"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

Department for the Aging (DFTA)

Department of Consumer Affairs (DCA)

Department of Corrections (DOC)

Department of Health and Mental Hygiene (DOHMH)

Department of Homeless Services (DHS)

Department of Probation (DOP)

Department of Small Business Services (SBS)

Department of Youth and Community Development (DYCD)
Housing and Preservation Department (HPD)

Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

ELECTROTHERM DEMO CONTRACT - Demonstration Project - Testing or experimentation is required - PIN# 85618D0001 -Due 11-16-17 at 5:00 P.M.

Pursuant to Section 3-11 of the Procurement Policy Board Rules of the City of New York, the New York City Department of Citywide Administrative Services ("DCAS") intends to enter into a contract with The Sherwood Logan Inc., for services related to energy technology demonstrations, specifically the demonstration of the Electratherm Organic Rankine Cycle Low temperature waste heat to power generator. The demonstration is related to the development of efficient solutions to the use of waste heat generated by City Owned facilities to reduce Green House Emissions and lower power consumption in selected facilities.

This demonstration project is in the best interest of DCAS as it supports the Mayor's Climate Action Executive Order and the mandate to meet the principles and goals of the Paris Climate Agreement of limiting warming to only 1.5 degrees Celsius, by providing DCAS with particular expertise as a means to continue developing its operations and maintenance, and planning programs. The Sherwood Logan Inc., is in the best interest for the City because through the IDEA Program the City assesses the value of emerging and underutilized technologies in City Facilities, using demonstrations in order to inform the City's energy strategy, and larger scale procurement. The City will examine the resiliency benefits, cost savings GHG reduction and demand reduction. A performance assessment of the technology will be compiled after the one year demonstration.

Johnson, Roberts and Associates, Inc., is the sole licensor, provider and supporter of the JR and A Police and Public Safety Selection Report. This report is only available through Johnson, Roberts and Associates, Inc., and contains statistical, selection-relevant presentations (e.g., proprietary norm, prediction equations) of psychological tests data (i.e., CPI, PAI, PSYQ). The JR and A Police and Public Safety Selection Report is created by data that is first collected by way of copyrighted answer sheet (i.e., developed by Johnson, Roberts and Associates, Inc.) that is read by a Scantron device (i.e., 'scanner') according to a proprietary and copy written Scantron form definition file

Since 2010, Johnson, Roberts, and Associates, Inc., has provided testing report services to the New York City Department of Correction (NYCDOC - Applicant Investigation Unit – Psychological Services) as a whole-source vendor. The licensed psychologists at the New York City Department of Correction have used these Police and Public Safety Applicant Selection Reports (with job-specific corrections officer norms) to conduct pre-employment psychological evaluations of NYC Correction Officer Candidates.

The Psychological Services branch of the NYCDOC Applicant Investigation Unit (AIU) uses three Johnson, Roberts, and Associates, $\,$

Inc. Psychological testing reports, generated from the following

- 1. the Psychological History Questionnaire (PsyQ), 2. the California Psychological Inventory (CPI),
- 3. the Personality Assessment Inventory (PAI).

More recently, Johnson, Roberts, and Associates, Inc., has provided these testing report services to other large, area agencies; for example, the New York City Police Department, The Institute for Forensic Psychology (serving public safety departments in New Jersey and New York City), and The New York State Department of Correctional Services. These psychological testing reports are produced on-site (i.e., by installing the vendor's software, producing the reports) and are maintained in the sole possession of the NYCDOC to secure and reproduce if needed; that is, Johnson, Roberts, and Associates, Inc. does not have access to the aggregate candidate reports once they are produced.

Any firm which believes it can provide the required goods and/or services in the future is invited to express interest via email, to yung. wong@doc.nyc.gov. The vendor must have specific expertise to provide Pre-Employment Psychological Testing Materials which includes a test booklet and answer sheet owned exclusively by Johnson, Roberts, and Associates, Inc.
