CONFLICTS OF INTEREST BOARD

NOTICE

The following serves as a confirmation of the receipts for filing of 2009 Financial Disclosure Reports for all filers who submitted reports during the period from September 2, 2010 to January 31, 2011. To find your entry, first look up your agency code (for example, "002" for the Mayor's Office). Then look up your login number (your EIN or unique identifier that you used to access the electronic filing program). Next to your login number, the date of your filing will appear, as well as the "hash" number, a unique sequence of 64 characters and numbers that serves as an electronic fingerprint for your particular filing as it existed at the time that it was submitted.

We recommend that each filer make a copy of the published confirmation for his or her records.

If you filed after January 31, 2011, confirmation will be published in the City Record at a later date. Publication of these receipts also appears on the Conflicts of Interest Board's website: www.nyc.gov/ethics.

NOTICE

Department of Housing Preservation and Development Substantial Amendment to the 2010 Consolidated Plan 15-day Public Comment Period Addendum - Neighborhood Stabilization Program -

Round 3

Pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) regulation Sec. 1497(a) the City of New York announces the 15-day public comment period for the substantial amendment to the 2010 Consolidated Plan: Addendum - Neighborhood Stabilization Program - Round 3 (NSP-3).

The Public Comment period will begin Thursday, February 10 and end Thursday, February 24, 2011.

The Neighborhood Stabilization Program (NSP) was created by Congress to provide grants to States and localities for the redevelopment of foreclosed and abandoned homes and residential properties. The grants are intended to prevent further declines in neighborhoods most severely impacted by foreclosures

The City of New York is expected to receive \$9,787,800 in NSP-3 funds which must be used to undertake any or all of the following eligible activities:

- establish financing mechanisms for purchase and redevelopment of foreclosed upon homes and residential properties, including such mechanisms as soft-seconds, loan loss reserves, and sharedequity loans for low- and moderate-income homebuyers;
- purchase and rehabilitate homes and residential properties that have been abandoned or foreclosed upon, in order to sell, rent, or redevelop such homes and properties;
- establish land banks for homes that have been foreclosed upon:
- demolish blighted structures; and
- redevelop demolished or vacant properties.

Copies of the 2010 Consolidated Plan – Addendum: Neighborhood Stabilization Program Round 3 (NSP-3) will be made available at: The City Planning Bookstore, 22 Reade Street, New York, NY (Monday 12:00 P.M. to 4:00 P.M., Tuesday thru Friday 10:00 A.M. to 1:00 P.M).

In addition, on Thursday, February 10, 2011 an Adobe PDF version of the amendment will be available for free downloading from the internet via both the Department of Housing Preservation and Development's and the Department of City Planning's websites at: www.nyc.gov/hpd and www.nyc.gov/planning, respectively.

Question & comments may be directed to: Arden Sokolow.

 Under existing U.S. Department of Housing and Urban Development (HUD) Consolidated Plan citizen participation regulations, substantial amendments to an approved Plan are required to undergo a 30-day comment period. However, in order to expedite the localities receiving the funds, Congress has waived this regulation and requires the Program to undergo only a 15-day public review period instead. All comments received at the end of the comment period (<i>close of business</i>) will be summarized and the City's responses incorporated into the 2010 Consolidated Plan amendment addendum for submission to HUD. The City of New York must submit the amendment by March 1, 2011 in order to be eligible to receive its allocation. 				st 20th Stree st 122nd Str st 79th Stree t 24th Street st 20th Stree t 130th Stree t 130th Stree mam Avenue epartment ceived an	et, Manhattan 8 et, Manhattan 9 et, Manhattan 1 e, Brooklyn 2 t of Housing P application for	/11 January 1 /11 January 1 /11 January 1 /11 January 2 /11 January 2	hat during the	The c Certi evide CON 1003 date the sa state	cal force. wher of the buildi fication of No Hara nce of harassment H Unit, 100 Gold 8 by letter postma: of this notice or by ame period. PROMPT PAYMENT

at (212) 788-0010.

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES
Procurement Notices in the CR are arranged by

alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers. workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in <u>Crosby v. National Foreign</u> <u>Trade Council</u>, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at http://nyc.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at $(212)\ 857\text{-}1680.$

SELLING TO GOVERNMENT TRAINING WORKSHOP New and experienced vendors are encouraged to register for

a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

KEY TO METHODS OF SOURCE SELECTION
