<u>Title 62: Department of City Planning</u> <u>Chapter 4: Procedures for New York City Waterfront</u> <u>Revitalization Program (WRP) Consistency Review by the City</u> <u>Coastal Commission and the Department of City Planning</u>

§4-01 Applicability.

This chapter sets forth the procedures applicable to the review of actions located in the New York City Coastal Zone by the City Planning Commission (the Commission), in its capacity as the City Coastal Commission (ICCC), and by the Department of City Planning (the Department) as provided in the WRP. Three separate categories of actions are subject to such review process:

- (a) Local discretionary actions that are classified as Type 1 or Unlisted pursuant to the
- (b) State Environmental Quality Review Act (SEQRA) or City Environmental Quality Review (CEQR);
- State actions that are subject to WRP consistency review by (c) the relevant state agency pursuant to the applicable laws and regulations referenced in subdivision b of Section 4-03 of this chapter;
- (d) Federal direct actions, permit and license actions, and financial assistance actions that are subject to WRP consistency review by the New York State Department of State (DOS) for the relevant Federal agency pursuant to the applicable laws and regulations referenced in Subdivision b of Section 4-03 of this chapter.

The Department's or the CCC's review of State and Federal actions, as referenced herein, is advisory and for the purpose of consultation in accordance with State and Federal laws and regulations.

<u>§4-02 CCC and Department Review.</u> As the administrator of the WRP with the CCC, the Department will be responsible for coordinating all WRP consistency reviews. The Department will evaluate all actions covered by Section 4-01 of this chapter to determine which warrant CCC review, in accordance with the criteria set forth in this section. The Department will review all actions covered by this chapter that do not warrant CCC review. The CCC will review:

- (a) Local actions that are subject to Commission approval pursuant to the Uniform Land Use Review Procedure (ULURP) or other provision of the City Charter, including those for which the Commission is the designated CEQR lead agency; and
- Local, State or Federal actions which, in the Department's (b) view, would substantially hinder the achievement of one or more policies or purposes of the WRP.

§4-03 Reviews for Consistency with the WRP.

- Local actions. Except as provided in section 4-04(a) of this a) chapter, no CEQR lead agency may make a final decision to approve an action unless and until such agency, or the CCC when the lead agency is the Commission, finds that such action will not substantially hinder the achievement of any WRP policy and determines that the action is consistent with the WRP, in accordance with the standards set forth in the WRP and with CEQR Technical Manual guidelines for conducting a WRP consistency assessment. When the lead agency is other than the Commission, the Department must concur with such finding.
 - Local actions subject to Commission approval. The CCC's review of actions for consistency with the WRP is (1)incorporated into the Commission's existing review procedures pursuant to ULURP or other provision of the Charter, or pursuant to CEQR.
 - (2) Local actions not subject to Commission approval.

CD 9

^{* * *}

- (i) The CEQR lead agency shall provide the Department with its draft Environmental Impact Statement (EIS) or draft Environmental Assessment Statement (EAS), whichever is applicable, containing the agency's draft WRP consistency assessment, at the earliest possible date, and in no event less than thirty (30) days before issuance of a Negative Declaration, a Conditional Negative Declaration or, if the agency has prepared a draft EIS, a Notice of Completion. The Department may request additional information to assist in the evaluation of the proposed action, which the agency shall promptly provide.
- (ii) Within thirty (30) days of receipt of the lead agency's draft WRP consistency assessment, the Department will notify the lead agency as to whether the Department concurs or does not concur with the proposed consistency determination and will provide written comments on the assessment, if any.
- (iii) When the lead agency has prepared an EAS, if the Department is properly notified of such agency's consistency assessment and determination and does not respond to such agency in writing within thirty (30) days of receipt, the lead agency may deem its consistency determination to have been accepted by the Department.
- b) State and Federal actions. The coordination of the Department's or the CCC's review of State and Federal actions with the relevant state agency and DOS, respectively, including review periods and the procedures for transmission of comments and findings, shall be in accordance with the relevant State and Federal laws and regulations, including Article 42 of the New York State Executive Law (§§910 through 922) and 16 U.S.C. §§ 1451 et seq, respectively, and shall follow the guidelines for notification and review of Federal and State actions, which are appended to the WRP.
- c) For all actions, where an inconsistency with one or more policies or purposes of the WRP has been identified, the Department or the CCC, as applicable, may recommend alternatives or modifications to the action or mitigation measures in order to avoid or minimize the inconsistency. If, in the Department's or the CCC's view, an inconsistency presents a substantial hindrance to the achievement of one or more policies or purposes of the WRP, the provisions of Section 4-04 shall apply.
- d) Public Notice. All actions will be subject to any applicable procedures for public notice for the action under review. There are no additional public notice or participation requirements pursuant to this chapter.

§4-04 Substantial Hindrance to the WRP.

- a) Local actions.
 - (1) Local actions subject to Commission approval. The Commission may not approve an action that will substantially hinder the achievement of one or more policies or purposes of the WRP, unless, in its capacity as the CCC, it makes the following four findings:
 - i. No reasonable alternatives exist which would permit the action to be taken in a manner which would not substantially hinder the achievement of such policy;
 - ii. The action taken will minimize all adverse effects on such policies to the maximum extent practicable;
 - iii. The action will advance one or more of the other coastal policies; and
 - iv. The action will result in an overriding local or regional public benefit.
 - (2) Local actions not subject to Commission approval. A CEQR lead agency may not approve an action that will substantially hinder the achievement of one or more policies or purposes of the WRP unless it makes the four findings in paragraph 1 of this subdivision with the concurrence of the CCC.

Where the findings set forth in Paragraph 1 of Subdivision b are met, the action shall be deemed consistent with the WRP.

b) State and Federal actions. The CCC shall provide an advisory determination as to whether, the four findings set forth in Paragraph 1 of Subdivision b are met. The Department shall transmit the CCC's findings to the relevant state agency or

DOS for the purpose of consultation in accordance with the WRP and applicable State and Federal laws, regulations and published guidelines, as referenced in Subdivision b of Section 4-03 of this chapter.

Statement of Basis and Purpose of Proposed Rule

The Federal Coastal Zone Management Act (16 U.S.C., CZMA) was enacted by Congress on October 27, 1972 to encourage coastal states to develop comprehensive programs to manage and balance competing uses of and impacts to coastal resources. New York State developed and received approval of its Statewide Coastal Management Program (CMP) in 1982. Article 42 of the Executive Law, entitled Waterfront Revitalization of Coastal Areas and Inland Waterways is the main statute that implements the State CMP by establishing the:

- Boundaries of the Coastal Area within which the CMP applies;
- Statewide policies that would be enforceable on all State agencies which address significant coastal issues and manage resources along the State's coastline;
- Authorization for localities to prepare and adopt local waterfront revitalization programs which in turn, would provide more detailed implementation of the State's Program.

New York City adopted a local waterfront revitalization program (WRP), to more specifically define the New York City Coastal Zone Boundary and local coastal area management policies pursuant to which applicable Local, State and Federal projects or actions within the Coastal Zone must be reviewed for consistency. Section 192(e) of the City Charter (Charter) provides that the City Planning Commission (the Commission) "shall oversee implementation of laws that require environmental reviews of actions taken by the city" and that the Commission "shall establish by rule procedures for environmental reviews of proposed actions by the city Charter provides that the director of the Department of City Planning (the Department) shall "provide staff assistance to the City Planning Commission in all matters under its jurisdiction." The WRP designates the City Planning Commission as the City Coastal Commission (CCC), which is, with the Department, responsible for administering the WRP for New York City.

The Department, on behalf of the Commission, is proposing to amend Chapter 4 (City Coastal Commission Procedures) of Title 62 of the Rules of the City of New York (Rules) pursuant to its authority under Sections 191(e) and 191(b)(2) of the New York City Charter. The purposes of the proposed amendments may generally be described as follows:

- (1) make the rule consistent with State procedures in terms of the local discretionary actions to which it applies;
- (2) streamline the threshold for when the Department will refer State and Federal actions to the CCC for review, which threshold shall also be applied to local actions that do not otherwise come before the Commission;
- (3) reestablish and clarify the role of the Department and CCC in local actions subject to City Environmental Quality Review (CEQR) but not subject to Commission approval;
- (4) and remove from the existing rule outdated references and other provisions regarding internal or inter-agency procedures.

Specifically, the proposed amendments will ensure that the Department or the CCC reviews all local discretionary actions located within the Coastal Zone as provided in the WRP, for their consistency with the WRP. In addition, because under the current rule there are some local discretionary actions which require Commission approval but which are not subject to CEQR, the proposed rule clarifies that the local discretionary actions subject to WRP review only include those classified as Type I or Unlisted under the State Environmental Quality Review Act (SEQRA) and, thus, subject to CEQR, consistent with the intent of the WRP as well as State practice in terms of how it undertakes WRP consistency reviews of its actions subject to SEQRA. Also, as provided in the WRP and as reflected in the existing rule, the Department or the CCC will continue to provide an advisory analysis of State and Federal actions which are subject to State or Federal consistency review using the coastal policies in the WRP by the relevant state agency or the New York State Department of State (DOS) or the relevant Federal agency, and will convey any related comments and findings to the state agency or DOS for the purpose of consultation, in accordance with relevant State and Federal laws and regulations.

Also, there are currently four thresholds in the existing rule for Federal and State actions which, if met, require review by the Commission, as CCC, and the Department reviews all others. These thresholds are proposed to be streamlined into a single threshold for Federal and State actions, as well as for local actions that do not otherwise come before the Commission for approval. Actions that the Department believes present a substantial hindrance to one or more policies of the WRP must be referred to the Commission, as CCC. When a substantial hindrance has been identified, local actions may not be approved unless or until the CCC finds, or concurs with the CEQR lead agency's finding, that the following four requirements, as set forth in the approved WRP, are met:

- (1) no reasonable alternatives exist that would permit the action to be taken in a manner which would not substantially hinder the achievement of such policy;
- (2) the action taken will minimize all adverse effects on such policies to the maximum extent practicable;
- (3) the action will advance one or more of the other coastal policies; and
- (4) the action will result in an overriding local or regional public benefit.

Such finding shall constitute a determination that the action is consistent with the WRP. With respect to State and Federal actions, the Department will transmit the findings of the CCC to the relevant state agency for state consistency and DOS for Federal consistency for the purpose of consultation.

The proposed rule also adds references to State and Federal regulations to ensure that the inter-agency coordination of WRP consistency review, including the resolution of conflicts, occurs in accordance with those regulations and any applicable guidance, such as the guidelines for notification and review of Federal agency and New York State agency actions appended to the approved WRP. Finally, any provisions regarding intra-agency coordination between the Department and the CCC and other "in-house" standards are proposed to be removed from the rule, and references to the no longer extant Board of Estimate are proposed to be removed.

AGENCY RULES

CITYWIDE ADMINISTRATIVE SERVICES

■ NOTICE

Notice of Adoption of Rules related to the implementation of a reimbursement program for qualifying nonpublic schools that procure certain security services.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of The Department of Citywide Administrative Services by Section 811 of the New York City Charter and Sections 10-172(c) and 10-172(m) of the Administrative Code of the City of New York and in accordance with the requirements of Section 1043 of the New York City Charter, that the Department of Citywide Administrative Services hereby adds a new Chapter 14 to Title 55 of the Rules of the City of New York.

These rules were first published on May 25, 2016, and a public hearing was held on June 27, 2016.

Statement of Basis and Purpose of Rules

On January 5, 2016, Local Law 2 of 2016 ("the Law") was enacted. The Law empowers the Mayor of the City of New York ("the Mayor") to authorize a program to reimburse qualifying nonpublic schools for the cost of procuring certain security services. By letter dated March 30, 2016, the Mayor authorized this reimbursement program for the 2016-17 school year. The Law also authorizes the Mayor to designate an agency or agencies to administer the reimbursement program. By letter dated March 10, 2016, the Mayor designated the Department of Citywide Administrative Services ("DCAS") as the Law's administering agency. Finally, the Law authorizes DCAS to promulgate rules for the administration of the reimbursement program. These rules:

- Set forth the criteria and process governing the selection of qualified providers of security services;
- Define the eligibility criteria applicable to nonpublic schools that seek to participate in the reimbursement program; and
- Establish a process for schools to obtain reimbursement for procuring security guard services.

DCAS's authority for these rules is found in Sections 811 and 1043 of the New York City Charter and Sections 10-172(c) and 10-172(m) of the Administrative Code of the City of New York.

In response to comments received following the publication of the proposed rules, the following changes were made to the proposed rules, which are reflected in the adopted rules:

- Moved the insurance requirement from Section 14-02(b)(7) to Section 14-05(c), and added a requirement for Security Guard Companies to obtain worker's compensation, employer's liability and disability benefits insurance;
- Added a requirement that Security Guard Companies retain records supporting their payment of prevailing wages and supplements to Section 14-02(h);

- Added a definition of pre-kindergarten students to Section 14-03(ii);
- Revised the start date for the school's eligibility to seek reimbursement in Section 14-05(a); and
- Clarified that additional training requested by participating schools is not eligible for reimbursement in Section 14-06(c).

New material is underlined.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department unless otherwise specified or unless the context clearly indicates otherwise.

Adopted Rules

Section 1. Title 55 of the Rules of the City of New York is amended by adding a new Chapter 14 to read as follows:

CHAPTER 14

SECURITY GUARDS AT NONPUBLIC SCHOOLS

<u>\$14-01</u> Definitions. As used in this chapter, the followings terms have the following meanings. Capitalized terms used in this chapter that are not specifically defined in this section have the same meanings set forth in Administrative Code § 10-172(a).

<u>Department. The term "Department" means the Department of Citywide Administrative Services.</u>

HHS Accelerator. The term "HHS Accelerator" means the office that facilitates, on behalf of the Department, the application process for nonpublic schools that seek to participate in the Reimbursement Program and the payment process for qualifying nonpublic schools that participate in the Reimbursement Program.

The term "Reasonable Costs" means administrative expenses of a Security Guard Company, including overhead, profit, equipment, supplies and uniform expenses, which are deemed reasonable by the Department. Such reasonable expenses may not exceed twenty-five percent (25%) of the wages earned by the Security Guard Company's Security Guards at any given school in any given quarter pursuant to the Reimbursement Program.

<u>Reimbursement Program. The term "Reimbursement Program"</u> means the nonpublic school security guard reimbursement program authorized by the Mayor pursuant to Administrative Code § 10-172(b).

School Security Administrator. The term "School Security Administrator" means a person, appointed by the Dean, Principal, Administrator or governing body of a qualifying nonpublic school that participates in the Reimbursement Program, who provides oncampus supervision to the Security Services provided pursuant to the Reimbursement Program.

§ 14-02 Security Guard Companies; Application for Inclusion on the Qualified Provider List.

- (a) Application. Pursuant to Administrative Code § 10-172(d), the Department will seek to develop a Qualified Provider List of Security Guard Companies. A Security Guard Company that seeks inclusion on the Qualified Provider List must apply by completing an application on a form prescribed by the Department and must satisfy all provisions of this section. A Security Guard Company must answer all questions set forth in the application.
 - (i) The application for inclusion on the Qualified Provider List shall be made continuously available on the Department's website. A Security Guard Company may apply for inclusion on the Qualified Provider List at any time.
 - (ii) In addition, the Department will publish invitations to apply for inclusion on the Qualified Provider List periodically in the City Record, but not less than twice per year. Upon each such publication, the Department will publish the invitation in five consecutive editions of the City Record and shall post the invitation on the Department's website.
 - (iii) Once created, the Qualified Provider List shall be made continuously available on the Department's website.
- (b) *Qualifications*. A Security Guard Company that seeks inclusion on the Qualified Provider List must meet the following requirements:
 - (i) be fully licensed pursuant to Article 7-A of the New York State General Business Law and rules and regulations promulgated thereunder by the New York Secretary of State;

A responsive application is one that complies with all material terms and conditions of the application, including providing required documentation.
- (d) If the ACCO determines the application is not responsive, the ACCO will notify the Security Guard Company by electronic mail within 30 days of receipt of the application. If the Security Guard Company fails to respond with all material terms and conditions, including supplying required documentation, within 60 days of receipt of its application, the application may be denied as nonresponsive. A denial for non-responsiveness does not preclude the Security Guard Company from reapplying to the Department.
- (e) The Qualified Provider List shall be comprised of responsible. Security Guard Companies only. A Security Guard Company must affirmatively demonstrate its responsibility.
 - (i) <u>A responsible Security Guard Company is one which can</u> perform fully the program requirements and also has the business integrity to justify the award of public tax dollars.
 - (1) Factors affecting a Security Guard Company's responsibility may include:
 - A. financial resources;
 - B. technical qualifications;
 - C. experience;
 - D. a satisfactory record of performance; and
 - E. a satisfactory record of business integrity.
 - (2) Failure of a firm to provide relevant information regarding the Security Guard Company's responsibility specifically requested by the ACCO may be grounds for a determination of non-responsibility.
 - (3) A Security Guard Company that has performed unsatisfactorily in the provision of services to the City shall be presumed to be non-responsible, unless the ACCO determines that the circumstances were beyond the company's control or that the company has taken appropriate corrective action. Past failure to apply sufficient tenacity and perseverance to perform acceptably is strong evidence of non-responsibility.
 - (ii) Making the Responsibility Determination.
 - The ACCO shall use the following sources of information to support determinations of responsibility or nonresponsibility:
 - <u>A.</u> the VENDEX database of debarred, suspended, and ineligible contractors;
 - <u>B.</u> <u>VENDEX and other records of evaluations of</u> performance, as well as verifiable knowledge of contracting and audit personnel;
 - C. determinations of violations of employment-related federal, state, or local law or executive order, including but not limited to those relating to equal employment opportunity, prevailing wage, workplace health and safety, employee benefits, and employee wages and hours;

The application will be on a form prescribed by the Department and will be accessed through HHS Accelerator. For the 2016-17 school year, the

deadline to submit a completed application is November 1, 2016. For any subsequent school year in which the Reimbursement Program is authorized, the deadline to submit a completed application is October 15. - (ii) The application will require the school to provide the number of students enrolled at the school, which may include prekindergarten students who will be four years of age on or before December 1, or who will otherwise be eligible to attend kindergarten in the following school year. To participate in the Reimbursement Program a school must be a Qualifying Nonpublic School pursuant to Administrative Code § 10-172(a) and must enroll at least 300 students. The determination of the Commissioner or the Commissioner's designee shall be a final agency determination.

§ 14-04 Nonpublic Schools; Memorandum of Understanding

If the Department notifies a school that it qualifies to participate in the Reimbursement Program, the Department shall also provide a Memorandum of Understanding ("MOU") regarding the school's participation in the Reimbursement Program. Each school must enter into a MOU with the City of New York, acting by and through the Department, before the school may receive funds through the Reimbursement Program. Upon execution of the MOU, such MOU shall take effect in accordance with applicable law.

<u>§ 14-05</u> <u>Nonpublic Schools and Security Guard Companies;</u> <u>Program Administration</u>

- (a) Start Date. The School Security Administrator may report any concerns regarding a Security Guard Company to the Department.
- (e) <u>Requirements of Security Guard Companies. A Security Guard</u> Company that is retained to provide Security Services must:
 - (i) <u>furnish distinctive, appropriate, and complete uniforms to</u> <u>each Security Guard assigned to such school. All Security</u> <u>Guards must report for duty wearing a complete uniform;</u>
 - (ii) ensure that each Security Guard assigned to the school has satisfactorily completed training programs in compliance with Section 89-n of Article 7-A of the General Business Law and Section 14-06 of the Rules;
 - (iii) ensure that each Security Guard assigned to the school has no physical conditions that would hamper the performance of assigned duties;

All security personnel assigned to a school must report for duty bearing all assigned equipment. The School Security Administrator must approve all equipment prior to use. Such systems and accessories must:
 - (1) permit each guard to communicate with the School Security Administrator and any other guards assigned to the school; and

- (f) Incident Reporting.
 - (i) Each Security Guard assigned to the school must document criminal activity and other significant incidents related to public safety that occur while the Security Guard is on duty. Each school is responsible for maintaining such documentation and for promptly reporting criminal activity to the New York City Police Department and other significant incidents related to public safety to any other government agency, where appropriate.
 - (ii) The School Security Administrator must submit an annual report to the Department that summarizes all criminal activity and other significant incidents related to public safety that are documented by its Security Guards.

<u>§ 14-06</u> Security Guard Companies; Training

- (a) Security Guard Companies must ensure that all Security Guards receive training pursuant to the Article 7-A, Section 89-n of the General Business Law. Consistent with such requirements, a Security Guard must receive:

 - (ii) <u>Refresher Training</u>: During each year that a Security Guard takes part in the Reimbursement Program, such Security Guard must complete a minimum of 8 hours of training that specifically addresses the provision of security services to youths and in school environments.
- (b) Security Guard Companies must maintain current records for each Security Guard regarding the training that such guard has completed. The school may request a copy of such records at any time.
- (c) Nothing contained in this section shall preclude a school from requiring additional training suited to its particular needs. However, such additional training will not be eligible for reimbursement to the schools.

<u>§ 14-07</u> <u>Nonpublic Schools; Allowable Costs and</u> <u>Reimbursements</u>

- (a) <u>Number of Guards.</u>
 - (i) A school that enrolls between 300 and 499 students may be reimbursed for Allowable Costs with regard to one (1) Security Guard; a school that enrolls between 500 and 999 students may be reimbursed for Allowable Costs with regard to two (2) Security Guards; and a school may be reimbursed for Allowable Costs with regard to an additional Security Guard for each additional 500 students enrolled in such school. Reimbursement for the Security Services provided by each Security Guard during periods of school-related instruction or school-related events may include the cost of different individuals providing Security Services at different times.
 - (ii) When calculating the number of students enrolled at a school, each school that has been assigned a code by the New York State Education Department will be considered distinct. The number of students at schools with distinct codes, even if such schools are contractually or otherwise related, will not be considered for the purposes of determining the number of guards pursuant to this subdivision.
 - (iii) The Department will adjust payments, including recoupment, based on verification of the school's enrollment information by the New York State Education Department.

- (b) Wages. The Department shall reimburse for Security Services only if each Security Guard is paid on an hourly basis no less than the prevailing wage and supplements in the City for unarmed guards as determined by the Comptroller of the City of New York pursuant to New York State Labor Law § 234.
- (c) School-Related Instruction and Events. The Department shall reimburse for Security Services provided during school-related instruction or school-related events. School-related events shall not include private functions or activities that are not primarily directed to students. Schools are required to maintain records containing a description of school-related events for which reimbursement is requested.
- (d) <u>Overtime</u>. The Department shall reimburse for overtime costs for Security Services provided during school-related instruction and school-related events that do not exceed fifteen percent of the nonovertime wages of Security Guards reimbursed to the school during any given quarter.
- (e) <u>Reasonable Costs. Each Security Guard Company may charge</u> <u>Reasonable Costs to each school for administrative expenses. The</u> <u>Department shall reimburse the school for such costs.</u>
- (f) Payments. The Department shall provide reimbursements on a quarterly basis after receiving satisfactory proof from the school of compliance with the requirements set forth in these Rules. Satisfactory proof must be submitted through HHS Accelerator, and must include, but not be limited to, certified invoices, payroll records, timesheets, and work assignment data from Security Guard Companies and, when applicable, an annual report of incidents as required by Section 14-05(f) of the Rules. All invoices must be signed by an authorized signatory, or their successor, identified in the application submitted by each school.
- (g) Budget. If the Department anticipates that schools will submit reimbursement claims in excess of available funds for a given school year, the Department shall reimburse each school on an equitable basis until such funds are exhausted. The Department will notify each school promptly if such a determination is made.

<u>§ 14-08</u> Nonpublic Schools; Compliance and Auditing

- (a) <u>Records Retention</u>. Each school must retain all records supporting its reimbursement claims for seven (7) years. Such records include, but not are not limited to, invoices, payroll records, timesheets, and work assignment data from Security Guard Companies and annual reports of incidents as required by Section 14-05(f) of the Rules.
- (b) Submission of Records. Each school must submit all records supporting its reimbursement claims through HHS Accelerator including, but not limited to, certified payroll records, invoices, and time sheets, which include the name, address, and unique employee identification number of each Security Guard.
- (c) Audit. The school must produce any and all original books, reports, financial statements, vouchers, records, payroll records, time sheets, and work assignment data pertaining to the reimbursement claims, whether those documents are maintained in hard copy or electronically. Such records must be made available for inspection at the offices of the Department or on the premises of the school. The school must gather any and all documents pertaining to its reimbursement claims, including, but not limited to, documents describing school-related activities at which Security Services were provided.
- (d) <u>Visits to Schools.</u> IA may visit the school to review records and interview staff, contractors, and subcontractors in furtherance of IA's audit of the reimbursement claims. The school must cooperate with IA during such visits. These visits may be unannounced.
- (e) <u>Records Review.</u> IA may review documents on the premises of the school and may make and remove copies of records for auditing purposes.
- (f) Findings. IA shall report the findings of its audit and recommendations to the Department for any action it deems appropriate. A school's failure to comply with these Rules may result in disqualification from the Reimbursement Program. The Department may, in its sole discretion, share the findings of the audit with the school or other government entities. Nothing set forth herein shall limit the ability of the Comptroller of the City of New York or the New York City Department of Investigation to obtain and review a school's records.

STATEMENT OF SUBSTANTIAL NEED FOR EARLY IMPLEMENTATION

I hereby find, pursuant to Section 1043(e)(i)(c) of the New York City Charter, that there is a substantial need for earlier implementation of

rules to reimburse qualifying nonpublic schools for the cost of procuring certain security services.

Sections 10-172(c) and 10-172(m) of the Administrative Code of the City of New York authorize the New York City Department of Citywide Administrative Services to promulgate rules for the administration of a reimbursement program for qualifying nonpublic schools for the cost of procuring certain security services. These rules do so by adding a new Chapter 14 to Title 55 of the Rules of the City of New York, which describes the process and procedure by which schools and Security Guard Companies may take part in the program.

There is a substantial need for the early implementation of these rules because the program begins on September 8, 2016. Security Guard Companies need time to apply for the Qualified Provider List and schools need time to complete the application process and select Security Guard Companies from such list. Earlier implementation of these rules is necessary for schools and Security Guard Companies to have sufficient time to complete the application and selection processes before the program begins.

Notice of a Concept Paper

In 2015, Mayor de Blasio announced the City would create and preserve 10,000 units of senior housing, supported by a \$400M capital investment as well as Section 8 vouchers. New senior housing projects developed under the Department of Housing Preservation and Development's (HPD) new Senior Affordable Rental Apartments (SARA) program began construction in 2015. To help these seniors successfully live independently, HRA will contract for social services to be delivered to the seniors residing in SARA units, with particular emphasis on supporting the seniors living in the homeless set aside units. The contractor will provide staff to deliver onsite services in SARA developments. These services, referred to as the SARA Service Programs, or SARA SPs, will be targeted to low-income residents age 62 and over and are structured to promote housing stability and healthy aging in place for low-income seniors living independently in SARA buildings.

The concept paper has been posted on the Agency's website at www.nyc.gov/hra/contracts.
