- Win More Contracts at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)

- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)

ADMINISTRATION FOR CHILDREN'S SERVICES

■ NOTICE

Notice of a Concept Paper

The New York City Administration for Children's Services (ACS) launched the Community Partnership Program (CPP) in 2007. The CPP is the first funded, community-based ACS initiative committed to partnering with local communities in all aspects of the agency's work, by building on community strengths and increasing community capacity through ongoing technical support and professional development. At present, CPP organizing and programs are active in eleven New York City community districts: Bedford-Stuyvesant, Bushwick, East Harlem, East New York, Elmhurst, Highbridge, Jamaica, Lower East Side, Mott Haven, Soundview, and St. George (Staten Island). While some CPPs typically focus on one community district, others engage stakeholders in neighboring districts to maximize connections.

The purpose of this Concept Paper is to inform New York City's community-based organizations, service providers, and the general public about a Request for Proposals (RFP) that ACS expects to release in 2017. CBOs, service providers, and the general public will have the opportunity to assess and comment on the requirements listed in this Concept Paper. The RFP will seek qualified organizations to manage CPPs in up to 11 of the target communities.

The Concept Paper will be posted on the ACS website, www.nyc.gov/acs from June 12, 2017 through July 28, 2017. All comments in response to the Concept Paper should be in writing via email to: CPP2017-CP@acs.nyc.gov by July 28, 2017.

NOTE:

As of January 1, 2017, the Bio-Diesel Blender Tax Credit has been rescinded for \$1.00 per gallon on B100. Therefore, for deliveries after January 1, 2017, the contractor will be collecting additional fees which will be shown as a separate line item on the invoice. The additional fee for items will range from \$0.05 for B5 to \$0.20 for B20 per gallon, varying on the percentage of biodiesel to be used. Should the tax credit be extended, this additional fee will be discontinued and removed from the invoice.

Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.

REMINDER FOR ALL AGENCIES:

Please send inspection copy of receiving report for all gasoline (E85, UL & PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.

NOTICE

PUBLIC NOTICE OF A CONCESSION OPPORTUNITY FOR THE OPERATION, MANAGEMENT AND MAINTENANCE OF A PEDESTRIAN PLAZA, LOCATED ON AND ADJACENT TO 9TH AVENUE BETWEEN GANSEVOORT STREET AND WEST 15TH STREET, IN THE BOROUGH OF MANHATTAN

Pursuant to the Concession Rules of the City of New York, the Department of Transportation ("DOT") intends to enter into a concession for the operation, management, and maintenance of a pedestrian plaza, located on and adjacent to 9th Avenue between Gansevoort Street and West 15th Street, in the borough of Manhattan ("Licensed Plaza"), including through DOT-approved events, sponsorships, and subconcessions, including but not limited to providing for the sale of any of the following: prepared food, flowers, locally grown produce or locally manufactured products, merchandise (such as souvenirs or T-shirts) that promotes the neighborhood or the concessionaire, or other similar merchandise within the Licensed Plaza.

Subconcessions would be awarded based on solicitations issued by the concessionaire in the basic form of Request for Proposals or Request for Bids, subject to DOT's prior written approval of both solicitation and award.

DOT has identified the Meatpacking Improvement Association, Inc. as a potential concessionaire, but DOT will consider additional expressions of interest from other potential concessionaires for the operation, management, and maintenance of the Licensed Plaza. In order to qualify, interested organizations should be active in the neighborhood of the Licensed Plaza and have demonstrated experience in the management, operation and maintenance of publicly-accessible facilities, including but not limited to programming/events management and concession or retail operation/management.

Organizations may express interest in the proposed concession by contacting Emily Weidenhof, Director of Public Space by email at plazas@dot.nyc.gov, or in writing, at 55 Water Street, 6th Floor, New York, NY 10041, by June 13, 2017. Ms. Weidenhof may also be

contacted with any questions relating to the proposed concession by email or by telephone at (212) 839-5325.

Please note that the New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity that believes that there has been unfairness, favoritism or impropriety in the concession process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, NY 10007, telephone number (212) 669-2323.
