PROCUREMENT

"Compete To Win" More Contracts!
Thanks to a new City initiative - "Compete to Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs) released Fall 2013 and later, vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. To establish this, the City of New York is using the innovative procurement method, as permitted and in accordance with Section 3-12 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"). The new process will remove redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding will be more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

RFPs to be managed by HHS Accelerator are listed on the NYC Procurement Roadmap located at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Deputy Mayor for Health and Human Services, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Client and Community-based Services Agencies: Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator.

LIFT 2.0 ENTREPRENEURSHIP PROGRAM, CONSULTING SERVICES – Request for Proposals – PIN# 5766-0 – DUE 02-07-14 AT 4:00 P.M. – The New York City Economic Development Corporation ("NYCEDC") is seeking a consultant to design, launch, implement and manage the LIFT 2.0 Entrepreneurship Program (the "Program"). The LIFT 2.0 Entrepreneurship Program is anticipated to increase entrepreneurship and business development amongst low-income and unemployed residents of underserved communities by providing services such as business support programming, a loan program and affordable shared incubator work space located in either Brooklyn or Queens. Alternative and mixed use spaces, such as inclusion of a shared commercial kitchen facility, manufacturing pods, maker workshop spaces, studios, and ground floor retail storefront, may be considered so long as they meet the needs of and further attract low-income and immigrant entrepreneurs. The Program aims to assist approximately 30 low-income, minority and/or immigrant entrepreneurs with aspirations to start or expand a business.

The LIFT Entrepreneurship Program is part of the LINK (Leveraging Innovations and our Neighborhoods in the Knowledge economy) suite of pilot initiatives. The objective of LINK is to better connect New York City's (the "City") low-income residents and neighborhoods to emerging opportunities in the City economy.

NYCEDC plans to select a consultant on the basis of factors stated in the RFP which include, but are not limited to: the quality of the proposal, experience in providing business support programming and career counseling services, significant experience in working within the target occupations and sectors, familiarity developing and maintaining a work space that provides educational programming similar to the proposed incubator and the capability to create and administer a loan program.

This project has Minority and Women Owned Business Enterprise ("M/WBE") participation goals and all respondents will be required to submit an M/WBE Subcontractor Participation Plan with their responses. To learn more about NYCEDC's M/WBE program visit <http://www.nycfedc.com/opportunitymwbe>. For the list of companies who have been certified with the New York City Department of Small Business Services as M/WBE, please go to the www.nyc.gov/buycertified.

An optional informational session will be held on Thursday, December 19, 2013 at 2:00 P.M. at NYCEDC, 110 William Street, 6th Floor, New York, NY 10038. Those who wish to attend should RSVP by email to LIFTbyLINK@nycfedc.com on or before Monday, December 16, 2013.

Respondents may submit questions to and/or request clarifications from NYCEDC no later than 5:00 P.M. on Monday, December 23, 2013. Questions regarding the subject matter of this RFP should be directed to LIFTbyLINK@nycfedc.com. For all questions that do not pertain to the subject matter of this RFP, please contact NYCEDC's Contracts Hotline at (212) 312-3969. Answers to all questions will be posted by Friday, January 3, 2014, to www.nycfedc.com/RFP.

Please submit five (5) sets and one (1) CD of electronic files of your proposal.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

SOLID WASTE MANAGEMENT - NEGOTIATED ACQUISITION FOR ENVIRONMENTAL MARKET SERVICES CONSULTANT FOR RIN TRADING OF FRESH KILLS BIOGAS – Negotiated Acquisition – PIN# 82713RR00035 – DUE 12-11-13 AT 11:00 A.M. – The Department of Sanitation provides this notice of its intent to enter into negotiations for a short-term revenue contract with vendors with specialized expertise to develop, validate and monetize renewable fuel credits for Fresh Kills biogas in compliance with the requirements of the federal Renewable Fuel Standard program. The Department of Sanitation, ACCO, has determined that a negotiated acquisition procurement is the most competitive, practicable and appropriate selection method under the circumstances and that the method is the most advantageous to the City because gas production at Fresh Kills Landfill is finite and diminishing and there is a limited time period in which to comply with the federal program to generate renewable fuel credits. A Negotiated Acquisition solicitation will quickly result in competitive proposals from specialized vendors and a contract that will enable the City to realize appropriate biogas revenues under this federal program.

Prospective vendors are required to have special expertise and acquired knowledge.

ENVIRONMENTAL CONTROL BOARD

NOTICE

Notice of Public Hearing and Opportunity to Comment on Proposed Rules

What are we proposing? The Environmental Control Board (ECB) proposes to amend the Hudson River Park Penalty Schedule in Section 3-113 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York (RCNY). The changes are 1) to create penalties for new Hudson River Park rules prohibiting smoking in non-designated areas and prohibiting geocaching without an issued permit, and 2) to amend certain existing penalties related to animals in the park, interfering with trees and vegetation in the park, and boating in the park. These rules create penalties for offenses that are heard and decided by ECB pursuant to Sections 533, 1048, and 1049-a of the New York City Charter and Chapter 3 of Title 48 of the RCNY.

When and where is the hearing? ECB will hold a public hearing on the proposed rule. The public hearing will take place at 3:30 P.M. on January 8, 2014. The hearing will be in the ECB Conference Room located at 66 John Street, 10th Floor, NY, NY 10006.

How do I comment on the proposed rules? Anyone can comment on the proposed rules by:

- **Website.** You can submit comments to ECB through the NYC rules Web site at <http://rules.cityofnewyork.us/>.
- **Email.** You can email written comments to Rules_Oath@oath.nyc.gov.
- **Mail.** You can mail written comments to ECB, Attention: James Macron, Counsel to the Board, ECB, 66 John Street, 10th Floor, New York, NY 10038.
- **Fax.** You can fax written comments to ECB at 212-361-1900.
- **Speaking at the hearing.** Anyone who wants to comment on the proposed rule at the public hearing must sign up to speak. You can sign up before the hearing by calling Elizabeth Nolan at 212-436-0592. You can also sign up in the hearing room before the hearing begins on January 8, 2014. You can speak for up to three minutes.

Is there a deadline to submit written comments? You may submit written comments up to January 8, 2014.

Do you need assistance to participate in the hearing? You must tell ECB staff if you need a reasonable accommodation of a disability at the hearing. You must tell us if you need a sign language interpreter. You can tell us by mail at the address given above. You may also tell us by telephone at 212-436-0592. You must tell us by January 2, 2014.

Can I review the comments made on the proposed rules? You can review the comments made online on the proposed rules by going to the website at <http://rules.cityofnewyork.us/>. A few days after the hearing, a transcript of the hearing and copies of the written comments will be available to the public at the ECB's office located at 66 John Street, 10th Floor, New York, NY 10038.

What authorizes ECB to make this rule? Sections 533 and 1049-a of the City Charter authorize ECB to make this proposed rule. This proposed rule was not included in ECB's regulatory agenda for this Fiscal Year because it was not

contemplated when ECB published the agenda.

Where can I find ECB's rules? ECB's rules are in Title 48 of the Rules of the City of New York.

What rules govern the rulemaking process? ECB must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043(b) of the City Charter.

Statement of Basis and Purpose

Pursuant to Sections 533 and 1049-a of the New York City Charter, the New York City Environmental Control Board (ECB) hears and decides Notices of Violation issued for violations of the rules and regulations of the Hudson River Park Trust relating to the use, government and protection of the Hudson River Park.

Sections 1 and 2

The Hudson River Park Trust recently amended the Hudson River Park rules and regulations found in Title 21 of the New York Codes, Rules, and Regulations (NYCRR). These amendments went into effect on April 4, 2013 and included new provisions prohibiting smoking in non-designated areas and geocaching without an issued permit. ECB seeks to amend the Hudson River Park Penalty Schedule found in Section 3-113 of Title 48 of the Rules of the City of New York (RCNY) to create penalties for the violations of these newly added provisions.

Section 751.6(v) of Title 21 of the NYCRR prohibits smoking "in all public areas within Hudson River Park except as may be designated by the trust." In Section 1 of this rulemaking, ECB proposes to align the Hudson River Park Penalty Schedule with the New York City Department of Parks and Recreation Rules Penalty Schedule ("Parks Rules Penalty Schedule") found in Section 3-116 of Title 48 of the RCNY by adopting a \$50 standard penalty and a \$50 default penalty for violations of Hudson River Park's smoking ban.

Section 751.7(s) of Title 21 of the NYCRR provides that "Geocaching or other treasure hunting games, activities, devices, logbooks, trinkets, or other materials, are not allowed within Hudson River Park except as may be expressly permitted by the trust." According to a guidance document issued by the New York State Office of Parks, Recreation and Historic Preservation:

Geocaching is an outdoor activity in which the participants use a Global Positioning System (GPS) receiver to place "geocaches" or "caches" and post the GPS coordinates on the internet. Cache-seekers then use their GPS units to locate the site. Some caches are small containers with a variety of items. Visitors to caches can take a few items as souvenirs and leave new items for others to find. Others are virtual caches, where the "treasure" may be simply in the beauty or uniqueness of the site.

Geocaching provides park visitors an opportunity to learn about nature and enjoy the outdoors. Left unmanaged however, this activity has the potential to damage natural and historic resources and can pose a possible risk to visitors. . . .

Any visitor wishing to place a cache must complete an application for a geocache placement permit, which requires review and authorization by the park manager or designee. The permit process will provide for review of all geocache placements to ensure the protection of natural, historic, and archeological resources, and the safety and security of park visitors.

The geocaching restriction was implemented to discourage geocaching without an issued permit, rather than punish the actual offenders. In Section 2, ECB proposes adopting a \$25 standard penalty and a \$50 default penalty for violations of the geocaching restriction. These amounts are similar to the penalties imposed for unauthorized alcohol consumption in Hudson River Park, which were also adopted to discourage the activity rather than punish offenders.

Sections 3 and 4

Several changes are proposed with the intent of aligning the Hudson River Park Rules Penalty Schedule with the Parks Rules Penalty Schedule found in Section 3-116 of Title 48 of the RCNY where the penalties are for similar offenses. For such changes, where the penalty for a Parks rule violation is greater than \$500 (the maximum penalty that can be imposed for violation of a Hudson River Park rule), ECB proposes adopting the \$500 maximum penalty for violations of the similar Hudson River Park rule.

Section 751.6(i) of Title 21 of the NYCRR prohibits animals that are "unleashed or out of control in the park." In Section 3, ECB proposes to align the penalties for unleashed or uncontrolled animals in the Hudson River Park Penalty Schedule with the penalties for unleashed or uncontrolled animals in the Parks Rules Penalty Schedule by adopting a \$400 standard penalty and \$500 default penalty for a third offense, and the \$500 maximum penalty for each subsequent offense. Further, by making the \$500 penalty applicable to fourth and subsequent offenses, there is no need for a separate entry for a fifth offense, which is accordingly being deleted in Section 4.

Section 751.6(k) of Title 21 of the NYCRR requires the removal of animal waste in Hudson River Park. In Section 3, ECB proposes to align the penalties for failure to remove animal waste in the Hudson River Park Penalty Schedule with the penalties for failure to remove canine waste in the Parks Rules Penalty Schedule by adopting a \$250 standard penalty and a \$250 default penalty for each violation.

Section 751.7(j) of Title 21 of the NYCRR prohibits planting, pruning, foraging, growing, maintaining, or fertilizing or interfering with any trees, plants, flowers, shrubbery or other vegetation in Hudson River Park. In Section 3, ECB proposes to align the penalties for "planting/pruning/interfering with tree/vegetation without permit" in the Hudson River Park

Penalty Schedule with the penalties for "destruction of tree branch/pruning without permit/minor tree abuse" in the Parks Rules Penalty Schedule by adopting a \$100 standard penalty and a \$400 default penalty for each violation.

The remaining changes in Section 3 deal with various boating restrictions. Since enactment of the current penalty schedule, experience has shown that these penalties are disproportionate to the risk involved.

In the case of Section 751.8(f) of Title 21 of the NYCRR, which prohibits boats to be operated within Hudson River Park at a speed greater than five miles per hour, the current \$50 standard penalty and \$200 default penalty have proven inadequate deterrents. Because the risk of potential harm to other park users is great if vessels are operated at an excessive speed, ECB proposes to raise this penalty to the \$500 maximum.

As to the other three boating restrictions, similar to the geocaching restriction above, the intent is to discourage the activity rather than punish offenders. Therefore ECB proposes to lower these penalties by adopting a \$50 standard penalty and a \$200 default penalty.

ECB's authority for these rules is found in Sections 533 and 1049-a of the New York City Charter.

Section 1. The Environmental Control Board proposes to amend its Hudson River Park Penalty Schedule found in Section 3-113 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York by adding a new entry after the entry in the penalty schedule for Section 751.6(u), "Use of prohibited vessels, i.e. jet skis, cigarette boats, etc." to read as follows:

SECTION/RULE	DESCRIPTION	PENALTY	DEFAULT
751.6(v)	<u>Failure to comply with smoking restrictions</u>	\$50	\$50

Section 2. The Environmental Control Board proposes to amend its Hudson River Park Penalty Schedule found in Section 3-113 of Subchapter G of Title 48 of the Rules of the City of New York by adding a new entry after the entry in the penalty schedule for Section 751.7(r), "Failure to comply with rollerblading/ skating etc. restrictions," to read as follows:

SECTION/RULE	DESCRIPTION	PENALTY	DEFAULT
751.7(s)	<u>Geocaching/treasure-hunting without a permit</u>	\$25	\$50

Section 3. The Environmental Control Board proposes to amend its Hudson River Park Penalty Schedule found in Section 3-113 of Subchapter G of Title 48 of the Rules of the City of New York by revising eight existing penalties, to read as follows:

Notice of Public Hearing and Opportunity to Comment on Proposed Rule

What are we proposing? The Environmental Control Board (ECB) is proposing to amend 48 RCNY 3-31(c) of its rules of procedure. The proposed rule clarifies that a single attempt at service of a notice of violation (NOV) may be sufficient to constitute "a reasonable attempt" under New York City Charter Section 1049-a, which provides requirements that agencies must fulfill prior to the delivery or posting of certain NOV's.

When and where is the Hearing? ECB will hold a public hearing on the proposed rule. The public hearing will take place at 3:30 P.M. on January 8, 2014. The hearing will be in the ECB Conference Room located at 66 John Street, 10th Floor, New York, NY 10038.

How do I comment on the proposed rules? Anyone can comment on the proposed rule by:

- **Website.** You can submit comments to the ECB through the NYC rules website at <http://rules.cityofnewyork.us/>.
- **Email.** You can email written comments to Rules_Oath@oath.nyc.gov.
- **Mail.** You can mail written comments to ECB, Attention: James Macron, Counsel to the Board, ECB, 66 John Street, 10th Floor, New York, NY 10038.
- **Fax.** You can fax written comments to ECB at 212-361-1900.
- **Hearing.** You can speak at the hearing. Anyone who wants to comment on the proposed rule at the public hearing must sign up to speak. You can sign up before the hearing by calling Elizabeth Nolan at 212-436-0592, or you can also sign up in the hearing room before the hearing begins on January 8, 2014. You can speak for up to three minutes.

Is there a deadline to submit written comments? You may submit written comments up to January 8, 2014.

What if I need assistance to participate in the Hearing? You must tell us if you need a reasonable accommodation of a disability at the Hearing. You must tell us if you need a sign language interpreter. You can tell us by mail at the address given above. You may also tell us by telephone at 212-436-0592. You must tell us by January 2, 2014.

Can I review the comments made on the proposed rule? You can review the comments that have been submitted online by visiting the NYC rules website at <http://rules.cityofnewyork.us/>. A few days after the hearing, a transcript of the hearing and copies of the written comments will be available to the public at ECB, 66 John Street, New York, NY 10038.

What authorizes ECB to make this rule? Sections 1049-a of the City Charter authorizes ECB to make this proposed rule. This proposed rule was not included in ECB's regulatory agenda for this Fiscal Year because it was not contemplated when ECB published the agenda.
Where can I find the ECB's rules? The ECB's rules are in

title 48 of the Rules of the City of New York.

What rules govern the rulemaking process? ECB must meet the requirements of Section 1043(b) of the City Charter when creating or changing rules. This notice is made according to the requirements of Sections 1043(b) and section 1049-a of the City Charter.

Statement of Basis and Purpose of Proposed Rule

The Environmental Control Board (ECB) is proposing to amend section 48 RCNY 3-31(c) of its rules of procedure. The proposed rule clarifies that a single attempt at service of a notice of violation may be sufficient to constitute "a reasonable attempt" under Section 1049-a(d)(2)(b) of the New York City Charter ("Charter"). Section 1049-a does not contain a definition of "reasonable attempt," but ECB decisions have long held that a single attempt is sufficient. However, recent court decisions have created some confusion as to the correct standard. Therefore, ECB is seeking to codify its decisions via rulemaking.

The Current Rule

ECB's rules of procedure, as found in 48 RCNY 3-31(c), regulate the service of certain notices of violation (NOV). A person accused of violating a provision of the Charter or the City's Administrative Code under ECB's jurisdiction is known as a respondent.

Under Charter section 1049-a(d)(2)(a), an agency typically must serve a NOV to a respondent in the same manner as is prescribed by article three of the Civil Practice Law and Rules or article three of the Business Corporation Law. However, the Charter also includes a number of exceptions to this rule. Section 1049-a(d)(2)(a)(i) allows for service of a NOV by delivering the notice to a person employed by the respondent on or in connection with the premises where the violation occurred. Section 1049-a(d)(2)(a)(ii) allows for service of a NOV issued by the Department of Sanitation, the Department of Buildings, or the Fire Department by affixing such notice in a conspicuous place to the premises where the violation occurred.

Charter section 1049-a(d)(2)(b) provides that sections 1049-a(d)(2)(a)(i)-(ii) only apply after "a reasonable attempt has been made to deliver such notice to a person in such premises upon whom service may be made as provided for by article three of the civil practice law and rules or article three of the business corporation law." The Charter does not contain a definition of "reasonable attempt," but ECB has long interpreted the language so that a single attempt could satisfy the requirement. ECB's interpretation is based on the plain language of section 1049-a(d)(2)(b), which requires "a reasonable attempt" (emphasis added), and also the section's legislative history. The State Legislature added section 1049-a(d)(2)(b) to the Charter with the intent that the new language would "eliminate the time-consuming, costly and often unrewarding process now entailed in identifying and locating the person responsible for the violation." Governor's Memorandum on Approval, Bill Jacket, L. 1979, ch. 623. The proposed rule ensures that the legislative intent behind the creation of section 1049-a(d)(2)(b) is codified in ECB's rules of procedure.

ECB's authority to implement this rule is found in section 1049-a of the New York City Charter.

New material is underlined.
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Section 3-31 (c) of Title 48 of the Rules of the City of New York (RCNY) is amended to read as follows:

(c) Service: A notice of violation issued by a petitioner may be served on a respondent in accordance with the methods set out in §1049-a(d)(2) of the New York City Charter which render the tribunal's decision and order automatically docketable in Civil Court, or alternatively as provided by the statute, rule or other provision of law governing the violation alleged. Lawful service in a manner other than that provided for in §1049-a(d)(2) shall give the tribunal jurisdiction to hold

a hearing or render a decision and order whether after hearing or in default thereof, but such decision and order shall not be entered in Civil Court or any other place provided for entry of civil judgments without court proceedings.

For the purpose of service of notices of violation pursuant to New York City Charter 1049-a(d)(2)(a)(i) and (ii), the term "reasonable attempt" as used in New York City Charter 1049-a(d)(2)(b) may be satisfied by a single attempt to effectuate service upon the respondent or another person upon whom service may be made as provided for by article three of the civil practice law and rules or article three of the business corporation law.

COMMUNITY DEVELOPMENT BLOCK GRANT – DISASTER RECOVERY PROGRAM

EARLY NOTICE AND PUBLIC REVIEW OF A PROPOSED ACTIVITY IN A 100-YEAR FLOODPLAIN AND WETLANDS

To: All Interested Agencies, Groups, and Individuals:

This is to give notice that the City of New York (“City”) is proposing to undertake activities within a 100-year floodplain relating to the United States Department of Housing and Urban Development’s (“HUD”) Community Development Block Grant-Disaster Recovery (“CDBG-DR”) program. President Obama signed the “Disaster Relief Appropriations Act, 2013” (Public Law 113-2) into law on January 29, 2013. Among other appropriations, the Act included \$16 billion in CDBG-DR funds “for necessary expenses related to disaster relief, long-term recovery, restoration of infrastructure and housing, and economic revitalization in the most impacted and distressed areas resulting from Hurricane Sandy. This notice is required by Section 2(a)(4) of Executive Order 11988 for Floodplain Management and is implemented by HUD Regulations found at 24 CFR 55.20(b) for the HUD action that is within and/or affects a floodplain. Under 24 CFR Part 58, the City, as the sub-recipient of the grant funds, has identified its Office of Management and Budget as the Responsible Entity for maintaining the CDBG-DR Environmental Review Record.

Projects funded with CDBG-DR would be located in areas of impact from Hurricane Sandy throughout the five Boroughs of New York City. The City anticipates that most of the grant would be targeted toward rehabilitation or reconstruction activities designed to help victims of Hurricane Sandy, including homeowners and tenants of rental properties to achieve permanent, sustainable housing solutions that allow them to remain in New York City, and return to their neighborhoods where possible.

The City’s initial allocation of CDBG-DR funds is \$1,772,820,000. Of this total, the City has allocated \$648 million in funding for assistance to address the various unmet housing needs it has identified so far. The focus of this notice is the Multi-family Building Rehabilitation Program, which will be administered by the Department of Housing Preservation & Development (“HPD”). Of the initial \$648 million of CDBG-DR allocated to housing, \$225 million would be provided to HPD for the rehabilitation of multifamily buildings (5+ units) and 3-4 unit buildings that are not owner-occupied. The properties shown below are subject to this public notice:

This public notice and the associated maps for the affected properties listed above are available for viewing using the following link <http://www.nyc.gov/builditback> and then clicking on “Reports and Public Notices”.

There are three primary purposes for this notice. First, people who may be affected by activities in floodplains and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Second, an adequate public notice program can be an important public educational tool. The dissemination of information about floodplains can facilitate and enhance Federal efforts to reduce the risks associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains, it must inform those who may be put at greater or continued risk. The 8-Step Decision Making Process includes public notices and the examination of practicable alternatives to building in the floodplain as well as potential mitigation measures. Applicants receiving CDBG-DR construction assistance for residential properties partially or wholly situated within the 100-year floodplain will be required to participate in the National Flood Insurance Program.

HPD is interested in alternatives and public perceptions of possible adverse impacts that could result from these projects as well as potential mitigation measures. The activities will occur in areas served by existing infrastructure. All interested persons, groups and agencies are invited to submit comments regarding the proposed use of federal funds to support a project located in a floodplain. Written comments

should be sent to HPD at 100 Gold Street, New York, NY 10038, Attn: Patrick Blanchfield, Director of Environmental Planning, Office of Development, Room 9I-7. Comments may also be submitted electronically to nepa_env@hpd.nyc.gov. All comments must be received on or before the 15th day following the date of this notice.

COMMUNITY DEVELOPMENT BLOCK GRANT – DISASTER RECOVERY PROGRAM

FINAL NOTICE AND PUBLIC EXPLANATION OF A PROPOSED ACTIVITY IN A 100- YEAR FLOODPLAIN

To: All Interested Agencies, Groups, and Individuals:

This publication gives notice that the City of New York has conducted an evaluation of several proposals under the United States Department of Housing and Urban Development's (HUD) Community Development Block Grant-Disaster Recovery (CDBG-DR) grant, as required by Executive Order 11988 in accordance with HUD regulations 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management. This evaluation is made to determine the potential affect that proposed activities in the floodplain will have on the human environment.

Through the "Disaster Relief Appropriations Act, 2013" (Public Law 113-2, January 29), the City's initial allocation of CDBG-DR funds is \$1,772,820,000. Of this total, the City has allocated \$648 million in funding for assistance to address the various unmet housing needs. The focus of this notice is the NYC Build-It-Back: Multi-Family Building Rehabilitation Program, which will be administered by the Department of Housing Preservation & Development (HPD). Of the initial \$648 million of CDBG-DR allocated to housing, \$215 million would be provided to HPD for the rehabilitation of multifamily buildings (5+ units) and 3-4 unit properties that are not owner-occupied. The properties shown below are subject to this public notice:

Proposed Action in the Floodplain:

Under the Multifamily Building Rehabilitation Program, actions may include repair to structure and grounds; elevation of facilities including electrical, mechanical, plumbing and elevator equipment to the extent practicable; and in the event of substantial damage and substantial improvement, modifying structures to elevate residential use above the base flood elevation. Specific project descriptions for the properties which are subject to this notice are contained below:

148 Beach 94th Street, Queens

This 3 story converted Victorian house with seven units sustained 5 feet of flood water in the basement, which included recreation spaces for two of the residential units and living space for one unit. Owner has completed major work on boiler and hot water heaters, as well as roofing and windows, drywall/baseboards, insulation, rewiring and installation of new electrical fixtures, new doors and painting. The repair scope includes further work on exterior masonry and fascia, replacing drywall and doors, additional electrical work, and painting. The mitigation scope may include dry flood-proofing

measures to elevate building systems (heating, hot water, electrical) and wet flood-proofing measures to prevent water intrusion. Other mitigation items may include measures such as backup building systems and flood barriers, as cost feasible.

160 Beach 116th St., Queens

This 34-unit, single room occupancy rental building sustained both interior and exterior damage from wind and flood waters. The proposed repair and mitigation scope includes: replacing the exterior shingles and insulating the exterior walls; cleaning, air sealing, and insulating the attic cavity; remodeling the bathrooms, making several accessible to comply with Section 504; replacing windows; moving the electrical panel from the basement to the first floor; and rebuilding the exterior shed to house a boiler currently located in the basement.

147 Beach 59th St., Queens

This 11-unit rental building sustained significant storm damage, resulting in 5 units being rendered uninhabitable. The proposed repair and mitigation scope includes: repairing the laundry room and common lobby areas; replacing laundry machines, appliances, and other damaged fixtures; adding an additional residential floor on top of the existing structure; a full gut rehabilitation of damaged units, which will involve restructuring the first floor for non-residential use.

215 Beach 117th St., Queens

This building has five rental units, one owner-occupied, on three above-ground floors, and one basement unit that was not occupied at the time of the storm and that will be reconstituted as storage. Owner has replaced meters, wiring and boiler, and has repaired first-floor units and back porch, work for which reimbursement is proposed. Scope of repairs still to be made includes replacing roof, siding, and garage roof, and restoration of basement and front porch.

180 Beach 117th Street, Queens

This 7 story rental building is located about 300 yards off the beach and was inundated with 8ft of water on the ground floor (no basement) during the flood surge of Hurricane Sandy. The proposed repair and mitigation scope includes: replacing interior flooring, doors, stairs and exterior fencing, cracked pavement and removal of dead shrubbery; structural damage in the façade and garage need to be repaired; elevator and elevator doors need repair and/or replacement; walls on first floor have puckering and should be treated and repainted; first floor radiators, compactor, boiler shell, and breeching need to be replaced; and replacement or repair of fire escapes. Resilience expenditures include: new high capacity sump pumps and enlarged sump pits, waterproofing or relocation of critical building systems including boiler, electrical panel, compactor rooms, offices, and residential units; generators and emergency lighting; replacement of both the building and garage roof; Metal reglet terminating flashing should be replaced on building and garage roof.

102-00 Shore Front Pkwy, 191 Beach 102 Street, 190 Beach 105 Street, Queens

The property consists of 7 buildings containing an aggregate of 1758 cooperative dwelling units. The flood repair and mitigation scope includes repairs and replacement of affected building systems, including emergency electric service and breakers, boilers, plumbing, HVAC, and other wet and dry flood proofing, as feasible.

301 East 99th Street, Manhattan

Metro East 99th is a new 10-story, 176-unit supportive housing building currently under construction. It is located adjacent to Metropolitan Hospital Campus at 99th Street and 2nd Avenue and will provide permanent supportive housing to patients now living in the soon-to-be-decommissioned Goldwater Hospital on Roosevelt Island. The property is currently 53% construction complete. In response to Superstorm Sandy, the property implemented mitigation measures to waterproof and elevate the ground floor. The mitigation scope also includes the installation of an emergency generator and all associated electrical components.

220 East 7th St., Manhattan

This 15-unit supportive housing rental building sustained damage to the elevator during Superstorm Sandy. The elevator controls were housed in the basement, which flooded with approximately 3 feet of water during the storm. Damage to several of the other building systems also occurred. Work has been contracted and is scheduled to be completed by the end of the year. Reimbursement for this work is proposed.

621 Water St., Manhattan

This 124-unit supportive housing rental building sustained damage to floors, ceilings, electrical equipment, radiators, pumps, and the trash compactor. The building's commercial-grade kitchen, used to prepare meals for residents, was also destroyed by the storm. Work has been contracted and is scheduled to be completed by early 2014. Reimbursement for this work is proposed.

2675 West 36th Street, Brooklyn

The property consists of one 13 story tower and twenty-four attached townhomes containing a total of 148 cooperatively owned residential units. The entire first floor of the tower and townhomes were damaged by flood water, including 26 residential units and one superintendent's unit, the community room, lobby, the boiler, elevator pit, and much of the first floor mechanical, electrical, and plumbing systems. The flood repair and mitigation scope includes gutting and repairing all areas damaged on the first floor including the affected components of the mechanical, electrical and plumbing systems; replacement of the boiler and relocation to either the roof, a separate structure, or elevating the boilers

in the existing boiler room; relocation of the electrical system, sealing of air conditioner vents on the ground floor, and potential installation of a back-up generator.

66 Sullivan Street, Brooklyn

This 4-story, six-unit, four-story apartment building sustained flooding in the basement up to the ceiling. Owner has completed repairs including rewiring and replacing electrical system and fixtures, exterior doors, water heater, baseboards, and floor tile. The repair scope includes windows, doors, basement floors and baseboards, wall studs, drywall, insulation, plumbing fixtures, heating system, and painting. The mitigation scope may include dry flood-proofing measures to elevate building systems (heating, hot water, electrical) and wet flood-proofing measures to prevent water intrusion. Other mitigation items may include measures such as backup building systems and flood barriers, as cost feasible.

214 Bay 44th Street, Brooklyn

Property is a four-story 18 unit townhouse-style co-operative apartment building. Flood waters reached over 7 feet on garage level and damaged mechanical devices in parking lot. Roof also sustained wind damage. The co-op board has completed repairs to major electrical systems, garage doors, and roof. The repair scope includes sump pump and motor, additional electrical work (rewiring and fixtures), drywall, doors, and painting. The mitigation scope may include dry flood-proofing measures to elevate building systems (heating, hot water, electrical) and wet flood-proofing measures to prevent water intrusion. Other mitigation items may include measures such as backup building systems and flood barriers, as cost feasible.

465 Buel Avenue, Staten Island

Property is a two-story 20 unit apartment building. Basement was flooded with over 7 feet of water, and roof sustained wind damage. Owner has already completed roof repairs, replaced hot water heaters and several doors. The repair scope includes drywall, baseboards, insulation, electrical systems and fixtures, fire suppression system and pumps, hot water heaters, doors, and painting. The mitigation scope may include dry flood-proofing measures to elevate building systems (heating, hot water, electrical) and wet flood-proofing measures to prevent water intrusion. Other mitigation items may include measures such as backup building systems and flood barriers, as cost feasible.

Public Explanation of a Proposed Activity in the 100-Year Floodplain:

The City of New York has carried out the procedures required by Executive Order 11988 on Flood Plain Management including the consideration of a no-action alternative, to avoid adverse effects and incompatible development in the floodplain. A no-action alternative would not achieve the City's goals of restoring the health and safety of hurricane-damaged multi-family housing for its residents, nor would it promote planning and implementation of resilience measures to mitigate damage from future weather extremes. Residents would continue to be displaced from their homes located in the floodplain, live in damaged, unsafe, and unsanitary housing within the hurricane-damaged neighborhoods or seek shelter elsewhere. Poor structural integrity of hurricane-damaged buildings within the floodplain would put residents at a greater risk should a flood event occur, especially if buildings do not meet current elevation requirements. Storm debris fields on the properties of residential buildings would potentially remain unaddressed, also posing a threat to public health and water quality.

The City has considered alternatives and mitigation measures to be taken to minimize adverse impacts and to restore and preserve natural and beneficial values of the floodplain. It therefore proposes to support the projects because there is no practicable alternative to develop the projects totally outside the floodplain. To minimize potential harm to the floodplain, HPD will require that the projects implement the following mitigation measures:

- 1) Property owners will be required to purchase and maintain flood insurance for the life of the property or the term of federal assistance; and
- 2) All alterations and repair work must comply with the NYC Department of Buildings requirements for flood-resistant construction (Appendix G of the 2008 Building Code) and resiliency/mitigation measures described above will be implemented as practicable.

This notice is required by Section 2(a)(4) of Executive Order 11988 for Floodplain Management and is implemented by HUD Regulations found at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management. All interested persons, groups and agencies are invited to submit written comments regarding the proposed use of federal funds to support activities located in a floodplain. Written comments should be sent to HPD at 100 Gold Street, New York, NY 10038, Attn: Patrick Blanchfield, AICP, Director of Environmental Planning, Office of Development, Room 9I-7. Comments may also be submitted electronically to nepa_env@hpd.nyc.gov. The minimum 7 calendar day comment period will begin the day after the publication and end on the 8th day after the publication. All comments should be received by HPD on or before December 14th, 2013.
