SALE OF BIKE RENTAL SERVICES – Sole Source – PIN# M10,37,72,144-BR – Permit No.: M10,37,72,144-BR. The City of New York Department of Parks and Recreation (“Parks”) has amended the license agreement with Bike the Greenway LLC d/b/a Bike and Roll New York City, of 140 West 30th Street, Suite 5E, New York, NY 10001, to add the Tavern on the Green Parking Lot location to the existing license agreement for the construction, operation, and maintenance of five (5) Bike Rental Stations at Central Park, Riverside Park, West Harlem Piers Park, East River Park,

and Highbridge Park, Manhattan ("Licensed Premises"). The existing concession, which was solicited by a Request for Proposals, and the third amendment adding the Tavern on the Green Parking Lot will operate pursuant to the term of the original license agreement for the remainder of the original license term, through July 16, 2016. The license fees attributable to the Tavern on the Green location will be combined with the license fees for the five other Bike Rental Stations resulting in an increase of the minimum annual fee of \$17,000 per year over the fees presently set forth in the license agreement. The threshold at which percentage fees will become payable to the City will be increased to account for the increase in the minimum fee.

Through the issuance of a Request for Proposals, Parks awarded Bike and Roll a License Agreement for the construction, operation and maintenance of five (5) bike rental locations in Manhattan at Merchants Gate - Central Park, Riverside Park, West Harlem Piers Park, East River Park and Highbridge Park. Parks developed this concession to create a "hop-on-hop-off" bike rental service for parks patrons that allows riders to rent a bike at one of the locations and drop it off at another. In August 2010 an amendment to the original license agreement was issued to include the Tavern on the Green parking lot in Central Park as another location for "hop-on-hop-off" bike rental service. In November 2010 Parks issued a Notice to Proceed for the operation of this location for a short-term, one-year, with one (1) one-year renewal option, exercisable at Parks' sole discretion. The renewal option was exercised an expired so Parks amended the license agreement again to include the Tavern on the Green location for the remainder of the original license term. Tavern on the Green parking lot is a very desirable location for Parks patrons for bicycle rentals and because of its popularity this location has been extremely important to Bike and Roll's entire operation. In order to maintain the continuity of service necessary to maintain the "hop-on-hop-off" aspect of this concession and to continue to meet the needs of the public, Bike and Roll needed to continue to operate the location at Tavern on the Green parking lot.

The proposed amendment was not included in the Agency's regulatory agenda, as it was not anticipated at the time that the agenda was published.

STATEMENT OF BASIS AND PURPOSE

The Commissioner of the New York City Department of Transportation is authorized to promulgate rules regarding streets and highways in New York City pursuant to Section 2903 of the New York City Charter.

Although New York City has the highest bus ridership in the United States, it also has the slowest bus speeds in the country. To improve bus speeds, the City has installed a series of restricted "bus lanes", intended for the exclusive use of buses. As the bus lane network has grown, and new bus lane designs have been installed, the Department has found that existing bus lane rules do not provide sufficiently clear instructions as to what other vehicles can legally do within or approaching and exiting a bus lane. Additionally, the existing rule does not clearly prohibit non-motorized vehicles, including horse-drawn carriages, from using bus lanes.

By expanding and updating the bus lane rules, which establish the prohibitions associated with bus lanes, the proposed rule will:

- Improve bus speeds by helping keep bus lanes clear
- Reduce confusion by other street users about what activities can legally take place in a bus lane
- Clarify the rules regarding "offset" bus lanes, which allow parking or other curb access between the bus lane and the curbside.
- Increase the Department rules' specificity about where the bus lane may be legally used by non-bus vehicles to access right turns or gain curb access.

New text is underlined, and deleted material is in [brackets].

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this office, unless otherwise specified or unless the context clearly indicates otherwise.

§1. Paragraph 1 of Subdivision (f) of Section 4-08 of Title 34 of the Rules of the City of New York is amended to read as follows:

(1) Double parking. On the roadway side of a vehicle stopped, standing, or parked at the curb, except a person may stand a commercial vehicle alongside a vehicle parked at the curb at such locations and during such hours that stopping, standing, or parking is not prohibited, while expeditiously making pickups, deliveries or service calls, provided that there is no unoccupied parking space or designated loading zone on either side of the street within 100 feet that can be used for such standing, and provided further that such standing is in compliance with the provisions of §1102 of the State Vehicle and Traffic Law. A person may stand a commercial vehicle along the roadway side of a bicycle lane provided all other conditions of this paragraph are met. No person may stand a commercial vehicle in or along the roadway side of a bus lane, unless otherwise indicated by

posted signs, markings or other traffic control devices, or at the direction of a law enforcement officer or other person authorized to enforce this rule. For the purposes of this paragraph (f)(1), "expeditiously making pick-ups, deliveries or service calls" shall mean that any period of inactivity at the pick-up, delivery or service-call location does not exceed 30 minutes. However, such definition shall in no way limit the discretion of the Department of Finance Adjudication Tribunal to determine whether a violation of this paragraph has occurred.

§2. Subdivision (m) of Section 4-12 of Title 34 of the Rules of the City of New York is amended to read as follows:

Bus lane restrictions on city streets. When signs are erected giving notice of bus lane restrictions, no person shall drive a vehicle other than a bus within a designated bus lane during the restricted hours [specified], except:

- (1) to [that a person may] use such bus lane in order to make the first available right hand turn where permitted into a street, private road, private drive, or an entrance to private property in a safe manner; or [when necessary to avoid conflict with other traffic or at the direction of a law enforcement officer.]
- (2) to approach to or leave the curbside space, unless standing or stopping at the curb is prohibited by sign or rule; or
- (3) temporarily to enter or leave the bus lane for the purpose of and while actually engaged in expeditiously receiving or discharging passengers, except when such activity is prohibited by signs or rules; or
- (4) to avoid an obstacle which obstructs the roadway and leaves fewer than ten feet of roadway width available for the free movement of vehicular traffic (except for temporary situations such as slow moving traffic and vehicles loading refuse); or
- (5) to comply with the direction of any law enforcement officer or other person authorized to enforce this rule.

With respect to the exceptions in paragraphs one through four of this subdivision, a vehicle may not be operated in the bus lane during restricted hours for more than one block or two hundred feet, whichever is less. The preceding sentence does not apply where posted signs, markings or other traffic control devices indicate otherwise.

With respect to the exceptions in paragraphs two through five of this subdivision, a vehicle must exit the bus lane at the nearest opportunity where it is safe and legal to do so.

Notwithstanding any other provision of these rules, no person may drive a vehicle within a designated bus lane in a manner that interferes with the safety and passage of buses operating thereon.

The same rights and restrictions that apply to vehicles pursuant to this subdivision also apply to horse-drawn vehicles and devices moved by human power.

[Notwithstanding any provision of this subdivision, no person shall drive a vehicle other than a bus in the bus lane on Madison Avenue for the purpose of making a right hand turn during the restricted hours specified by sign between 42nd street and 59th street. During such restricted hours, the first permissible right hand turn for vehicles other than buses is at 60th street, except that a taxicab carrying a passenger may use the bus lane to make a right hand turn at 46th street.]

HOUSING PRESERVATION AND DEVELOPMENT

■ NOTICE

**CITY OF NEW YORK
HOUSING PRESERVATION AND DEVELOPMENT (HPD)
OFFICE OF MANAGEMENT AND BUDGET (OMB)
COMMUNITY DEVELOPMENT BLOCK GRANT -
DISASTER RECOVERY PROGRAM
EARLY NOTICE AND PUBLIC REVIEW OF A
PROPOSED ACTIVITY IN A 100-YEAR FLOODPLAIN
AND WETLANDS**

To: All Interested Agencies, Groups, and Individuals:

This is to give notice that the City of New York ("City") is proposing to undertake activities within a 100-year floodplain relating to the United States Department of Housing and Urban Development's ("HUD") Community Development Block Grant-Disaster Recovery ("CDBG-DR") program. President Obama signed the "Disaster Relief Appropriations Act, 2013" (Public Law 113-2) into law on January 29, 2013. Among other appropriations, the Act included \$16 billion in CDBG-DR funds "for necessary expenses related to disaster relief, long-term recovery, restoration of infrastructure and housing, and economic revitalization in the most impacted and distressed areas resulting from Hurricane Sandy. This notice is required by Section 2(a)(4) of Executive Order 11988 for Floodplain Management and is implemented by HUD Regulations found at 24 CFR 55.20(b) for the HUD action that is within and/or affects a floodplain. Under 24 CFR Part 58, the City, as the sub-recipient of the grant funds, has identified its Office of Management and Budget as the Responsible Entity for maintaining the CDBG-DR Environmental Review Record.

Projects funded with CDBG-DR would be located in areas of impact from Hurricane Sandy throughout the five Boroughs of New York City. The City anticipates that most of the grant would be targeted toward rehabilitation or reconstruction activities designed to help victims of Hurricane Sandy, including homeowners and tenants of rental properties to achieve permanent, sustainable housing solutions that allow them to remain in New York City, and return to their

neighborhoods where possible.

The City's initial allocation of CDBG-DR funds is \$1,772,820,000. Of this total, the City has allocated \$648 million in funding for assistance to address the various unmet housing needs it has identified so far. The focus of this notice is the Multi-family Building Rehabilitation Program, which will be administered by the Department of Housing Preservation & Development ("HPD"). Of the initial \$648 million of CDBG-DR allocated to housing, \$225 million would be provided to HPD for the rehabilitation of multifamily buildings (5+ units) and 3-4 unit buildings that are not owner-occupied. The properties shown below are subject to this public notice:

This public notice and the associated maps for the affected properties listed above are available for viewing using the following link <http://www.nyc.gov/builditback> and then clicking on "Reports and Public Notices".

There are three primary purposes for this notice. First, people who may be affected by activities in floodplains and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Second, an adequate public notice program can be an important public educational tool. The dissemination of information about floodplains can facilitate and enhance Federal efforts to reduce the risks associated with the occupancy and

modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains, it must inform those who may be put at greater or continued risk. The 8-Step Decision Making Process includes public notices and the examination of practicable alternatives to building in the floodplain as well as potential mitigation measures. Applicants receiving CDBG-DR construction assistance for residential properties partially or wholly situated within the 100-year floodplain will be required to participate in the National Flood Insurance Program.

HPD is interested in alternatives and public perceptions of possible adverse impacts that could result from these projects as well as potential mitigation measures. The activities will occur in areas served by existing infrastructure. All interested persons, groups and agencies are invited to submit comments regarding the proposed use of federal funds to support a project located in a floodplain. Written comments should be sent to HPD at 100 Gold Street, New York, NY 10038, Attn: Patrick Blanchfield, Director of Environmental Planning, Office of Development, Room 9I-7. Comments may also be submitted electronically to nepa_env@hpd.nyc.gov. All comments must be received on or before the 15th day following the date of this notice.

FRANCHISES, CONCESSIONS AND CONSENTS

NOTICE

PUBLIC NOTICE OF A CONCESSION OPPORTUNITY FOR THE OPERATION, MANAGEMENT AND MAINTENANCE OF A PEDESTRIAN PLAZA LOCATED ON 25TH STREET BETWEEN SECOND AVENUE AND LEXINGTON AVENUE IN THE BOROUGH OF MANHATTAN

Pursuant to the Concession Rules of the City of New York, the Department of Transportation ("DOT") intends to enter into a concession for the operation, management, and

maintenance of a pedestrian plaza located on East 25th Street between Lexington Avenue and 2nd Avenue in the borough of Manhattan ("Licensed Plaza"), including through DOT-approved events, sponsorships, and subconcessions including but not limited to providing for the sale of any of the following: prepared food, flowers, locally grown produce or locally manufactured products, merchandise (such as souvenirs or T-shirts) that helps brand or promote the neighborhood or the concessionaire, and other similar merchandise.

Subconcessions would be awarded based on solicitations issued by the concessionaire in the basic form of Request for Proposals or Request for Bids, subject to DOT's prior written approval of both solicitation and award.

DOT has identified the City University of New York at Baruch College as a potential concessionaire, but DOT will consider additional expressions of interest from other potential not-for-profit (including educational institutions) concessionaires for the operation, management, and maintenance of the Licensed Plaza. In order to qualify, interested organizations should be active in the neighborhood of the Licensed Plaza and have demonstrated experience in the management, operation and maintenance of publicly accessible facilities, including but not limited to programming/events management and concession or retail operation/management.

Such organizations may express interest in the proposed concession by contacting Andrew Wiley-Schwartz, Assistant Commissioner for Public Spaces, by email at awileyschwartz@dot.nyc.gov or in writing at 55 Water Street, 9th Floor, New York, NY 10041 by September 09, 2013. Mr. Wiley-Schwartz may also be contacted with any questions relating to the proposed concession by email or by telephone at (212) 839-6678.

Please note that the New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity that believes that there has been unfairness, favoritism or impropriety in the concession process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, New York 10007, telephone number (212) 669-2323.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
