### BOROUGH PRESIDENT - BROOKLYN

#### ■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that, pursuant to Section 201 of the New York City Charter, the Brooklyn borough president, will hold a public hearing on the following matters in the Community Room of Brooklyn Borough Hall, 209 Joralemon Street, Brooklyn, NY 11201, commencing at 6:00 P.M., on September 4, 2018.

### Calendar Item 1 — Franklin Avenue Rezoning (180347 ZMK, 180348 ZRK)

An application submitted by Cornell Realty Management LLC, pursuant to Sections 197-c and 201 of the New York City Charter for zoning map amendments affecting 16 lots on three blocks fronting, Franklin Avenue between Montgomery and President streets in Brooklyn Community District 9 (CD 9). The requested zoning map amendments would eliminate a C1-3 commercial overlay from an existing R6 district, change the northern and southern portion of the project area, zoned R6A and R8A, respectively, to an R8X district, and establish a C2-4 commercial overlay within the proposed R8X district. In addition, the applicant seeks a zoning text amendment, to designate the project area a Mandatory Inclusionary Housing (MIH) area. Such actions would facilitate the development of 40 Crown Street and 931 Carroll Street, each built to a Floor Area Ratio (FAR) of 7.2, in 16 stories. 40 Crown Street would contain 403,092 square feet (sq. ft.) of residential floor area, providing 390 dwelling units, of which 105 will be affordable, pursuant to MIH Option 1. The building would also have 15,349 sq. ft. of commercial space, envisioned for a Food Retail Expansion, to Support Health (FRESH) supermarket. 931 Carroll Street would contain 126,950 sq. ft. of residential floor area, providing 128 dwelling units, of which 35 would be affordable, pursuant to MIH Option 1. The two buildings will have a total of 151 parking spaces.

### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general

service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)

- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)

#### **Statement of Basis and Purpose of Proposed Rule**

The Office of Administrative Trials and Hearings' Environmental Control Board (OATH ECB) proposes to repeal its Sewer Control Penalty Schedule rule. This schedule is currently found in Section 3-123 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York (RCNY). The Sewer Control Penalty Schedule contains penalties for summonses issued by the Department of Environmental Protection (DEP) for violations of Chapter 5 of Title 24 of the Administrative Code of the City of New York and Chapter 19 of Title 15 of the Rules of the City of New York. This penalty schedule provides penalties for violations relating to the construction and regulation of public sewers, including unauthorized discharge into public sewers. DEP is proposing a related rule adding a similar Sewer Control Penalty Schedule to its rules.

The context for this proposed repeal is that OATH ECB is in the process of repealing all penalty schedules in its rules codified at Subchapter G of Chapter 3 of Title 48 of the RCNY so that they can be incorporated into the rules of the agencies having rulemaking and policymaking authority over the laws underlying the violations. Such repeals will also serve OATH's core function of adjudication and help alleviate the false public perception that OATH is an enforcement agency, rather than a neutral tribunal.

Although OATH ECB is empowered to impose penalties under the New York City Charter and has until now promulgated penalty schedules, the regulatory and enforcement agencies have the necessary expertise to determine appropriate penalties for violation of the rules and of the laws within their jurisdiction based on the severity of each violation and its effect on City residents. Moving the penalty schedule to the enforcement agency's rules will also make it easier for the public to find the penalties, which will be located within the same chapter as the rules supporting the violations alleged in the summonses. Finally, the proposed rule repeal will speed up the rulemaking process by eliminating the need for OATH ECB approval of proposed or amended penalties for agency rules that have already been established by the legislature and/or that have already undergone the City Administrative Procedure Act (CAPA) process by the enforcement agency. The public will still have the opportunity to comment on proposed penalties during that process.

Working with the City's rulemaking agencies, the Law Department, the Mayor's Office of Management and Budget, and the Mayor's Office of Operations conducted a retrospective rules review of the City's existing rules, identifying those rules that could be repealed or modified to reduce regulatory burdens, increase equity, support small businesses, and simplify and update content to help support public understanding and compliance. This proposed rule repeal was identified as meeting the criteria for this initiative.

**Statement of Basis and Purpose of Proposed Rule**

The Office of Administrative Trials and Hearings' Environmental Control Board (OATH ECB) proposes to repeal its Community Right-To-Know Penalty Schedule rule. This schedule is currently found in § 3-104 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York (RCNY), and it contains penalties for violations of the Community Right-To-Know Law, codified in Chapter 7 of Title 24 of the Administrative Code of the City of New York. This penalty schedule provides the penalties for violations relating to the siting and storage of hazardous substances stored in portable containers. The Department of Environmental Protection (DEP) is proposing a related rule adding a similar Community Right-To-Know Penalty Schedule to Chapter 41 of Title 15 of the RCNY, including one new violation of 15 RCNY § 41-14.

The context for this proposed repeal is that OATH ECB is in the process of repealing all penalty schedules in its rules codified at Subchapter G of Chapter 3 of Title 48 of the RCNY so that they can be incorporated into the rules of the agencies having rulemaking and policymaking authority over the laws underlying the violations. Such repeals will also serve OATH's core function of adjudication and help alleviate the false public perception that OATH is an enforcement agency, rather than a neutral tribunal.

Although OATH ECB is empowered to impose penalties under the New York City Charter and has until now promulgated penalty schedules, the regulatory and enforcement agencies have the necessary expertise to determine appropriate penalties for violation of the rules and of the laws within their jurisdiction based on the severity of each violation and its effect on City residents. Moving the penalty schedule to the enforcement agency's rules will also make it easier for the public to find the penalties, which will be located within the same chapter as the rules supporting the violations alleged in the summonses. Finally, the proposed rule repeal will speed up the rulemaking process by eliminating the need for OATH ECB approval of proposed or amended penalties for agency rules that have already been established by the legislature and/or that have already undergone the City Administrative Procedure Act (CAPA) process by the enforcement agency. The public will still have the opportunity to comment on proposed penalties during that process.

Working with the City's rulemaking agencies, the Law Department, the Mayor's Office of Management and Budget, and the Mayor's Office of Operations conducted a retrospective rules review of the City's existing rules, identifying those rules that could be repealed or modified to reduce regulatory burdens, increase equity, support small businesses, and simplify and update content to help support public understanding and compliance. #### **Statement of Basis and Purpose of Proposed Rule**

The Commissioner of the New York City Department of Transportation (DOT) is authorized to issue rules regarding parking and traffic operations in the City pursuant to Section 2903(a) of the New York City Charter. The rules that DOT is seeking to amend are contained within Chapter 4 of Title 34 of the Rules of the City of New York, relating to its "Traffic Rules."

At the request of the New York City Department of Health and Mental Hygiene, DOT is commencing rulemaking, as required by Section 19-174 of the New York City Administrative Code. The purpose of this proposed rule is to establish horse carriage passenger boarding areas. The proposed rule designates specific locations for the horse carriage passenger boarding areas in Central Park. As of June 27, 2018, the Central Park Drives were permanently closed to unauthorized traffic. Limiting boarding of horse drawn cabs to these restricted areas within Central Park will reduce the amount of time that horses spend alongside vehicular traffic, thereby limiting horses' interaction and potential conflict with vehicular traffic and thus promoting the safety and well-being of the horses.

Specifically, the amendments to the Traffic Rules being proposed are as follows:

- Section 4-01 amends the definition of "horse drawn vehicle" to use the same term ("horse drawn cab") used in Section 19-174 of the New York City Administrative Code.
- Section 4-09(d) is amended to reflect the change from "horse drawn vehicle" to "horse drawn cab."
- Section 4-11(c)(7) is amended to reflect the change from "horse-drawn carriage" to "horse drawn cab."
- Section 4-12(t) is a new subdivision that establishes specific locations for horse carriage passenger boarding areas.

New material is underlined.

[Deleted material is in brackets.]

**Section 1. The definition of horse drawn vehicle in subdivision (b) of Section 4-01 of Chapter 4 of Title 34 of the Rules of the City of New York is amended to read as follows:**

**Horse drawn [vehicle] cab.** The term ["horse drawn vehicle"] "horse drawn cab" shall mean a vehicle drawn by a horse and used for the carriage of passengers for compensation in conformance with a New York City Department of Consumer Affairs license. Where signs limit parking to horse drawn [vehicles] cabs, only those [vehicles] cabs licensed by the New York City Department of Consumer Affairs will be permitted.

**§ 2. Subdivision (d) of Section 4-09 of Chapter 4 of Title 34 of the Rules of the City of New York is amended to read as follows:**

**(d) Lights on [horse-drawn vehicles] horse drawn cabs and pushcarts.** No person shall drive a [horse-drawn vehicle] horse drawn cab or propel a pushcart in the roadway between sunset and sunrise unless such [vehicle] horse drawn cab or pushcart displays a white or yellow light visible from 200 feet directly in front and a red light visible from 200 feet directly to the rear.

**§ 3. Paragraph (7) of subdivision (c) of Section 4-11 of Chapter 4 of Title 34 of the Rules of the City of New York is amended to read as follows:**

(7) Within [horse-drawn carriage] horse drawn cab passenger boarding areas.

**§ 4. Section 4-12 of Chapter 4 of Title 34 of the Rules of the City of New York is amended by adding a new subdivision (t) to read as follows:**

**(t) Horse drawn cab passenger boarding areas.**

- (1) No person operating a horse drawn cab shall solicit, pick up or discharge passengers at any location other than a location described in paragraph (2) of this subdivision or a location designated by the department by a posted sign as a horse drawn cab passenger boarding area. This subdivision shall not apply to a horse drawn cab ride that is prearranged as described in Sections 19-174 of the New York City Administrative Code.
- (2) Except as otherwise indicated by a posted sign, operators of horse drawn cabs must expeditiously pick up or discharge passengers only at locations within Central Park indicated by sign and on the map below:
  - (i) Grand Army Plaza. In the center lane at the Grand Army Plaza entrance to Central Park.
  - (ii) East 72nd Street Entrance. On the north curb approximately 50 feet west of 5th Avenue.
  - (iii) West 72nd Street Entrance. On the east curb approximately 130 feet east of Central Park West.
  - (iv) West 67th Roundabout. On the north curb of the roundabout.
  - (v) Seventh Avenue Entrance. On the east curb, approximately 20 feet north of Central Park South.

**(3) Temporary relocation or suspension of horse drawn cab passenger boarding areas in parks.** In exceptional circumstances, the Commissioner of the Department of Parks and Recreation or the commissioner, subject to approval of the Commissioner of the Department of Parks and Recreation, may temporarily relocate or suspend horse drawn cab passenger boarding areas. For purposes of this paragraph, exceptional circumstances shall include, but not be limited to construction, maintenance, unusually heavy pedestrian or bicycle traffic, existence of any obstructions, a parade, demonstration, special event, or other such similar event or occurrence at or near such location.

**NOTE:**

- As of February 9, 2018, the Bio-Diesel Blender Tax Credit was retroactively reinstated for calendar year 2017. Should the tax credit be further extended, contractors will resume deducting the tax credit as a separate line item on invoices.
- Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.
- The National Oilheat Research Alliance (NORA) resumed operations in 2014. A related assessment of \$.002 per gallon has been added to the posted weekly fuel prices and will appear as a separate line item on invoices. This fee applies to heating oil only and since 2015 has included #4 heating oil. NORA has been authorized through February 2019. All other terms and conditions remain unchanged.
- DCAS has registered contract #20181202926/3887214 for Renewable Hydrocarbon Diesel Demonstration Project. The following NYC agencies are authorized to participate: DCAS, DOT, DPR, DSNY, DEP. However, other agencies may participate with prior DCAS' approval.
