The New York City Department of Housing Preservation and Development (HPD), on behalf of DeKalb Commons NY Housing Development Fund Corporation (HDFC) (the “Applicant”), is requesting the disposition of City-Owned property, designation of an Urban Development Action Area, and project approval of an Urban Development Action Area Project (UDAAP), to facilitate the development of new affordable housing in the Bedford-Stuyvesant neighborhood of Brooklyn, Community District (CD) 3 (the “Proposed Actions”). The Proposed Actions would facilitate the development of eight City-Owned lots, located at 633-639 DeKalb Avenue (Development Site 1), 648-654 DeKalb Avenue (Development Site 2), and 1187 Fulton Street (Development Site 3) in the Bedford-Stuyvesant neighborhood of Brooklyn, Community District 3 (the “Development Sites”). As a result of the Proposed Actions, HPD would convey the Development Sites to a developer selected by HPD.

The proposed actions would facilitate the construction of three new buildings containing affordable housing in the Bedford-Stuyvesant neighborhood of Brooklyn. The Development Sites would contain a total of approximately 84 dwelling units, plus one unit for the superintendent (total approximately 85 dwelling units). The Development Sites are described in the EAS, as follows:

Development Site 1

- Development Site 1 is located at 633-639 DeKalb Avenue (Block 1774, Lots 77, 76, 75, 74) along the north side of DeKalb Avenue between Nostrand and Marcy Avenues. All four lots are vacant and measure approximately 9,827 square feet (sf) in lot area. The proposed actions would facilitate the new construction of an approximately 39,604 sf affordable residential building that would include approximately 37 dwelling units. The proposed building would be approximately 7-stories. The rear yard would measure approximately 3,650 sf and would contain an outdoor seating area, children’s play area, and planted areas. Development Site 1 would be redeveloped pursuant to the existing R6A zoning district.

Land uses within the surrounding area include residential uses (primarily multi-family walk-up buildings), institutional, open space, and some commercial uses as well. There are several NYCT bus routes that provide service to the area including B38, B44, and B44-Select Bus Service (SBS).

Development Site 2

- Development Site 2 is located at 648-654 DeKalb Avenue (Block 1779, Lots 22, 24, 26) along the south side of DeKalb Avenue between Nostrand and Marcy Avenues. All three tax lots are currently vacant and measure approximately 10,983

sf in lot area. The proposed actions would facilitate the new construction of an approximately 44,769 sf affordable residential building that would include approximately 44 dwelling units plus one dwelling unit for the superintendent for a total of 45 dwelling units. The proposed building would be approximately 7-stories. The rear yard would be approximately 3,260 sf and would contain an outdoor seating area, children’s play area, and planted areas. In addition to the outdoor area, the proposed building would contain a community room on the ground floor measuring approximately 903 sf. Development Site 2 would be redeveloped pursuant to the existing R6A zoning district.

Land uses within the surrounding area include residential uses (primarily multi-family walk-up buildings), institutional, open space, and some commercial uses as well. The Kosciusko Pool, located directly to the east of the Development Site 2, is under the jurisdiction of the New York City Department of Parks & Recreation. The Olympic size outdoor pool hours are from 11:00 A.M. through 7:00 P.M. daily, with a break for pool cleaning between 3:00 P.M. and 4:00 P.M. There are several NYCT bus routes that provide service to the area including B38, B44, and B44-Select Bus Service (SBS).

Development Site 3

- Development Site 3 is located at, 1187 Fulton Street (Block 2000, Lot 43) along the north side of Fulton Street between Spencer Place and Bedford Avenue. Development Site 3 is currently vacant and measures approximately 1,786 sf in lot area. The proposed actions would facilitate the new construction of an approximately 7,088 sf mix-use building that would include approximately 3 dwelling units and approximately 2,512 sf of commercial retail space on the ground floor. Development Site 3 would be redeveloped pursuant to the existing R7D/C2-4 zoning district.

The Franklin Avenue station for the NYCT C and S lines is located within the 400 foot radius of Development Site 3, at the intersection of Franklin Avenue and Fulton Street.

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related

services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
• Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
• Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
• Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)
Department of Homeless Services (DHS)
Department of Probation (DOP)
Department of Small Business Services (SBS)
Department of Youth and Community Development (DYCD)
Housing and Preservation Department (HPD)
Human Resources Administration (HRA)
Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator.

INTENT TO ENTER NEGOTIATION ACQUISITION WITH IRON MOUNTAIN - Negotiated Acquisition - Other - PIN#86019N0001 - Due 6-14-19 at 7:00 A.M.

The Department of Records and Information Services (DORIS), intends to enter into a negotiated acquisition, with Iron Mountain.

This contract will be for the ongoing lease of storage space necessary in order to provide proper long term storage of microform records of New York City agencies. The Department of Records and Information Services (DORIS), does not have the resources necessary to properly construct and administer a microform storage facility of the necessary size, with suitable environmental controls. This contract will be for ongoing storage services currently at Iron Mountain, which DORIS has leased and stored records since 1991. This negotiated acquisition will cover lease storage services from FY 2019 to FY 2033. Due to the large number of microforms to be stored and the nature of the storage itself, it would be impractical to have a short term contract; therefore the contract is for a period of five years with two renewal options of the original term.

AGENCY RULES

FINANCE

■ NOTICE

NOTICE OF RULE MAKING

Pursuant to the power vested in me as Commissioner of Finance by Sections 1043 and 1054 of the New York City Charter, I hereby promulgate the amendment to rules concerning the monetary penalties for failing to file the income and expense statement by owners of income-producing property. The rule was published in the proposed form on April 10, 2019. The hearing for public comment was held on May 10, 2019.

Jacques Jiha Commissioner of Finance

S/S

STATEMENT OF BASIS AND PURPOSE

Section 11-208.1 of the Administrative Code of the City of New York requires that owners of income-producing real property in New York

City file income and expense statements each year for the property. The Department of Finance uses the information in the statements to assess the value of real property in the City.

This rule amendment increases the monetary penalties for failure to file income and expense statements set forth in Chapter 33 of Title 19 of the Rules of the City of New York by:

Establishing a higher penalty amount for owners of income-producing property who fail to file a required income and expense statement for three consecutive years.

The rule is intended to discourage property owners who repeatedly fail to file income and expense statements for their properties.

Pursuant to Section 1043(d)(4)(ii) of the New York City Charter, this proposed rule is not subject to review under Charter Section 1043(d).

Matter underlined is new. Matter in brackets [] is to be deleted.

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department unless otherwise specified or unless the context clearly indicates otherwise.

What laws govern the rulemaking process?

The Department must meet the requirements of §1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of City Charter §1043.

Statement of Basis and Purpose

In 2018, Chapter 7 of Title 24 of the Rules of the City of New York (“RCNY”) was repealed and re-promulgated to, among other things, provide a list of monetary penalties associated with violations of the New York City Health Code and other applicable law or regulations.

This proposed rule change would amend the Chapter 7 penalty associated with failure to remove canine waste by aligning it with the maximum penalty prescribed in state law. With certain exceptions, New York State Public Health Law § 1310 (“PHL § 1310”) requires a dog owner or person having possession, control or custody of a dog to remove any feces left by such dog from any public area. PHL § 1310 provides that a violation of that duty is punishable by a fine of not more than \$250. Currently, Appendix 7-A of Chapter 7 of 24 RCNY sets the initial penalty for failure to remove canine waste at \$100 with a default penalty of \$200. The Department proposes to amend the penalty for both an initial and default violation to match the \$250 penalty provided in PHL § 1310.

Statutory Authority

This proposed amendment is authorized by PHL § 1310; New York City Charter §§ 555(b)(2), 556, 558(b) and (e) and 1043; and § 3.11 of the Health Code.

- PHL § 1310 provides that a failure to remove canine waste from a public space is punishable by a fine not exceeding \$250.

- Section 555(b)(2) of the Charter authorizes the Commissioner of Health and Mental Hygiene to assess penalties for health-related regulations.
- Section 556 of the Charter authorizes the Department to regulate all matters affecting health in the City of New York.
- Section 558 of the Charter authorizes the Board of Health to set civil penalties for the enforcement of the Health Code.
- Section 1043 of the Charter gives the Department rulemaking powers.
- Section 3.11 of the Health Code provides the penalty range for violations of the Health Code or applicable law or regulation.

New material is underlined.
[Deleted material is in brackets.]

Section 1. The penalty for NYS PHL § 1310 contained in Appendix 7-A of Chapter 7 of Title 24 of the Rules of the City of New York is amended to read as follows:

Section of Law	Violation Description	Standard Penalty	Default Penalty
