The City Planning Commission (CPC), acting as lead agency, issued a Notice of Completion on March 11, 2011 for a Draft Environmental Impact Statement (DEIS) for the proposed Brooklyn Bay Center in accordance with Article 8 of the Environmental Conservation Law. A public hearing on the DEIS will be held on Wednesday, July 13, 2011, at 10:00 AM in Spector Hall, at the Department of City Planning located at 22 Reade Street, New York, New York 10007. Comments are requested on the DEIS and will be accepted until Monday, July 25, 2011.

The DEIS analyzes a proposal by the applicant, Thor Shore Parkway Developers, LLC, Inc., to redevelop the property located at 1752 Shore Parkway (Block 6491, Lots 207 and 292), along the western shore of Gravesend Bay (Lower New York Bay) in the Bensonhurst neighborhood of Brooklyn, Community District 11, with a two-story commercial building containing 214,000 gross square feet of Use Group 6 and 10 retail uses; 97,000 square feet of publicly accessible waterfront open space, and an unattended 690-space above-grade accessory parking garage. The project site is currently occupied by a bus storage facility, consisting of two 1 to 2

story buildings and an at grade parking lot, which would be demolished. The build year for the proposed project is 2013.

In order to develop this proposed project, certain discretionary approvals are required from the New York City Planning Commission (CPC) and City Council. These actions include a zoning map amendment from M3-1 to M1-1 and special permits related to commercial development in a M1-1 district, bulk modifications on waterfront blocks and signage requirements within a General Large-Scale Development. The proposed project is subject to environmental review under the State Environmental Quality Review (SEQR) and City Environmental Quality Review (CEQR) regulations and guidelines. Approvals are also required from New York State Department of State Environmental Conservation (NYSDEC) and the Army Corps of Engineers (ACE) (for NYSDEC Tidal Wetlands Article 25, NYSDEC Protection of Waters Article 15, Coastal Erosion Hazard Area, NYSDEC Water Quality Certification Section 401, ACE Nationwide Permit #13, and ACE Rivers/Harbors Section 10 Permits) to permit any in-water work, stabilization of riprap, outfalls, upland building, and esplanade coverage; State pollutant discharge elimination system (SPDES) Permit from NYSDEC, to permit the discharge of stormwater during and after construction; and Beneficial Use Determination (BUD), including a Soil Management Plan (SMP) from NYSDEC to permit the on-site reuse of soil from the western half of the project site to the eastern half of the project site.

The DEIS identifies significant adverse impacts related to hazardous materials and traffic. Measures that would mitigate hazardous materials impacts and all but one traffic impact are identified, resulting in an unmitigated traffic impact at one intersection.

Copies of the Draft Environmental Impact Statement and Final Scope of Work for the proposed Brooklyn Bay Center may be obtained from the Environmental Assessment and Review Division, New York City Department of City Planning, 22 Reade Street, 4E, New York, New York 10007, Robert Dobruskin, Director (212) 720-3423; or from the Mayor's Office of Environmental Coordination, 253 Broadway, 14th floor, New York, New York 10007, Robert Kulikowski, Director (212) 788-2937; and on the New York City Department of City Planning's website at http://www.nyc.gov/html/dcp/html/env_review/eis.shtml.

AGENCY RULES

ENVIRONMENTAL CONTROL BOARD

■ NOTICE

Notice of Promulgation of Rule

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Environmental Control Board (ECB) by Section 1049-a of the New York City Charter, and in accordance with Section 1043(b) of the Charter, that the Environmental Control Board hereby promulgates the following rule. The rule was published in The City Record on May 12, 2011 and a Public Hearing was held on June 14, 2011.

Statement of Basis and Purpose of Final Rule

The Environmental Control Board (ECB) held a Public Hearing on June 14, 2011 regarding amendments to its Air Asbestos Penalty Schedule found in Section 3-101 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York (RCNY) and has added two new charges for violations of section 15 RCNY 1-109. Neither written comments nor oral testimony were presented at the June 14, 2011 Public Hearing.

Amendments to the Department of Environmental Protection's Asbestos Control Program Rules went into effect on February 3, 2011. The amendments include two new provisions, 1-109(e) and 1-109(f), that apply to projects involving asbestos abatement for vertical exterior surfaces of a structure. The Construction Codes define structure as "that which is built or constructed, including among others, buildings, stadia, tents, reviewing stands, platforms, stagings, observation towers, radio towers, tanks, trestles, open sheds, shelters, fences and display signs."

Subsection (e) precludes abatement during adverse weather conditions. As defined in DEP's rule, 15 RCNY 1-02, abatement means "any and all procedures physically taken to control fiber release from asbestos-containing materials." This includes removal, encapsulation, enclosure and repair." The term "adverse weather conditions" is not defined, but examples include rain, snow, sleet, high winds, and temperatures below 32 degrees Fahrenheit.

Subsection (f) requires the use of High Efficiency Particulate Air (HEPA) filters on all power tools used in the removal of asbestos. As defined in DEP's rule, 15 RCNY 1-02, a HEPA filter is a filter capable of trapping and retaining 99.97 percent of asbestos fibers greater than 0.3 micrometers mass median aerodynamic equivalent diameter.

Penalties for violations of 1-109 charged under subsections (e) or (f) range from \$1,000 to \$10,000. The default penalty for each charge in this penalty schedule is \$10,000. If a stipulation (STIP.) is offered and accepted at a hearing, the stipulation penalty will be imposed.

Section 1. The Air Asbestos Penalty Schedule found in Section 3-101 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York is amended by adding two new charges immediately following the charge in that penalty schedule for 1-109(d), "Failure to conduct required air monitoring," to read as follows:

New matter in the following rule is underlined. Deleted material is in [brackets]

SECTION	DESCRIPTION:	1ST VIOLATION		2ND VIOLATION	
		Penalty	STIP.	Penalty	STIP.
1-109(e)	Conducting asbestos abatement during adverse weather conditions	\$1,200	\$1,000	\$2,400	\$1,500
1-109(f)	Failure to use HEPA filters on power tools used in asbestos abatement	\$1,200	\$1,000	\$2,400	\$1,500

Notice of Promulgation of Rule

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Environmental Control Board (ECB) found in Section 1049-a of the New York City Charter, and in accordance with Section 1043(b) of the Charter, the Environmental Control Board hereby

promulgates the following rule. The rule was published in The City Record on May 12, 2011 and a Public Hearing was held on June 14, 2011.

Statement of Basis and Purpose of Final Rule

The Environmental Control Board (ECB) held a Public Hearing on June 14, 2011 regarding amendments to its Air Code Penalty Schedule found in Section 3-102 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York (RCNY) and has added eight new charges for violations of section 24-163.9 of the New York City Administrative Code. Neither written comments nor oral testimony were presented at the June 14, 2011 Public Hearing.

This section of law was added to the Air Pollution Control Code by Local Law 61 of 2009, signed by Mayor Bloomberg on October 7, 2009. The law took effect on July 1, 2010. The law requires the retrofitting of diesel-powered school buses. "Retrofitting" means modifying an old machine by adding new parts or devices.

For purposes of section 24-163.9, the term "school bus" is limited to buses that

- transport more than 10 students at one time and are operated pursuant to a contract with the NYC Department of Education and used to transport students to and from any school located in New York City.

Subdivision (b) requires that such buses be retrofitted with a closed crankcase ventilation system. This system reduces engine emissions to the cabin. Half of a given school bus contractor's fleet is required to be retrofitted by September 1, 2010. The remainder is required to be retrofitted by September 1, 2011.

Subdivision (c) provides that no diesel-powered school bus more than 16 years old may be used to fulfill a school bus contract.

Subdivision (d) provides that buses used to replace those retired due to the age limitation must either

- meet federal emissions standards or
- be electric, hybrid, gasoline-powered, or natural gas-powered.

Violations of § 24-163.9 may be charged under subdivisions (b), (c) or (d). In addition, under subdivision (h), the making of a false claim to a city agency "with respect to the provisions of this section" is a violation.

Subdivision (g) provides for a penalty of \$1000 to \$10,000 for violating the section, and \$20,000 for making a false claim to a City agency with respect to the section. All penalties indicated above may be subject to an additional aggravating factor that will be indicated on the face of the notice of violation when issued.

For violations of § 24-163.9(b), (c) or (d), the aggravating factor will be twice the money saved by respondent as a result of its failure to comply. For violations of § 24-163.9(h), the aggravating factor will be twice the money saved as a result of making the false claim. When an aggravated penalty is sought, no stipulation will be offered and respondent will be required to appear.

Section 1. The Air Code Penalty Schedule found in Section 3-102 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York (RCNY) is amended by adding eight new charges immediately following the charge in that schedule for § 24-163.8(c), "Made false claim regarding use of ultra low sulfur diesel fuel in generator", to read as follows:

SECTION	DESCRIPTION	1 st		2 nd		DEFAULT

Notice of Promulgation of Rule

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Environmental Control Board by Section 1049-a of the New York City Charter, and in accordance with Section 1043(b) of the Charter, the Environmental Control Board hereby promulgates the following rule. The rule was published in The City Record on May 12, 2011 and a Public Hearing was held on June 14, 2011.

Statement of Basis and Purpose of Final Rule

The Environmental Control Board held a Public Hearing on June 14, 2011 regarding amendments to its Parks Rules Penalty Schedule and has added one new charge. This schedule is found in Section 3-116 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York (RCNY). Neither written comments nor oral testimony were presented at the June 14, 2011 Public Hearing. Local Law 11 of 2011 amended the Administrative Code. The new law makes it illegal to smoke in public parks or other

property controlled by the Department of Parks and Recreation. These other areas include:

- beaches
● waters
● land under water
● pools
● boardwalks
● marinas
● playgrounds
● recreation centers
● other property, equipment, buildings and facilities

For the purposes of this rule, land under water refers typically to waterfront parks where the Parks Department is assigned ownership of a pier. In such cases, the land under water under and around the pier is under Parks jurisdiction, and specifically extends from the bulkhead or upland area of the park out to the pierhead line.

The penalty for this violation is \$50.00.

Section 1. The Environmental Control Board has amended its Parks Rules Penalty Schedule found in Section 3-116 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York (RCNY). This amendment added one new charge immediately following the entry in that penalty schedule for 56 RCNY Chapter 4, "Miscellaneous violation of rules regarding moorings," which reads as follows:

New matter is underlined.

Table with 4 columns: SECTION, DESCRIPTION, PENALTY, DEFAULT. Row: Administrative Code 17-503(d)(3), Smoking in a park or other property under the jurisdiction of the Department of Parks and Recreation, \$50, \$50.

Notice of Promulgation of Rule

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Environmental Control Board by Section 1049-a of the New York City Charter, and in accordance with Section 1043(b) of the Charter, that the Environmental Control Board hereby promulgates the following rule. The rule was published in The City Record on May 12, 2011 and a Public Hearing was held on June 14, 2011.

Statement of Basis and Purpose of Final Rule

The Environmental Control Board (ECB) held a Public Hearing on June 14, 2011 regarding amendments to its Department of Transportation (DOT) Penalty Schedule and has added two new charges. This schedule is found in Section 3-124 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York (RCNY). Neither written comments nor oral testimony were presented at the June 14, 2011 Public Hearing.

On January 4, 2011, the Mayor signed Local Law 4 of 2011 which applies to owners of property with unlawful Automated Teller Machines (ATMs), effective May 4, 2011. Specifically, the law added Section 19-133.1 to the Administrative Code and amended Section 19-150 (b) (1). Section 19-133.1(b) makes it unlawful for any property owner

to permit an ATM booth to be located on any portion of the sidewalk that is:

- next to the owner's property,
● between the curb line and the building line, and
● intended for use by the public.

Before a ticket may be issued, the DOT is required to issue an order. This order requires the owner to remove the ATM within 30 days. If the owner does not comply, the Department of Transportation may issue a violation.

Civil penalties for violations are stated in Section 19-150. The penalty for a first violation is \$2,500. The penalty for every 5-day period during which the violation continues is \$5,000.

Section 1. The Environmental Control Board has amended its DOT Penalty Schedule found in Section 3-124 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York (RCNY) and has added two new charges immediately following the entry in that penalty schedule for 34 RCNY 2-14 (f)(8), "Commercial refuse container/debris obstructing sidewalks, gutters, crosswalks or driveway," to read as follows:

New matter is underlined.

Table with 4 columns: SECTION, DESCRIPTION, PENALTY, DEFAULT. Row 1: 34 RCNY 2-15(a), Maintaining an unlawful Sidewalk ATM (Automatic Teller Machine), 2,500, 5,000. Row 2: 34 RCNY 2-15(c), Failure to remove an unlawful Sidewalk ATM (continuing violation), 5,000, 5,000.

CITYWIDE ADMINISTRATIVE SERVICES

NOTICE

NOTICE OF INTENT TO ENTER INTO NEGOTIATIONS

Pursuant to Section 1-14(f) of the Concession Rules of the City of New York, the Department of Citywide Administrative Services (DCAS) intends to enter into negotiations with Skaggs Walsh, Inc. (Skaggs Walsh) to utilize approximately 4,295 square feet of upland waterfront property and approximately 13,000 square feet of land under water, located at 119th Street and 23rd Avenue, in Queens, adjacent to property owned by Permittee, identified as Block 4222 Part of Lot 5.

The property will be utilized pursuant to an occupancy permit issued by DCAS; no leasehold or other proprietary right is offered. The term is for three (3) years, unless terminated by the City upon twenty-four (24) hour written

notice. The concession term will commence on approximately October 1, 2011 and end on September 30, 2014. DCAS projects approximately \$27,960 in annual concession revenue to the City.

DCAS has determined that it is not in the best interest of the City to award this concession pursuant to a competitive process because of the unique location of the property, which is adjacent to property privately owned and utilized by Skaggs Walsh and is only accessible through said private property. The occupancy permit will authorize Skaggs Walsh to continue to use this property for the purpose of unloading and loading fuel oil, and accessory business parking.

This concession has been determined not to be a major concession as defined by Chapter 7 of the Rules of the City Planning Commission.

Questions regarding instructions and information for potential concessionaires concerning how they may express interest in the proposed concession and/or how they may obtain additional information concerning the proposed concession should be directed to Shelley Goldman, Deputy Assistant Commissioner, Bureau of Property Management & Leasing, Division of Real Estate Services, at (212) 669-4019, or via email at sgoldman@dcas.nyc.gov. To ensure the consideration by DCAS of any "expressions of interest" resulting from this notification, please contact Ms. Goldman by July 18, 2011. DCAS will evaluate any proposals received in response to this solicitation on the basis of the fee offered and the intended use of the concession property by the proposed concessionaire. Where applicable, DCAS may condition the award of this concession upon the successful completion of VENDEX Questionnaires (Vendor and Principal Questionnaires) and review of that information by the Department of Investigation.

Pursuant to Local Law 34 of 2007, amending the City's Campaign Finance Law, the City is required to establish a computerized database containing the names of any "person" that has "business dealings with the city" as such terms are defined in the Local Law. In order for the City to obtain necessary information to establish the required database, potential concessionaires responding to this Notice are required to complete the attached Doing Business Data Form and return it with their proposal and should do so in a separate envelope. (If the potential concessionaire is a proposed joint venture, the entities that comprise the proposed joint venture must each complete a Data Form.) If the City determines that a potential concessionaire has failed to submit a Data Form or has submitted a Data Form that is not complete, the potential concessionaire will be notified by the agency and will be given four (4) calendar days from receipt of notification to cure the specified deficiencies and return a complete Data Form to the agency. Failure to do so will result in a determination that the proposal is non-responsive. Receipt of notification is defined as the day notice is e-mailed or faxed (if the potential concessionaire has provided an e-mail address or fax number), or no later than five (5) days from the date of mailing or upon delivery, if delivered.

This concession is subject to applicable provisions of Federal, State, and Local laws and executive orders requiring affirmative action and equal employment opportunity. Please note that the New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity who believes that there has been unfairness, favoritism or impropriety in the proposal process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, New York 10007, telephone number (212) 669-2323.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
