With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

Department for the Aging (DFTA)

Department of Consumer Affairs (DCA)
Department of Corrections (DOC)

Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS)

Department of Probation (DOP)

Department of Small Business Services (SBS)

AGENCY RULES

TRANSPORTATION

■ NOTICE

NOTICE OF ADOPTION OF RULE RELATING TO SPEED LIMITS.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of Transportation by Sections 1043(a) and 2903(a) of the New York City Charter and in accordance with the requirements of Section 1043 of the New York City Charter, that the New York City Department of Transportation hereby amends Section 4-06 of Title 34 of the Rules of the City of New York. This rule was first published on November 7, 2014, and a public hearing was held on December 10, 2014. This rule shall take effect 30 days from the date hereof.

Statement of Basis and Purpose of Rule

On February 18, 2014, Mayor de Blasio launched the Vision Zero action plan – an ambitious plan to reduce traffic fatalities in New York City. Vision Zero accepts no traffic fatality as inevitable. Vision Zero allows government agencies, industry groups, key transportation stakeholders and the public to understand traffic crashes as the result of a series of actions that can be changed or prevented through enforcement, education and design.

The rule amends Section 4-06 of Title 34 of the Rules of the City of New York, which relates to speed limits. The purpose of the rule is to update the speed limit rule to correspond with the change to the citywide speed limit. Local Law 54 of 2014, which took effect on November 7, 2014, amended Section 19-177 of the New York City Administrative Code to reduce the official citywide speed limit from thirty miles per hour to twenty-five miles per hour. This local law change was pursuant to the authority provided by Section 1642(a)(26) of the New York State Vehicle and Traffic Law, which was also recently amended.

DOT's authority for this rule is found in Sections 1043(a) and 2903(a) of the New York City Charter.

New material is underlined.
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this Department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Section 4-06 of Title 34 of the Rules of the City of New York is amended to read as follows:

- (a) Maximum speed limits and basic rule.
 - (1) No person shall drive a vehicle at a speed greater than [thirty] twenty-five miles per hour except where official signs indicate a different maximum speed limit.
 - (2) Where official signs are posted indicating a maximum speed limit, no person shall drive a vehicle at a speed greater than such maximum speed limit.
 - (3) Reserved.

Therefore, for deliveries after January 1, 2014, the contractor will be collecting additional fees which will be shown as a separate line item on the invoice. The additional fee for items will range from \$0.05 for B5 to \$0.20 for B20 per gallon, varying on the percentage of biodiesel to be used. Should the tax credit be extended, this additional fee will be discontinued and removed from the invoice.

Information and qualification must be published in the solicitation and proceedings and the solicitation are seen to the control of the five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.
