Notice of Promulgation of Rules

Notice is hereby given in accordance with section 1043(b) of the New York City Charter (“Charter”) that the Taxi and Limousine Commission (“TLC”) promulgates amendments to provisions of Chapters 54-58, 59A, 59B, 60A, 60B, 61A, 61B and 68 of Title 35 of the Rules of the City of New York regarding fines. The promulgated rules increase many fines, decrease some fines for pleading guilty prior to a hearing, and substitute fixed fines for a number of range fines; and make other changes as explained in more detail in the “statement of basis and purpose,” below.

These rules are promulgated pursuant to sections 1043 and 2303 of the Charter and section 19-503 of the Administrative Code of the City of New York. The rules were included in the TLC’s regulatory agenda for Fiscal Year 2012.

These rules were published on April 13, 2011, for public comment in the City Record. On May 19, 2011 a public hearing was held by the TLC at its offices at 33 Beaver Street, 19th Floor, New York, New York, 10004. Pursuant to section 1043(e)(1)(c) of the Charter, these rules will go into effect 30 days following publication in the City Record.

Statement of Basis and Purpose of Promulgated Rule

The following rule increases many of the TLC’s fines, decreases some fines for pleading guilty prior to a hearing, and substitutes fixed fines for a number of range fines; and made several other changes as explained below. The TLC had not undertaken a systematic review of its fines for rule violations since 1992, when the rules were compiled pursuant to the City Administrative Procedure Act. The TLC last conducted a broad review of its penalty rules in 1998, when it revised a number of penalty provisions. During this rulemaking process, the TLC staff conducted an extensive analysis of existing penalties that included reviewing the penalty provisions of every rule for which at least 50 or more summonses were written over a 30-month period. The TLC applied six principles to its review:

1. *Reduce the number of “range fines,” where the rule imposes a fine that can vary within a range.* Imposing a fine within such a range requires that the respondent appear personally at the hearing; conversely, a fixed fine allows for adjudication without a personal appearance by the respondent. By reducing the number of required personal appearances for adjudications, the TLC intends to reduce the burden of adjudications on respondents.
2. *Provide an incentive for respondents to plead guilty without requiring hearings.* The promulgated rules provide for reduced penalties in a large number of cases where a respondent pleads guilty, either by mail or in person, without a hearing. By eliminating unnecessary hearings and court appearances respondents will not lose income by having to take time off the job to attend a hearing, and the TLC’s adjudications staff will be able to focus on cases with disputed summonses.

3. *Raise penalties that are too low.* At a time when the standard Parking Violations Bureau fine for a parking ticket is \$115, the TLC retains large numbers of fines as low as \$25. Issuance and adjudication of a summons that yields a \$25 fine imposes significant net costs on the TLC. The promulgated rules increase the minimum fine from \$25 to \$50, for all violations included in this review. Many other fines are increased for this reason as well.

4. *Impose similar penalties for similar offenses.* The TLC staff found that violations can be grouped by subject, for example: safety, licensure, customer service provided by licensees, or compliance with law enforcement or TLC directions. This rules revision provides similar penalties for all violations within the same group.

This revision also makes the penalties for the same violations consistent across categories of licensees (e.g., for-hire vehicle driver, taxicab driver, etc). In some instances, the TLC added new rules so that the same standards will apply to licensees in different industries. For example, existing rules prohibit taxi, for-hire vehicle and paratransit drivers, but not commuter van drivers, from threatening, abusing or harassing the public. This rulemaking adds this rule for commuter van drivers.

5. *Ensure that more serious violations have larger fines than less serious violations.* The fine for a more serious violation should be higher than the fine for a less serious violation - a violation related to safety, for example, should yield a higher fine than a violation related to the appearance of the vehicle.

6. *Increase penalties to address persistent problems.* The TLC will enhance its enforcement efforts by dramatically increasing fines where current enforcement efforts have been unsuccessful despite persistent application of existing fines. The most notable example of this is violation of section 60B-18(b), which since July 2008 has required paratransit base station owners to transmit trip records to the TLC electronically each month. Although the large majority of paratransit base stations comply with this requirement, a small number still do not. The TLC therefore increases the penalty from \$250 to \$500 for a pre-hearing guilty plea, and from \$250 to \$1,000 for an adjudicated violation.

While reviewing these fines, the TLC staff identified additional problems and made three other categories of changes:

1. *Apply the same rules to all licensed industries.* While comparing similar rules for the licensed industries, TLC staff found omissions and variations. For example, existing rules require a taxi driver, but not a fire-hire vehicle driver, to update a license photograph when the driver’s likeness has changed. This rulemaking adds the requirement to the for-hire vehicle driver rules, and corrects other, similar inconsistencies.
2. *Incorporate penalties required under the City Administrative Code.* The City Administrative Code requires that all taxicabs and for-hire vehicles be equipped with a working trouble light, and establishes a penalty of \$175 and suspension until the condition is corrected. This rulemaking increases the fine from \$100 to \$175 as mandated.
3. *Restore “missing” penalties in the newly revised rules.* The TLC inadvertently dropped several fines when it restructured and renumbered all of its rules last year. This rulemaking corrects that mistake and reinstates those penalties (e.g., absence of a partition or in-vehicle camera system in a for-hire vehicle).

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
