#### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs) released Fall 2013 and later, vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. To establish this, the City of New York is using the innovative procurement method, as permitted and in accordance with Section 3-12 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"). The new process will remove redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding will be more focused on program design, scope, and budget.

In advance of the release of the RFP, the agency has developed a Concept Paper that outlines the agency's goals and approach to enabling facilities that serve uninsured, high risk populations of young women to increase Chlamydia and Gonorrhea screening and treatment.

The Concept Paper will be posted on DOHMH's website at http://www.nyc.gov/html/doh/html/vendors/acco-home.shtml.
