Note: A Requirement Contract is a multi-year agreement for an indefinite quantity of goods to be furnished on an as ordered basis at prices established in the contract. An 'A' Contract is for the delivery of a specific quantity of goods within a specified time. A 'B' Contract includes a provision that allows the City to order an additional (predetermined) percentage of the goods covered by the 'A' Contract. The term of 'A' and 'B' contracts begins on the date of registration and ends when the delivery is completed, as stated in the contract document.
