The Scholarship Offering Guide is a listing of the colleges/universities participating in the Mayor's Graduate Scholarship Program. Each school offers scholarships in specific degree programs. The listing includes:

- Admissions contact information
- Participating degree programs
- The number of scholarships and/or the approximate amount of the scholarship funded by the school
- Scholarship requirements such as tests, GPA, recommendations, new entrant, etc.

Important Points

1. You must submit copies of school confirmations that the school(s) of your choice has received your application to the Mayor's Graduate Scholarship Program (MGSP). Your Mayor's Graduate Scholarship Program application will not be forwarded to the school(s), unless the indicated document has been received by our office by the deadlines indicated in the Application Deadlines column on each school's offering. To verify your school application submission, you may send a copy of your online confirmation page, acceptance letter/email from the admissions office or cancelled check. See Application Booklet for application procedures. If you need further information, contact the Mayor's Graduate Scholarship Program at mgsp@dcas.nyc.gov.
2. Information posted in this Scholarship Offering Guide is subject to change without notice, including amount of scholarship offering.
3. All awards are applied to the school tuition beginning with the Fall 2022 semester, unless stated otherwise.
4. Scholarships are funded by the participating schools through a competitive application process. Some schools offer other scholarships at various dollar amounts that cannot be combined with the MGSP award, unless approved by the school. Therefore, you may choose not to accept the MGSP scholarship. If so, please inform the school as soon as possible and contact the MGSP office.
