"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy

by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)

- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)

DIGITAL HEALTH MARKETPLACE: PROGRAM AND WEBSITE RFP - Request for Proposals - PIN#5182XX - Due 8-24-18 at 4:00 P.M.

NYCEDC is issuing a Request for Proposals (“RFP”) to seek proposals from potential consultant(s) (each, a “Respondent”) to develop, launch, and operate the next iteration of the Digital Health Marketplace, including its Program and website. The primary purpose of the Digital Health Marketplace is to facilitate the commercialization of digital health technology and the funding of digital health companies through curated introductions to prospective clients and investors, and to support the advancement of early- and growth-stage companies bringing technologies to market with the potential to improve healthcare in a meaningful way. NYCEDC has outlined two “Work Streams” for the new iteration of the Digital Health Marketplace that together will comprise the scope of services (the “Services”):

1) Program

The Program Work Stream shall include the design, planning, and implementation of any matchmaking, award competition, and events.

2) Website

The Project Website Work Stream shall include the design, development, and maintenance of a website that will provide a search platform for health technologies as well as advertise and disseminate information on the program.

Respondents may submit proposals for either an individual Work Stream or both Work Streams, as appropriate given Respondent’s capacity and area of expertise. A Respondent to the RFP may be a single organization or a joint venture between multiple entities. If a Respondent plans to share the responsibility for performance of any Services, or to subcontract the performance of any Services, that should be detailed in the proposal. Respondents shall clearly indicate which Work Stream(s) their proposal addresses. A separate proposal, including a fee and cost schedule must be submitted for each Work Stream that a Respondent proposes to undertake, and each Work Stream will be evaluated independently; however, NYCEDC reserves the right to award both Work Streams to the same consultant.

NYCEDC plans to select a respondent on the basis of factors stated in the RFP which include, but are not limited to: The quality of the proposal, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, and the proposed fee.

It is the policy of NYCEDC to comply with all Federal, State and City laws and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, age, disability, marital status and other protected category and to take affirmative action in working with contracting parties to ensure certified Minority and Women-Owned Business Enterprises (MWBs) share in the economic opportunities generated by NYCEDC’s projects and initiatives. Please refer to the Equal Employment and Affirmative Compliance for Non-Construction Contracts Addendum in the RFP.

Companies who have been certified with the New York City Department of Small Business Services as Minority and Women-Owned Business Enterprises (“M/WBE”) are strongly encouraged to apply. To learn more about M/WBE certification and NYCEDC’s M/WBE program, please visit <http://www.nycedc.com/opportunitymwdbe>.

An optional informational session will be held on Wednesday, July 11, 2018, at 9:30 A.M., at NYCEDC, 110 William Street, New York, NY 10038 (please report to the 6th Floor Reception Desk). Those who wish to attend should RSVP by email to DHMarketplace@edc.nyc on or before Friday, July 6, 2018.

Respondents may submit questions and/or request clarifications from NYCEDC no later than 5:00 P.M. on Wednesday, July 18, 2018. Questions regarding the subject matter of this RFP should be directed to DHMarketplace@edc.nyc. Answers to all questions will be posted by Wednesday, July 25, 2018, to www.nycedc.com/RFP. Please submit seven (7) sets of your proposal and one (1) digital (USB device) copy of your proposal.

By establishing contractor's qualification and experience in advance, DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construct its parks, playgrounds, beaches, gardens and green-streets. DPR will select contractors from the General Construction PQL for non-complex general construction site work of up to \$3,000,000.00 per contract,

The vendors selected for inclusion in the General Construction PQL will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.

DPR will only consider applications for this General Construction PQL from contractors who meet any one of the following criteria:

- 1) The submitting entity must be a Certified Minority/Woman Business enterprise (M/WBE)*;

PUBLIC NOTICE OF A CONCESSION OPPORTUNITY FOR THE OPERATION, MANAGEMENT AND MAINTENANCE OF A PEDESTRIAN PLAZA LOCATED AT 5th AVENUE AND BROADWAY BETWEEN 21st AND 26th STREETS, IN THE BOROUGH OF MANHATTAN

Pursuant to the Concession Rules of the City of New York, the Department of Transportation (“DOT”) intends to enter into a concession for the operation, management, and maintenance of a pedestrian plaza located at 5th Avenue and Broadway between 21st and 26th Streets, in the borough of Manhattan (“Licensed Plaza”), including through DOT-approved events, sponsorships, and subconcessions, including but not limited to providing for the sale of any of the following: prepared food, flowers, locally grown produce or locally manufactured products, merchandise (such as souvenirs or T-shirts) that promotes the neighborhood or the concessionaire, or other similar merchandise within the Licensed Plaza.

Subconcessions would be awarded based on solicitations issued by the concessionaire in the basic form of Request for Proposals or Request for Bids, subject to DOT’s prior written approval of both solicitation and award.

DOT has identified the Flatiron/23rd Street Partnership Business Improvement District as a potential concessionaire, but DOT will consider additional expressions of interest from other potential concessionaires for the operation, management, and maintenance of the Licensed Plaza. In order to qualify, interested organizations should be active in the neighborhood of the Licensed Plaza and have demonstrated experience in the management, operation and maintenance of publicly-accessible facilities, including but not limited to programming/events management and concession or retail operation/management.

Organizations may express interest in the proposed concession by contacting Emily Weidenhof, Director of Public Space by email at plazas@dot.nyc.gov or in writing at 55 Water Street, 6th Floor, New York, NY 10041 by July 9, 2018. Ms. Weidenhof may also be contacted with any questions relating to the proposed concession by email or by telephone at (212) 839-4325.

Please note that the New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity that believes that there has been unfairness, favoritism or impropriety in the concession process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, NY 10007, telephone number (212) 669-2323.
