## HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

### Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)

**ELECTROTHERM DEMO CONTRACT** - Demonstration Project - Testing or experimentation is required - PIN# 85618D0001 - Due 11-16-17 at 5:00 P.M.

Pursuant to Section 3-11 of the Procurement Policy Board Rules of the City of New York, the New York City Department of Citywide Administrative Services ("DCAS") intends to enter into a contract with The Sherwood Logan Inc., for services related to energy technology demonstrations, specifically the demonstration of the Electratherm Organic Rankine Cycle Low temperature waste heat to power generator. The demonstration is related to the development of efficient solutions to the use of waste heat generated by City Owned facilities to reduce Green House Emissions and lower power consumption in selected facilities.

This demonstration project is in the best interest of DCAS as it supports the Mayor's Climate Action Executive Order and the mandate to meet the principles and goals of the Paris Climate Agreement of limiting warming to only 1.5 degrees Celsius, by providing DCAS with particular expertise as a means to continue developing its operations and maintenance, and planning programs. The Sherwood Logan Inc., is in the best interest for the City because through the IDEA Program the City assesses the value of emerging and underutilized technologies in City Facilities, using demonstrations in order to inform the City's energy strategy, and larger scale procurement. The City will examine the resiliency benefits, cost savings GHG reduction and demand reduction. A performance assessment of the technology will be compiled after the one year demonstration.

Qualified vendors may express their interest in providing such services in the future by contacting Jeff Choi at (212) 386-0407 or [jchoi@dcas.nyc.gov](mailto:jchoi@dcas.nyc.gov)

**PSYCHOLOGICAL TEST MATERIALS** - Sole Source - Available only from a single source - PIN#2-0441-0145-2018 - Due 11-17-17 at 8:30 A.M.

Johnson, Roberts and Associates, Inc., is the sole licensor, provider and supporter of the JR and A Police and Public Safety Selection Report. This report is only available through Johnson, Roberts and Associates, Inc., and contains statistical, selection-relevant presentations (e.g., proprietary norm, prediction equations) of psychological tests data (i.e., CPI, PAI, PSYQ). The JR and A Police and Public Safety Selection Report is created by data that is first collected by way of copyrighted answer sheet (i.e., developed by Johnson, Roberts and Associates, Inc.) that is read by a Scantron device (i.e., 'scanner') according to a proprietary and copy written Scantron form definition file.

Since 2010, Johnson, Roberts, and Associates, Inc., has provided testing report services to the New York City Department of Correction (NYCDOC - Applicant Investigation Unit - Psychological Services) as a whole-source vendor. The licensed psychologists at the New York City Department of Correction have used these Police and Public Safety Applicant Selection Reports (with job-specific corrections officer norms) to conduct pre-employment psychological evaluations of NYC Correction Officer Candidates.

The Psychological Services branch of the NYCDOC Applicant Investigation Unit (AIU) uses three Johnson, Roberts, and Associates, Inc. Psychological testing reports, generated from the following instruments:

1. the Psychological History Questionnaire (PsyQ),
2. the California Psychological Inventory (CPI),
3. the Personality Assessment Inventory (PAI).

More recently, Johnson, Roberts, and Associates, Inc., has provided these testing report services to other large, area agencies; for example, the New York City Police Department, The Institute for Forensic Psychology (serving public safety departments in New Jersey and New York City), and The New York State Department of Correctional Services. These psychological testing reports are produced on-site (i.e., by installing the vendor's software, producing the reports) and are maintained in the sole possession of the NYCDOC to secure and reproduce if needed; that is, Johnson, Roberts, and Associates, Inc. does not have access to the aggregate candidate reports once they are produced.

Any firm which believes it can provide the required goods and/or services in the future is invited to express interest via email, to [yung.wong@doc.nyc.gov](mailto:yung.wong@doc.nyc.gov). The vendor must have specific expertise to provide Pre-Employment Psychological Testing Materials which includes a test booklet and answer sheet owned exclusively by Johnson, Roberts, and Associates, Inc.

# READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

## NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at [www.comptroller.nyc.gov](http://www.comptroller.nyc.gov), and click on Prevailing Wage Schedules to view rates.

## CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

## VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc). To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

## SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit [www.nyc.gov/html/sbs/nycbiz](http://www.nyc.gov/html/sbs/nycbiz) and click on Summary of Services, followed by Selling to Government.

## PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc).

## NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

## PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit [www.nyc.gov/mocs](http://www.nyc.gov/mocs).

## ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit [www.nyc.gov/sbs](http://www.nyc.gov/sbs) and click on M/WBE Certification and Access.

## PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

## PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc)

## HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards, and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
