

## ***Mayor's Graduate Scholarship Program***

### ***In-Person School Fair Registration***

In anticipation of the upcoming application cycle for the 2026-2027 academic year, we invite you to learn more about the Mayor's Graduate Scholarship Program (MGSP) at our in-person school fair.

This event is designed to give City employees the opportunity to meet directly with representatives from participating schools and learn about graduate degree options available through the MGSP.

The school fair is open to all City of New York government employees. You may register for one or both sessions below.
