AGENCY RULES

FINANCE

NOTICE

FINDING OF SUBSTANTIAL NEED FOR EARLIER IMPLEMENTATION

Section 7 of Local Law 15 of 2011 amended Administrative Code § 11-319 by adding a new paragraph (b)(11) that

requires that by September 1, 2011, "the appropriate agency [shall] promulgate rules identifying or describing existing procedures governing challenges to the validity of any real property tax, sewer rent, sewer surcharge, water rent, emergency repair charge or alternative enforcement expense or fee." As the Department of Finance is the appropriate agency to promulgate rules with respect to real property tax, these rules address the existing procedures governing challenges to tentative assessment of real property for purposes of determining the real property tax.

Early implementation of this rule is necessary to meet the requirement of the law that these rules become effective no later than September 1, 2011. Therefore, pursuant to section 1043(e)1(c) of the New York City Charter, the Department of Finance hereby finds that there is a substantial need for the earlier implementation of the Rules Relating to Challenges to the Validity of Real Property Taxes. Consequently, the attached rules shall be effective upon the final publication of the rules in the City Record, and the requirement that thirty days first elapse after such publication shall not apply.

THE CITY OF NEW YORK DEPARTMENT OF FINANCE

NOTICE OF RULEMAKING

Pursuant to the power vested in me as Commissioner of Finance by section 11-319(b)(11) of the Administrative Code of the City of New York and sections 389(b) and 1043 of the New York City Charter, I hereby promulgate the within Rules Relating to Challenges to the Validity of Real Property Taxes. These rules were published in proposed form on June 30, 2011. A hearing for public comment was held on August 1, 2011.

S/S
David M. Frankel
Commissioner of Finance

Note: New matter underscored; old matter in brackets [] to be deleted.

STATEMENT OF BASIS AND PURPOSE

Section 7 of Local Law 15 of 2011 amended Administrative Code § 11-319 by adding a new paragraph (b)(11) that requires that by September 1, 2011, "the appropriate agency [shall] promulgate rules identifying or describing existing procedures governing challenges to the validity of any real property tax, sewer rent, sewer surcharge, water rent, emergency repair charge or alternative enforcement expense or fee".

As the Department of Finance (the "Department") is the appropriate agency to promulgate rules with respect to real property tax, this rule addresses the existing procedures governing challenges to tentative assessment of real property for purposes of determining the real property tax by citing Chapter 37 of Title 19 of the Rules of the City of New York (the rules of the Department pertaining to requests for review of tentative assessments of real property).

These new rules also describe the authority of the Department to make changes to the tentative assessment roll and the right of aggrieved parties to file applications with the New York City Tax Commission to appeal the tentative assessment of real property.

Section 1. Title 19 of the Rules of the City of New York is amended by adding a new Chapter 49 to read as follows:

Rules Relating to Challenges to the Validity of Real Property Taxes

§49-01. Challenges to assessed valuation of real property

(a) Tentative Assessment Roll

(i) Except for the property defined as class one property pursuant to §1802 of the Real Property Tax Law, the tentative assessment roll containing the tentative assessed valuation of real property for the succeeding fiscal year is open to the public beginning January 15th and ending March 1st of each year.

(ii) For the property defined as class one property pursuant to §1802 of the Real Property Tax Law, the tentative assessment roll is open to the public beginning January 15th and ending March 15th of each year.

(iii) Section 1512 of the New York City Charter provides that during the period in which the tentative assessment roll is open for public inspection, the Commissioner of Finance may correct the assessment roll by adding property that had been omitted or by increasing or decreasing the assessed valuation of property. An additional period ending May 10th is provided for changes for non-residential real property. Chapter 37 of Title 19 of the Rules of the City of New York provides the procedure for property owner requests for the Department of Finance to review the tentative assessed valuation of real property.

(b) Request for Review

A request for review filed with the Department of Finance pursuant to subdivision (a) of this section and Chapter 37 of Title 19 of the Rules of the City of New York shall not:

(i) affect a property owner's right to apply for a correction of tentative assessed valuation with the New York City Tax Commission;

(ii) affect any deadline for such application with the Tax Commission; or

(iii) satisfy the requirement that a property owner have filed a timely application for correction with the Tax Commission in order to obtain subsequent judicial review of an assessed valuation.

§ 49-02. Appeal to New York City Tax Commission

The New York City Charter provides the process for a property owner to apply to the New York City Tax Commission for correction of the tentative assessment of real

property by the Department of Finance.

(i) For property classified as class one under Real Property Tax Law § 1802, property owners may submit applications to the Tax Commission for correction of the tentative assessment from January 15th until March 15th immediately prior to the tax year to which the tentative assessment pertains.

(ii) For all other classes of property, property owners may submit applications to the Tax Commission for correction of

the tentative assessment from January 15th until March 1st immediately prior to the tax year to which the tentative assessment pertains.

(iii) Notwithstanding the above, New York City Administrative Code § 11-208.1 requires that the Tax Commission deny a hearing on the correction of the tentative assessment for any property as to which an income and expense statement is required but was not timely filed in the immediately preceding calendar year.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
