NOTICE

On Wednesday, September 7, 2011, at 10:00 A.M., in Spector Hall, at the Department of City Planning, 22 Reade Street, in Lower Manhattan, a public hearing is being held by the City Planning Commission in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning a zoning map amendment for a rezoning from M1-2 to M1-4 in connection with the proposed development of a property bounded by

Navy Street to the west, Nassau Street to the south, and the Brooklyn Navy Yard industrial park to the north and east (Block 2023, Lot 50), in Brooklyn, Community District 2. The applicant is also seeking the following actions: a text amendment to Section 74-742 of the Zoning Resolution for special permits for a Large Scale General Development; approval of acquisition and disposition of the site pursuant to a long-term Master Lease; Certification by the Chairperson of the City Planning Commission pursuant to Zoning Resolution Section 62-811 for compliance with waterfront public access and visual corridors; and special permits related to rear yard encroachments, signage regulations, group parking facilities, Use Group 6 and/or 10A floor area limitations.

The proposed actions would facilitate a proposal by the applicant, Brooklyn Navy Yard Development Corporation (BNYDC), to develop the project site with a mixed-use development (Admirals Row Plaza) on the project site consisting of approximately 293,294 total square feet of development. The development includes a supermarket of approximately 74,161 square feet, approximately 79,068 square feet of neighborhood-oriented retail ranging from small local stores to destination retailers, approximately 7,024 square feet of community facility/non-profit office space, approximately 127,364 square feet of light industrial space, and approximately 215 square feet of enclosed bicycle parking space. In addition, approximately 295 accessory parking spaces would be provided in a surface lot. Development would incorporate both new construction and the rehabilitation and/or reconstruction and adaptive reuse of two existing historic structures, one of the Officers' Quarters known as Building B and the Timber Shed. In total, three new buildings would be developed, ranging in height from approximately 32 to 99 feet. Comments are requested on the DEIS and will be accepted until Monday, September 19, 2011.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 11DME001K.

132-00**GENERAL PURPOSES**

The #Special Fourth Avenue Enhanced Commercial District#, in the Borough of Brooklyn, established in this Resolution is designed to promote and protect public health, safety and general welfare. These general goals include, among others, the following specific purposes:

- to enhance the character of the area by ensuring that ground floor space within buildings is occupied by establishments that promote a lively and engaging pedestrian experience along Fourth Avenue;
- to limit the number of curb cuts along Fourth Avenue in order to minimize conflicts between vehicles and pedestrians; and
- to promote the most desirable use of land in the area and thus preserve, protect and enhance the value of land and buildings and thereby protect City tax revenues.

132-01**Definitions**

Ground floor level

For the purposes of this Chapter, "ground floor level" shall mean a #building's# lowest #story# located within 30 feet of the Fourth Avenue #street wall# of the #building#.

132-10**GENERAL PROVISIONS**

The provisions of this Chapter shall apply to all #buildings# with Fourth Avenue #street# frontage.

The regulations of all other Chapters of this Resolution are applicable, except as superseded, supplemented or modified by the provisions of this Chapter. In the event of a conflict between the provisions of this Chapter and other regulations of this Resolution, the provisions of this Chapter shall control.

132-20**SPECIAL USE REGULATIONS**

The special #use# regulations of this Section shall apply to the Fourth Avenue #street walls# of #developments# and to #buildings enlarged# on the #ground floor level#, where such #ground floor level# fronts upon Fourth Avenue. For #buildings# fronting along multiple #streets#, the required percentage of #ground floor level street wall# allocated to certain #uses#, as set forth in this Section, shall apply only to the portion of the #building's ground floor level# fronting upon Fourth Avenue.

The following shall be exempt from the #use# provisions of this Section:

- #buildings# located in #Commercial Districts# on a #zoning lot# with a width of less than 20 feet, as measured along the Fourth Avenue #street line#, provided such #zoning lot# existed on (date of adoption); and
- any #community facility building# used exclusively for either a #school#, as listed in Use Group 3, or a house of worship, as listed in Use Group 4.

132-21**Special Ground Floor Level Use Requirements in Commercial Districts**

In #Commercial Districts#, the following #use# provisions shall apply to the #ground floor level# of a #building#. In addition to these provisions, permitted #uses# shall comply with the provisions of Sections 132-30 (SPECIAL TRANSPARENCY REGULATIONS), and 132-40 (SPECIAL PARKING REGULATIONS).

- Mandatory #commercial uses# for a portion of the #ground floor level#

Mandatory #commercial use# regulations shall apply to an area of a #building's ground floor level# defined by an aggregate width equal to at least 50 percent of a #building's# Fourth Avenue #street wall# and a depth equal to at least 30 feet, as measured from the Fourth Avenue #street wall#. Such an area on the #ground floor level# shall be occupied by #commercial uses# listed in Use Groups 5, 6A, 6C excluding banks and loan offices, 7B, 8A, 8B, or 9A.

The finished floor of the #ground floor level# shall be located not higher than two feet above nor lower than two feet below the as-built level of the adjacent Fourth Avenue public sidewalk.

132-22**Special Ground Floor Level Use Requirements in Residence Districts**

In #Residence Districts#, all #uses# permitted by the underlying district regulations are permitted on the #ground floor level#, provided such #uses# comply with the provisions of Sections 132-30 (SPECIAL TRANSPARENCY REGULATIONS), where applicable, and 132-40 (SPECIAL PARKING REGULATIONS).

132-30**SPECIAL TRANSPARENCY REGULATIONS**

The special transparency regulations of this Section shall apply to the Fourth Avenue #street walls# of #developments# and to portions of #buildings enlarged# on the #ground floor level#, where such #ground floor level# fronts upon Fourth Avenue. For #buildings# fronting along multiple #streets#, the required percentage of #ground floor level street wall# allocated to transparent materials, as set forth in this Section, shall apply only to the portion of the #building's ground floor level# fronting upon Fourth Avenue.

132-31**Special Ground Floor Level Transparency Requirements**

The #ground floor level street wall# shall be glazed with transparent materials which may include show windows, transom windows or glazed portions of doors, provided such transparent materials have a minimum width of two feet. Such transparency shall occupy at least 50 percent of the surface area of each such #ground floor level street wall# between a height of two feet, and 12 feet, or the height of the ground floor ceiling, whichever is higher as measured from the adjoining sidewalk. The lowest point of any transparency

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
