must submit records to such contractor within three business days from the last event recorded in the record. The process serving agency must enter into a contract with such contractor pursuant to which such contractor must be required to provide services and perform functions consistent with 6 RCNY § 2-233(c).

- (2) **Required records.** Process serving agencies must maintain, at a minimum, the following records:

- (i) An electronic file that legibly reproduces the original record of service or attempted service containing all of the individual process server's records maintained pursuant to 6 RCNY § 2-233(a) of this rule for each day on which the individual process server attempted or effected service of the process assigned or distributed to the individual process server by the process serving agency;
- (ii) A copy of every routing sheet, work order or other written instruction given to the individual process server;
- (iii) Copies of any notes, memoranda or other writings submitted by the individual process server containing information related to the attempted or effected service of process assigned by the process serving agency;
- (iv) A copy of every affidavit of service and affirmation of service signed by the individual process server for service assigned by the process serving agency;
- (v) if an affidavit or affirmation of service is filed with the court by the process serving agency, the record must also include the date of such filing.

**(c) Storage of records with a third party contractor.** Where a process server or process serving agency uses a third party contractor to maintain records consistent with 6 RCNY § 2-233(a)(1)(ii) or 6 RCNY § 2-233(b)(1)(ii), respectively, such process server or process serving agency must enter a contract with such contractor pursuant to which such contractor must be required to provide services and perform functions that include, but are not limited to:

- (1) maintain a daily backup of all submitted data, and ensure all data is available for review upon request of any and all interested parties;
- (2) maintain the original electronic record submitted by the process server unaltered for a period of not less than seven years;
- (3) prohibit the process server, the process serving agency, or any person to alter the original record;
- (4) maintain the records in a manner that will permit retrieval by the DCWP license number of the process server, the DCWP license number of the process serving agency that has distributed the process for service, the name of the plaintiff or petitioner, the name of the defendant or respondent, the docket number (if any), the name of the person to whom process is delivered and a unique file identifier of the process being served;
- (5) maintain the records in a manner that will ensure that their integrity is adequate for admissibility in a judicial proceeding under the rules of evidence applicable in the state of New York;
- (6) provide a backup support system such that the electronic records must be capable of being reconstructed if an electronic or computer malfunction or unforeseen incident results in the destruction of the system or the information contained therein;
- (7) produce upon request by the Department, a copy of the electronic records, or any reasonably described part involved, certified to be true and accurate;
- (8) produce to the Department upon request the electronic records containing required information set forth in 6 RCNY § 2-233(a)(2) in the format provided by the Department on its website.

(d) **Integrity of records.** Corrections to bound paginated volumes and electronic records with a third party contractor must be made only as follows:

- (1) **Bound paginated volumes.** A process server may make corrections in bound paginated volumes only by drawing a straight line through the inaccurate entry and clearly printing the accurate information directly above the inaccurate entry. All other methods of correction, including but not limited to erasing, opaquing, obliterating or redacting, are prohibited.
- (2) **Electronic records with a third party contractor.** A process server and process serving agency must ensure that permissions pertaining to electronic records submitted to a third party contractor will be secured so that the data cannot be deleted upon submission to such contractor. No process server or process serving agency may tamper with data or properties of any electronic record kept pursuant to this section after a file is made by modifying, amending, deleting, rearranging or in any other way altering any such data or properties including, but not limited to, using a meta data scrubber or similar device or program. If a typographical error has occurred or if data contained in the process server or process serving agency's record was accidentally omitted from the electronic data entry, the process server or process serving agency must promptly make an amendment to their records of service with the third party contractor. A process server who attempted or effected process may make other corrective amendment, or supplement (such as concerning filing or additional mailing), to the record of service with the third party contractor. Any amendment must be made by creating a new entry in which the original record must be identified by reference in italics within the new entry.

(e) **Retention and production of records.**

- (1) Process servers and process serving agencies must retain all records required to be maintained pursuant to this section for a period of seven years from the date of service. Where a process server is employed as a process server by any person, a copy of such records must also be maintained by such person at such person's principal office for the same period;

- (2) Upon request by the Department, process servers and process serving agencies must produce a copy of any record they are required to maintain pursuant to this section, or any reasonably described part involved, certified to be true and accurate;
- (3) Except where a process server maintains records in bound paginated volumes, process servers must produce, upon request by the Department, the information required to be maintained pursuant to 6 RCNY § 2-233(a)(2) in the format provided by the Department on its website;
- (4) Upon request by the Department, process serving agencies must produce the information required to be maintained pursuant to 6 RCNY § 2-233(a)(2) in the format provided by the Department on its website.

#### **§ 2-233b. Electronic Record of Service/GPS Requirements.**

- (a) General Requirements for GPS. A process server licensed pursuant to this subchapter must comply with the requirement of section 20-410 of the Code to carry at all times during the commission of their licensed activities, and operate at the time process is served or attempted, a device to establish electronically and record the time, date, and location of service or attempted service as follows:
  - (1) Equipment.
    - (i) The process server must obtain a mobile device, such as a telephone or personal digital assistant, that utilizes the software necessary to make an electronic record of the location where, and the time and date when, the record is made as determined by Global Positioning System (“GPS”) technology or Assisted-Global Positioning System (“A-GPS”) technology, and labels the record with the network date and time maintained by the mobile device, the DCWP license number of the process server, the DCWP license number of the process serving agency that has distributed the process for service, the name of the plaintiff or petitioner, the name of the defendant or respondent, the docket number (if any), the name of the person to whom process is delivered and a unique file identifier of the process being served.
    - (ii) The mobile device must be equipped with the software necessary to make an electronic record of the location where and time and date when the record is made, as determined by triangulated cell tower signals, if at the time of the effected or attempted service of process a GPS signal is not available.
    - (iii) The mobile device software must automatically add that location, time and date information to the electronic record as soon as a GPS or cellular signal reaches the device if neither a GPS nor a cellular signal is present at the time the process server causes the electronic record to be made.
  - (2) Operation of Equipment.
    - (i) On every occasion that a process server attempts or effects service of process, the process server must ensure that the mobile device makes an electronic record of the GPS location, time and date of the attempted or effected service immediately after attempting or effecting service. If no GPS signal is available at the time of attempted or effected service of process, the location, time and date will be determined by triangulated cell tower signals. The process server is not in compliance with this provision if its electronic record was made before the time of attempted or effected service. There shall be a rebuttable presumption that the process server was not in compliance with this provision if its electronic record is made more than five minutes after the time of attempted or effected service.
    - (ii) [Reserved.]
    - (iii) Each electronic record must include, at a minimum, the following information:

- (a) a unique file identifier of the process being served;
- (b) the name of the plaintiff or petitioner;
- (c) the name of the defendant or respondent;
- (d) the full index number, entered with all information necessary to identify the case, such as XXXXXX/XX, unless the case is a Civil Local matter, in which case, it will include the prefix of CV, CC, LT, MI, NC, RE, SC, or TS;
- (e) the date that service was effected or attempted according to GPS or cellular signals, entered as MM/DD/YYYY;
- (f) the time that service was effected or attempted according to GPS or cellular signals entered as military time;
- (g) the location where service was effected or attempted, which must include building number, street name, address details, e.g., apartment, suite, floor or room number, city or borough, ZIP code, which must be five digits, and latitudinal and longitudinal coordinates returned by the GPS device in decimal degree format;
- (h) the name of the person to whom process is delivered;
- (i) the DCWP license number of the process server; and
- (j) the DCWP license number of the process serving agency that distributed the process for service

(3) **Contract for Services.** The process server must enter into a contract with an independent third party who will provide services and perform functions described in paragraph (4) of this subdivision that enable the process server to meet the data storage and retrieval requirements set forth in such paragraph (“the GPS Contractor”), provided, however, that if the process server performs process serving activities distributed to them by a licensed process serving agency, the process server may utilize the device and facilities for the electronic record of service that the process serving agency obtains under a contract with a GPS Contractor.

(4) **Data Storage and Retrieval.** The electronic record must be automatically transmitted electronically from the mobile device to the GPS Contractor as soon as a GPS or cellular signal is available and location, date and time are entered into the electronic record. The GPS Contractor must store the electronic record according to the following terms:

- (i) the original digital file must be maintained by the GPS Contractor unaltered for a period of not less than seven years;
- (ii) neither the process server nor the process serving agency will be permitted to alter the original data, but may obtain copies of the original data file;
- (iii) the GPS Contractor must maintain the records in a manner that will permit retrieval by the DCWP license number of the process server, which will be specified as a

seven-digit number, where the first number must be zero if the process server's license number is less than seven digits, the DCWP license number of the process serving agency from whom the process served was received, or, if not received from a process serving agency, the name of such other person or firm from whom the process served was received, the name of the plaintiff or petitioner, the name of the defendant or respondent, the docket number (if any), the name of the person to whom process is delivered and a unique file identifier of the process being served;

- (iv) the GPS Contractor must maintain the records in a manner that will ensure that their integrity is adequate for admissibility in a judicial proceeding under the rules of evidence applicable in the state of New York;
  - (v) the GPS Contractor must produce upon request by the process server or the Department, and to any other party according to an appropriate order or subpoena, a copy of the electronic records, or any reasonably described part involved, certified by the GPS Contractor to be true and accurate;
  - (vi) the GPS Contractor must provide to the process server or the Department upon request a street map in hard copy format and access to an interactive electronic street map that display the locations where the digital records were recorded with a date and time provided by GPS or cellular date and time;
  - (vii) the GPS Contractor must provide to the process server or the Department upon request, and to any other party according to an appropriate order or subpoena, the process server's electronic record in the format provided by the Department on its website.
- (b) Provision of Equipment and Services by Process Serving Agency. A process serving agency licensed according to this subchapter may provide to licensed process servers the device and services required by subparagraph (a) according to a contract with an independent third party. For purposes of this Rule, a third party will not be considered independent if any officer or owner of ten percent or more of the shares of the licensed process serving agency has any interest, direct or indirect, in the third party.
- (c) Report to Department.
- (1) Within sixty days after the effective date of this Rule a licensed process server must submit to the Department in a form approved by the Commissioner a certification that he or she has secured the contract required by this Rule and identifying the name, address and account number of the GPS Contractor(s) providing the required device and services. After sixty days after the effective date of this Rule, no process server license will be issued or renewed unless the applicant submits such a certificate.
  - (2) A licensed process server must submit to the Department an amended certification within two days of entering into a contract with a different GPS Contractor.
  - (3) In place of submitting the certificates required by the preceding provisions, the licensed process server may submit a certification in a form approved by the Commissioner affirmed by an owner or officer of a licensed process serving agency that the device and services the process server is required to obtain are provided by the agency under a contract with an independent third party.
- (d) Compliance with all laws. Compliance with the requirements of this Rule does not relieve a licensed process server of the obligation to make or maintain records required by any other federal, state, or local law, rule or regulation.

## **§ 2-234. Duty to Comply with Law.**

The licensee shall at all times strictly and promptly conform to all laws, rules, regulations and requirements of the federal, state and municipal authorities relating to the conduct of licensees and the service of process in the State of New York and the preparation, notarization and filing of affidavits of service; and the preparation and filing of affirmations of service and other documents now in force or hereafter adopted during any license period.

    - (iv) maintain records of any disciplinary actions taken against the individual licensed process server;
    - (v) report to the Department in writing the name and license number of each individual licensed process server who does not comply with the law governing process servers within ten (10) days of learning of such non-compliance;
    - (vi) make available, upon request, to the Department a copy of its record review procedures, any written reports of the reviews it maintains, and copies of any referrals of individual process servers to the Department.
- (c) Implementation Affirmation. A process serving agency in possession of a license issued by the Department on the effective date of this Rule must submit an affirmation to the Department that it has adopted a written Compliance Plan within sixty (60) days of such effective date. After the effective day of this Rule, no license will be issued or renewed until the process serving agency files with the Department an affirmation that it has adopted a Compliance Plan.

  - (ii) the names, addresses, and Department license numbers of each process server who serves process on behalf of the process serving agency.
- (2) If additional process servers are assigned process by the process serving agency or a new process server is hired to serve process exclusively as an employee of the process serving agency after the date of such application or renewal, the licensee must notify the Department in a manner designated on its website within five (5) days of the new assignment or employee with the names, addresses and Department license numbers of such additional process servers.
- (3) If a process server ceases to serve process exclusively as an employee of a process serving agency after the date of such application or renewal, the process serving agency must notify the Department in a manner designated on its website within five (5) days that the process server ceases to serve process exclusively as an employee with the name, address and Department license number of such process server.
- (4) The process serving agency must advise the Department of any process server who is misrepresenting his or her license status or his or her compliance with the requirements of Section 20-406.1 of the Administrative Code.

## **§ 2-235. Preparation of Affidavits of Service or Affirmations of Service**

- (a) A licensee may not sign an affirmation of service or notarize or cause to be signed or notarized an affidavit of service until all factual averments have been set forth. The licensee must include their license number on all affidavits of service and affirmations of service signed by them. On each affidavit of service and affirmation of service, the licensee must: (1) specify the papers served; the person who was served; the individual who was delivered service; the date, time and address or place of service; and the manner of service; and (2) set forth facts showing that service was made in an authorized manner. A process server purporting to serve a business entity by delivery of papers to an individual that the process server, upon personal knowledge, avers in the affidavit of service or affirmation of service to be the “agent,” “managing agent” or “general agent,” or other individual authorized to accept service, also must state in the affidavit of service or affirmation of service, at a minimum: (1) that the process server inquired if that individual was authorized to accept service and received an affirmative response; (2) that the process server inquired of the individual their name and job or responsibilities and the individual’s responses; and (3) facts confirming or explaining the statement that the process server knew the individual served was the type of agent specified in the affidavit of service or affirmation of service. - (b) A licensee must not make any false statement in an affidavit of service or affirmation of service.
- (c) The commissioner may deny any license application or refuse to renew any license, and, after due notice and opportunity to be heard, may suspend or revoke such license, if the applicant or person holding such license, or where applicable, any of its officers, principals, directors, members, managers, employees, or stockholders owning ten percent or more of the outstanding stock of the corporation, has been found, in connection with the applicant’s or licensee’s business, to have made a false statement in an affirmation of service or affidavit of service.

## **§ 2-235a. Duty to Testify Truthfully**

- (a) A licensee may not make any other false statement orally or in writing under oath or affirmation before any court, body, agency, public servant, or other person authorized by law to administer an oath, where the false statement is material to the action, proceeding or matter in which it is made.
- (b) The commissioner may deny any license application or refuse to any license, and, after due notice and opportunity to be heard, may suspend or revoke such license, if the applicant or person holding such license, or where applicable, any of its officers, principals, directors, members, managers, employees, or stockholders owning ten percent or more of the outstanding stock of the corporation, has been found, in connection with the applicant’s or licensee’s business, to have made such a false statement.

## **§ 2-236. Duty to Report Hearings Contesting Service.**

- (a) Whenever a process server or process serving agency receives any type of notice, including an oral communication, that a court has scheduled a hearing to determine whether service of process made or assigned by such licensee was effective, the licensee must submit a report to the Department in the manner designated by the Department on its website within ten days of receiving such notice. Such written report must include:

Sixty days after the date of the scheduled hearing, if the party or its attorney has not provided to the licensee a written report of the result of such hearing, the licensee must search for the result in the file in the office of the clerk of the court where such hearing was scheduled to occur. If the clerk's file does not contain a result sixty days after the hearing, the licensee must search for the result in the clerk's file ninety days after the scheduled date of such hearing.  
(2) The licensee must report to the Department in the manner designated by the Department on its website (i) within ten days of learning the result, or (ii) that it made attempts to learn the result and was unable to do so not later than one-hundred days after the scheduled date of such hearing.

**§ 2-237. Wearing of Insignia Prohibited.**

No licensee while serving process shall wear or display any badge, insignia, shield, medal, decoration or facsimile thereof.

In conducting such an audit, the Department may issue a subpoena by email to a process server for the period identified by the Department in such subpoena for the following records no longer than two months:
  - (1) Records that a process server is required to maintain pursuant to 6 RCNY § 2-233(a);
  - (2) Affidavits of service and affirmations of service filed with a court by a process server or on behalf of a process server related to service;
  - (3) Records of the GPS location, time and date of attempted or effected service of process made pursuant to 6 RCNY § 2-233b(a)(2); and
  - (4) Documents sufficient to identify all traverse hearings scheduled to occur, whether or not held, by any court, including courts outside of New York City, concerning process served or attempted to be served, and any result of such hearings.
- (b) Records described by paragraphs one through three of subdivision a of this section must be produced in electronic form, unless otherwise specified by the Department, and records described by paragraph four of subdivision a of this section may be produced in paper or electronic form. Records described in paragraph two of subdivision a of this section must be produced in chronological order.

- (c) A process server must comply with each document production demand in a subpoena from the Department within 20 days of the date on which the subpoena was issued, provided that the monetary penalties authorized by 6 RCNY § 6-30 for violation of 6 RCNY § 2-240 will not apply while such subpoena is the subject of a pending judicial proceeding. Each failure to comply with a document production demand in a subpoena is a separate violation.
- (d) By February 1st and August 1st of each calendar year, a process server must submit, by electronic means, a certification to the Department stating whether it has served at least one summons, subpoena, notice, citation or other process, directing an appearance or response to a legal action, legal proceeding or administrative proceeding that is subject to the provisions of section 110 of the civil court act in the most recent six-month period, as follows: the February 1st certification must cover the six-month period from July through December of the previous year; the August 1st certification must cover the six-month period from January through June of the current year.
- (e) Nothing in this section limits the Department's authority to request or inspect records or information pursuant to any other provisions of law or rule, including, but not limited to, the Commissioner's authority to conduct audits of process servers and process serving agencies pursuant to the first sentence of subdivision c of section 20-406.3 of the Administrative Code.

## **New York City Laws and Rules**

#### **NEW YORK CITY ADMINISTRATIVE CODE**

#### **TITLE 20: CONSUMER AND WORKER PROTECTION**

#### **CHAPTER 1: LICENSE ENFORCEMENT**

##### **§ 20-101. Legislative Intent.**

The council finds that for the protection and relief of the public from deceptive, unfair and unconscionable practices, for the maintenance of standards of integrity, honesty and fair dealing among persons and organizations engaging in licensed activities, for the protection of the health and safety of the people of New York city and for other purposes requisite to promoting the general welfare, licensing by the department of consumer and worker protection is a necessary and proper mode of regulation with respect to certain trades, businesses and industries. The council finds further that, in order to secure the above-mentioned purposes, and generally to carry out responsibilities for supervising and regulating licensed activities, trades, businesses and industries, the commissioner of consumer and worker protection requires powers, remedies and sanctions which are equitable, flexible and efficient. Finally, the council finds that

sanctions and penalties applied by the commissioner and by the courts for the violation of laws and regulations by individuals and organizations engaging in various licensed activities, trades, businesses and industries, must be sufficient to achieve these above-mentioned purposes of licensing.

- b. "Department" shall mean the department of consumer and worker protection.

The commissioner or the commissioner's designee shall be authorized to conduct investigations, to issue subpoenas, to receive evidence, to hear complaints regarding activities for which a license is or may be required, to take depositions on due notice, to serve interrogatories, to hold public and private hearings upon due notice, to take testimony and to promulgate, amend and modify procedures and practices governing such proceedings.
- e. (1) The commissioner shall be authorized, upon due notice and hearing, to suspend, revoke or cancel any license issued by him or her in accordance with the provisions of chapter two and to impose or institute fines or civil penalties for the violation of (i) any of the provisions of chapter two of this title and regulations and rules promulgated under chapter two of this title and (ii) any of the provisions of any other law, rule or regulation, the enforcement of which is within the jurisdiction of the department including but not limited to subchapter one of chapter five of this title (the consumer protection law) subchapter two of chapter five (the truth in-pricing-law); provided that such violation is committed in the course of and is related to the conduct of the business, trade or occupation which is required to be licensed pursuant to chapter two of this title. Except to the extent that dollar limits are otherwise specifically provided such fines or civil penalties shall not exceed five hundred dollars for each violation.  
(2) The commissioner may arrange for the redress of injuries caused by such violations, and may otherwise provide for compliance with the provisions and purposes of chapter two of this title.

If a license has been suspended, it shall be returned to the department forthwith upon receipt of the order of suspension. Failure to surrender the license shall be grounds for a fine or civil penalty or revocation of the license.  
(5) Any of the remedies provided for in this section shall be in addition to any other remedies provided under any other provision of law.
- f. The commissioner, upon due notice and hearing, may require that persons licensed under chapter two of this title who have committed repeated, multiple or persistent violations of chapter two or any other law, rule or regulation the enforcement of which is within the jurisdiction of the department, conspicuously display at their place of business and in advertisements a notice (of a form, content and size to be specified by the commissioner), which shall describe the person's record of such violations; provided that, for each time such display is required, the commissioner may require that such notice be displayed for not less than ten nor more than one hundred days.
- g. The commissioner may refuse to issue or renew any license issued in accordance with the provisions of chapter two of this title and may suspend or revoke any such license, after due notice and opportunity to be heard, upon the occurrence of any one or more of the following conditions:

similar resource. It shall be an affirmative defense that a applicant or licensee did not have reasonable grounds to believe the proscribed acts were taking place with the use of the licensee's equipment, data, technology, or other similar resource or that the proscribed acts were not taking place with the use of the applicant's or licensee's equipment, data, technology, or other similar resource.

**§ 20-105. Additional Powers of Commissioner with Respect to Unlicensed Activities.**

- a. It shall be unlawful for any person required to be licensed pursuant to the provisions of chapter two or pursuant to provisions of state law enforced by the department to engage in any trade, business or activity for which a license is required without such license.

  1. to impose fines upon any person in violation of subdivision a of this section of one hundred dollars per violation per day for each and every day during which such person violates such subdivision, with each day constituting a distinct and independent violation. Except as otherwise expressly provided in chapter two of this title, fines imposed pursuant to this paragraph shall be in addition to, and shall not be offset or modified by, any fines or civil penalty prescribed by chapter two of this title.
  2. to order any person in violation of subdivision a of this section immediately to discontinue such activity at the premises on which such activity is occurring.
  3. to order that such premises on which such activity is occurring be sealed, provided that such premises are primarily used for such activity.
  4. to order that any devices, items or goods sold, offered for sale available for public use or utilized in the operation of a business and relating to such activity for which a license is required but has not been obtained pursuant to the provisions of chapter two shall be removed, sealed or otherwise made inoperable.
- c. Orders of the commissioner issued pursuant to this subdivision shall be posted at the premises on which unlicensed activity occurs in violation of this section.
- d. Orders of the commissioner issued pursuant to paragraph two, three or four of subdivision b of this section shall be stayed with respect to any person who, prior to service of the notice provided in subdivision b of this section, had submitted a full and complete application in proper form and accompanied by the requisite fee for a license or the renewal of a license while such application is pending.
- e. Ten days after the posting of an order issued pursuant to paragraph two, three or four of subdivision b of this section and upon the written directive of the commissioner, officers and employees of the department and officers of the New York city police department are authorized to act upon and enforce such orders.
- f. Any devices, items or goods removed pursuant to the provisions of subdivision b of this section shall be stored in a garage, pound or other place of safety and the owner or other person lawfully entitled to the possession of such devices, items, or goods may be charged with reasonable costs for removal and storage payable prior to the release of such devices, items or goods to such owner or such other person.
- g. The commissioner shall order that any premises which are sealed pursuant to this section shall be unsealed and that any devices, items or goods removed, sealed or otherwise made inoperable pursuant to this section shall be released, unsealed or made operable upon:
  1. payment of all outstanding fines and all reasonable costs for removal and storage, and
  2. presentation of proof that a license has been obtained for such activity or, if such person or premises are for any reason ineligible to obtain a license, proof satisfactory to the commissioner that such premises, devices, items or goods will not be used in violation of this section.

- h. It shall be a misdemeanor for any person to remove the seal on any premises or remove the seal or make operable any devices, items or goods sealed or otherwise made inoperable in accordance with an order of the commissioner.
- i. The owner or other person lawfully entitled to reclaim the devices, items or goods removed pursuant to this section shall reclaim such devices, items or goods. If such owner or such other person does not reclaim such devices, items or goods within ninety days of their removal, such devices, items or goods shall be subject to forfeiture upon notice and judicial determination in accordance with provisions of law. Upon forfeiture the department shall, upon a public notice of at least five days, sell such forfeited devices, items or goods at public sale. The net proceeds of such sale, after deduction of the lawful expenses incurred, shall be paid into the general fund of the city.
- j. In the event that any removal made pursuant to this section shall include any perishable items, goods or food products which cannot be retained in custody without such items, goods or food products becoming unwholesome, putrid, decomposed or unfit in any way, they may be delivered to the commissioner of health for disposition pursuant to the provisions of section 17-323 of this code.
- k. The provisions of this section shall not be construed to apply to general vendors required to be licensed pursuant to subchapter twenty-seven of chapter two of this title.

#### **§ 20-106. Judicial Enforcement.**

- a. Except as otherwise specifically provided in chapter two of this title, or in subdivision b of this section, any person, whether or not he or she holds a license issued under chapter two, who violates any provision of chapter two or any regulation or rule promulgated under it shall, upon conviction thereof, be punished for each violation by a fine of not less than twenty-five dollars nor more than five hundred dollars, or by imprisonment not exceeding fifteen days, or both; and any such person shall be subject also to a civil penalty in the sum of one hundred dollars for each violation, to be recovered in a civil action.
- b. Any person who engages without a license therefor in an activity for which a license is required by any provision of chapter two, shall, upon conviction thereof, be subject to the following sanctions:
  - 1. If he or she has never held a license for such activity, he or she shall be subject to a fine of not less than twenty-five dollars, nor more than five hundred dollars, or by imprisonment not exceeding fifteen days, or both; and any such person shall be subject also to the payment of a civil penalty in the sum of the greater of twice the applicable license fee or one hundred dollars, to be recovered in a civil action.
  - 2. If he or she has never held a license for such activity, and has been convicted once previously for engaging in such activity without a license, or if he or she has held such license and his or her license has lapsed prior to such person's perfecting an application for a renewal, he or she shall be subject to a fine of not less than one hundred dollars nor more than one thousand dollars, or by imprisonment not exceeding thirty days, or both; and he or she shall be subject also to civil penalty in the sum of one thousand dollars, to be recovered in a civil action.
  - 3. If such person has held such a license, but his or her license has been suspended or revoked, or he or she has twice previously been convicted of engaging in such activity without a license, he or she shall be subject to a fine of not less than two hundred dollars nor more than two thousand dollars, or by imprisonment not exceeding sixty days, or both; and he or she shall be subject also to a civil penalty in the sum of two thousand dollars, to be recovered in a civil action.
- c. Every manager or proprietor of a business required to be licensed under chapter two who consents to, causes or allows that business to operate without a license and every person aiding such unlicensed business and every owner or lessee of any building, part of building, grounds, room or place, who leases or lets the premises for the operation of any unlicensed business or assents that the premises be used for any such purpose, is in violation of this title and shall be subject to a penalty of one hundred

dollars per day for every day during which the unlicensed business operates. This penalty shall be prosecuted, sued for and recovered in the name of the city.

If the license is not issued, the lesser of fifty dollars or one-half of the amount of the annual license fee shall be retained by the department as a non-returnable filing fee. In the event a license is issued for less than the full license term, the applicable fee shall be decreased proportionately to the nearest half year, except that in no case shall the fee be less than the fee for one-half year. Where a two year license is surrendered for a reason other than suspension or revocation and less than one year of the license term has expired, the licensee may apply for a refund of an amount equal to one year's license fee.
- c. Except as otherwise specifically provided for in chapter two, reference to fees, license fees or any other word of similar import shall be deemed to be the license fee for one year. Notwithstanding any inconsistent provision of this section, whenever the commissioner increases or decreases the term of a type of license pursuant to section 20-108 of this chapter, the fee for such license shall be increased or decreased proportionately and the amount of refund due upon surrender of such license before the expiration of the term for a reason other than suspension or revocation shall be prorated to the unexpired term.

**§ 20-108. License Terms.**

- a. The commissioner shall establish by regulation the expiration date of licenses issued pursuant to chapter two.
- b. Licenses issued pursuant to chapter two shall be for a two-year term unless otherwise specifically provided for in chapter two; provided, however, that whenever the commissioner changes the expiration date of a type of license pursuant to subdivision a of this section, he or she may also increase or decrease the term of such type of license by rule to the extent necessary to effectuate the change.

**§ 20-109. Transferability.**

No license issued under chapter two shall be assignable or transferable unless otherwise specifically provided by law or regulation or rule issued by the commissioner.

**§ 20-110. Change of Corporate Ownership.**

Where any person or organization becomes the beneficial owner of ten percent or more of the stock of an organization to which a license has been granted pursuant to chapter two, if such person or organization previously did not hold at least a ten percent interest, such license shall immediately become void unless prior written approval of the commissioner or the commissioner's designee is obtained.

**§ 20-111. Change in a Partnership.**

Any license issued under chapter two shall immediately become void upon the addition or termination of any general partner or upon the dissolution of a partnership unless prior written approval of the commissioner or the commissioner's designee is obtained.

**§ 20-112. Address of Licensed Activity.**

Except as specifically provided in chapter two, a license shall be valid only for the location designated upon the application therefor, except in the case of licenses issued for activities which in their nature are

carried out at large and not at a fixed place of business. No license shall be issued for more than one location. Licensees shall, at least ten days prior thereto, notify the commissioner or the commissioner's designee by registered or certified mail, or personal service, of any change of address of the licensed premises or of the residence of the licensee.

**§ 20-113. Trade Name.**

A license issued under chapter two shall be valid only for activities conducted under the name of the person or organization to whom such license was issued or under the trade name stated in the application therefor; if a licensed activity is to be conducted under a trade name, the application must state that trade name. No license shall be issued for more than one trade name, and no licensed activity may be carried out under more than one such name; provided, however, that if a person or organization was engaged in bona fide licensed activities under more than one such trade name or was issued a license to conduct licensed activities under more than one trade name prior to June fifth, nineteen hundred seventy-three, a single license shall be issued for such trade names. Licensees shall notify the commissioner or the commissioner's designee of any change of trade name at least ten days before such change becomes effective, and no such change may take place without the prior written approval of the commissioner or the commissioner's designee.

**§ 20-114 Inspection; display of license.**

- a. All licensed vehicles or places of business shall be regularly inspected, and reports thereof shall be made to the commissioner.
- b. All licensees shall conspicuously post on their premises, licenses issued under chapter two and said licenses shall be accessible at all times for inspection by any interested person. Licensees having no fixed place of business shall exhibit their licenses upon the request of any interested person.

**§ 20-115. Bonds.**

Except as specifically provided in chapter two, a bond may be required for any licensed activity in a form and amount approved by the commissioner for the due observance of the provisions of chapter two and the laws, regulations and rules governing the conduct of licensed activities. The amount of the bond shall be established by the commissioner after a public hearing, five-day notice of which shall be published in the City Record.

**§ 20-116. Advertising.**

- a. Any person required to be licensed under chapter two or pursuant to provisions of state law enforced by the department to carry on a trade, occupation or business activity, who is not so licensed may not advertise the availability of goods and services related to the carrying on of such trade, occupation or business activity in any print publication or broadcast media having a circulation or audience within the city.
- b. The commissioner after notice and hearing shall be authorized to impose civil penalties upon any person found to have violated subdivision a of this section. Such penalties shall be levied for each broadcast of such advertisement and shall be not less than fifty dollars nor more than two hundred fifty dollars for each violation. Such penalties for printed advertisements shall be determined based on the period of time the publication in which the advertisement appears remains current. The current period shall be determined as that time when a publication is initially offered for sale until the period when the next dated publication is offered for sale. In no case shall this period be less than twenty-four hours. If the current period is: daily, such penalty shall be not less than fifty dollars nor more than one hundred dollars per day; weekly, such penalty shall be not less than two hundred fifty dollars nor more than three hundred fifty dollars per week; greater than one week and not more than one month, such penalty shall be not less than three hundred fifty dollars nor more than five hundred dollars; greater

than one month, such penalty shall be not less than five hundred dollars nor more than one thousand dollars. Such civil penalties may be recovered in a civil action before any court having jurisdiction of such actions.

- c. The commissioner shall promulgate regulations requiring that any person required to be licensed under this title or pursuant to provisions of state law enforced by the department shall state in all print advertising with respect to such licensed activity the license number, and that the activity is licensed by the department.

- (d) The commissioner may deny any license application or refuse to renew any license, and may, after due notice and opportunity to be heard, suspend or revoke such license, if the applicant or person holding such license, or where applicable, any of its officers, principals, directors, members, managers, employees, or stockholders owning ten percent or more of the outstanding stock of the corporation, has been found to have violated subdivisions a or b of this section in connection with the application or licensed business.

The request shall be made upon a form provided by the Department.
- (c) *Fee.* A fee of fifteen dollars (\$15) shall be charged for the issuance of a replacement license, and a fee of twenty-five dollars (\$25) shall be charged for the issuance of a replacement license plate. This fee must be paid when the affidavit for a lost license or plate is filed or when a mutilated or otherwise illegible license or plate is surrendered and a request for the issuance of a new license or plate is filed. This fee will be refunded should the Department decide not to issue the replacement license or plate. This fee shall not be charged if the license or license plate is not received by the licensee and the Department receives a certification from the licensee that such license or license plate was not received within 30 days of the license or license plate being issued.

The licensee or applicant must also provide with its response any documents in its possession related to the transaction which is the subject of the complaint. The licensee or applicant must respond to subsequent communications from the Department concerning the complaint within 10 days after receiving a communication. The Department may rely on any complaint, regardless of whether it has been resolved, or any response to such complaint, in any subsequent Department action, including, but not limited to, decisions to deny, suspend, or revoke an application or license.

#### **§ 1-14. Requests for Documents, Subpoenas, Interrogatories, and Notices of Deposition.**

- (a) This section applies to requests for documents, subpoenas, interrogatories, or notices of depositions issued to licensees or applicants pursuant to Section 2203 of the Charter, title 20 of the New York City Administrative Code, or any other provisions of law or rule within the jurisdiction of the Department.
- (b) A licensee must reply to a subpoena, a request for documents or interrogatories within twenty days of the date the request was mailed or otherwise served upon the licensee.
  - (1) If the licensee fails to respond to a subpoena, a request for documents or interrogatories, the licensee is liable for a separate violation for each day the licensee fails to respond to the requests.
  - (2) If the licensee provides an incomplete response to a subpoena, a request for documents or interrogatories, the Department may send a deficiency letter to the licensee. If the licensee does

not provide a complete response within 14 days of the deficiency letter being sent, the licensee is liable for a separate violation for each day the licensee fails to provide a complete response. If the licensee provides an incomplete response to a subpoena, a request for documents or interrogatories, or to a subsequent deficiency letter, there will be a presumption that the licensee has neglected to respond to each such subpoena, request for documents, interrogatory, or deficiency letter unless the licensee states that the licensee has no responsive documents to that particular request or no information responsive to that particular interrogatory.

- (3) Licensees must include a notarized certification that each subpoena, request for documents or interrogatory was answered fully and truthfully, accompanying their response. Responses to a subpoena, request for documents or interrogatories will not be deemed complete until they are accompanied by such certification.
- (c) A licensee must appear at a time and place designated by the Department for a deposition. Failure to appear for a noticed deposition will be grounds for revocation of the licensee's license upon notice and opportunity to be heard. If the licensee is an individual, he or she must appear; if a partnership, one of its general partners with relevant knowledge of the partnership must appear; and if a corporation or limited liability company, one of its members or officers with relevant knowledge of the corporation must appear.
  - (d) The Department may serve subpoenas, interrogatories, requests for documents, and notices of deposition upon an applicant regarding materials related to a license or renewal application. Failure by the applicant to fully respond to a subpoena, interrogatories or a request for documents, or to appear for a deposition, within twenty days of the mailing date of the request or of the date indicated on the notice of deposition will be grounds for denial of the license application.
  - (e) Subpoenas, interrogatories, requests for documents and notices of deposition pursuant to this section may be served by ordinary mail addressed to the licensee's or applicant's place of business. They may also be served by ordinary mail addressed to the residence of an individual licensee; the residence of a general partner of a partnership licensee; the residence of an officer or principal stockholder of a corporate licensee, or the residence of a member of a limited liability company licensee. They may also be served by email if an email address has been provided by the licensee or applicant.

### **§ 1-19 Presumption of Continued Unlicensed Activity.**

- (a) Unless otherwise specified in the notice, if the Department, on notice, charges a business or individual with engaging in activity without a license required under Chapter 2 of Title 20 of the New York City Administrative Code or under provisions of state law enforced by the Department, there shall be a rebuttable presumption that the unlicensed activity continued every day, without interruption, from the date specified by the Department in the notice as the first date of unlicensed activity through the hearing date.
- (b) The first date of unlicensed activity specified by the Department in the notice may be the date of an inspection at which unlicensed activity is identified, the date on which a previously-held license expired, was suspended or revoked, or became void by operation of law, or any other date on which unlicensed activity first occurred, such as the date the business or individual entered into a contract to conduct business for which a license was required or the first date a business or individual advertised or offered services for which a license was required.
- (c) Regardless of the date specified by the Department in the notice, if the Department presents at the hearing a copy of a decision or order from a prior proceeding finding that the business or individual engaged in the same unlicensed activity, or a copy of a settlement from a prior proceeding resolving a charge of the same unlicensed activity, there shall be a rebuttable presumption that the unlicensed activity continued every day, without interruption, from the date of the decision, order or settlement through the date of the hearing, unless the decision, order or settlement specifically provides otherwise.
- (d) Regardless of the date specified by the Department in the notice, if the Department presents at the hearing a copy of a decision or order from a prior proceeding revoking or suspending the license to engage in the same activity forming the basis of the charge of unlicensed activity, or a copy of a settlement from a prior proceeding that includes such license revocation or suspension, there shall be a rebuttable presumption that the unlicensed activity continued every day, without interruption, from the date following the decision, order or settlement through the date of the hearing.
- (e) A party may present credible evidence at the hearing to rebut the presumption of continued unlicensed activity, such as written proof that the party obtained a license; receipts or other documentation indicating that merchandise was returned to distributors; written termination of leases or agreements; or photographs demonstrating the discontinuance of the unlicensed activity.

### **§ 1-20 Non-Payment of Civil Penalties.**

- (a) The Commissioner may deny a new or renewal application for any license, permit or registration, and may revoke, suspend, cancel, or terminate any license, permit or registration, if (i) the applicant, licensee, permittee or registrant has failed to timely pay civil penalties imposed by a tribunal of the New York City Office of Administrative Trials and Hearings (OATH), and (ii) an agency has provided the Commissioner with the following information: the name, address, Department license number and license category, where applicable, and information sufficient to determine the delinquency and monetary amount of the outstanding civil penalties owed by the applicant, licensee, permittee or registrant.
- (b) In determining whether to exercise the power granted by paragraph (a) of this section, the Commissioner shall consider the amount of time that has passed since the applicant, licensee, permittee or registrant failed to satisfy a final judgment, order or decision imposing civil penalties from OATH, the amount of the outstanding civil penalties, whether the applicant, licensee, permittee

or registrant has committed a series of violations, and any such other matters as justice may require, as follows:

1. New applications for licenses, permits or registrations may be denied where there is an outstanding final judgment, order, or decision of any amount older than thirty (30) days.
  2. Licenses, permits or registrations may be suspended, and renewal applications denied, where outstanding final judgments, orders, or decisions are:
    - A. Older than sixty (60) days; and
    - B. Five hundred dollars (\$500) or more.
  3. Licenses, permits or registrations may be revoked or cancelled where outstanding final judgments, orders, or decisions are:
    - A. Older than ninety (90) days; and
    - B. One thousand dollars (\$1,000) or more; and
    - C. The applicant, licensee, permittee or registrant violated any provision the enforcement of which is within the jurisdiction of the Department in the previous five (5) years.
- (c) If the applicant, licensee, permittee or registrant breaches the terms of a settlement agreement or payment plan reached with the City for satisfaction of a final judgment, order or decision imposing civil penalties, time will be calculated from the date of the breach or first missed payment, unless otherwise set forth in the agreement.
- (d) For purposes of this subsection, a judgment, order or decision imposing civil penalties from OATH is considered “final” when:
1. An appeal or motion to vacate challenging the judgment, order, or decision has been resolved;
  2. The entity or legal representative against whom the judgment, order or decision was imposed fails to appeal within the time allotted by OATH; or
  3. The entity or legal representative against whom the judgment, order or decision was entered on default fails to move to vacate the judgment, order or decision within sixty (60) of the date entered.
- (e) The Department reserves the right to take any action on an application or license for any monies owed to the Department regardless of the criteria provided in this section.

#### **§ 1-21 Injurious Conduct by Licensees.**

- (a) No licensee, or employee or agent of a licensee, shall assault, menace, unlawfully imprison, or harass, or attempt to assault, menace, unlawfully imprison, or harass, any employee of the Department engaged in carrying out any duty for the Department. No person shall intentionally damage any property of the Department. A licensee found in violation of this subdivision, or a licensee whose employees or agents are found in violation of this subdivision, is subject to suspension and/or revocation of its licenses as provided for in this section.
- (b) In addition to any of the powers that may be exercised by the commissioner pursuant to any other provision of law or rule, upon the issuance of a summons alleging a violation of subdivision (a) by a licensee, or employee or agent of a licensee, the commissioner may immediately suspend any license held by the licensee, subject to a prompt post-suspension hearing held no more than 7 business days after the commencement of the suspension. In a summons alleging violation of subdivision (a), the Department may request suspension or revocation of any license issued by the Department and held by the licensee, in addition to alleging any other violations.
- (c) Post-suspension hearing and trial.

- (1) At the post-suspension hearing prescribed by subdivision (b) of this section, continued suspension of a license must be ordered if the department is found to have alleged facts which, if true, are sufficient to establish a violation of subdivision (a) of this section and the Department establishes by a preponderance of the evidence that continued licensure poses a risk to public safety or the Department's ability to perform enforcement. Suspension ordered pursuant to this subdivision must be continued until a final determination is issued pursuant to paragraph (2) of this subdivision.
- (2) Following the post-suspension hearing prescribed by subdivision (b) of this section, a trial will be held to adjudicate all violations alleged in the summons as well as continued suspension or revocation requested by the Department. At such trial, the Department must prove by a preponderance of the evidence that the licensee's continued licensure poses a risk to safety or the Department's ability to perform enforcement. Such trial must commence within 45 days of the decision rendered in the post-suspension hearing.
- (d) As used in this section, the following terms shall be defined as follows:
  - (1) "Assault" shall mean to intentionally or recklessly cause physical injury to another person.
  - (2) "Menace" shall mean to intentionally place another person in reasonable fear of physical injury.

A person is so moved or confined "without consent" when such is accomplished by physical force, intimidation or deception.
  - (4) "Harass" shall mean to intentionally and repeatedly harass another person by following such person in or about a public place or places or by engaging in a course of conduct or by repeatedly committing acts which places such person in reasonable fear of physical injury.

#### **§ 1-22 Reservation of Rights.**

Nothing in this chapter shall impair, diminish, or otherwise affect any other authority granted to the Department by any general, special or local law or any rule promulgated pursuant thereto to deny an application for a license, permit or registration, or suspend, terminate or revoke a license, permit or registration.

#### **§ 1-23 References to the Department of Consumer Affairs.**

Any reference to the Department of Consumer Affairs in this title shall be deemed to be a reference to the Department of Consumer and Worker Protection.
