& Development

Construction Project Manager

Competitive Salary: \$65,640–\$77,921

When a home creates an immediate danger to tenants' health and safety, our team of construction project managers is there to ensure that repairs are made safely and properly. Use your experience and knowledge, to inspect, direct, and monitor the emergency repairs necessary to safeguard New York families.

Senior Repair Crew Chief

Competitive Salary: \$49,290–\$56,684

When property owners fail to correct immediately hazardous conditions in their buildings, our Emergency Operations Division steps in to make sure repairs are made. As a Senior Repair Crew Chief, you will help keep New York City tenants safe by making emergency repairs, including basic carpentry, plumbing, maintenance, and more.
