### PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that a Real Property Acquisitions and Dispositions Public Hearing, will be held on Monday, October 7, 2019, at 1 Centre Street, 20th Floor, Conference Room D, Borough of Manhattan, commencing at 10:00 A.M., relative to the conveyance of property, located at 121 West 125th Street, New York, NY 10027, Tax Block 1910, p/o Lot 1. The project site is comprised of a parcel of land in Central Harlem, Borough of Manhattan, situated between Adam Clayton Powell Boulevard and Lenox Avenue on the north side of 125th Street, within a C4-7 zoning district. The proposed action is a conveyance of the project site, by quitclaim deed, from the City of New York (the "City") to the New York State Urban Development Corporation d/b/a Empire State Development ("ESD"), pursuant to Section 14 of the New York State Urban Development Corporation Act, Chapter 174, Section 1 of the Laws of 1968, as amended (the "UDC Act"). Total consideration for the proposed conveyance is Twelve Million Dollars (\$12,000,000.00). The proposed action will facilitate an initiative by ESD, to implement approximately 413,000 gross square feet of mixed-use residential, commercial and civic development in accordance with the Modified General Project Plan for the 121 West 125th Street (Urban League

Empowerment Center) Land Use Improvement and Civic Project (the "Project"). The Project will consist of a residential development (comprising approximately 171 dwelling units, of which approximately 70% will be affordable to households earning between 40% and 80% of Area Median Income and approximately 30% of which will be supportive housing units); retail space; a conference center; office space for the National Headquarters of the National Urban League; cultural space dedicated to a civil rights museum; a community facility; and additional commercial office space.

The project site is currently improved with a 160,000 gross square foot structure consisting of a 304-space public parking garage and 6 retail stores at grade level.

Pursuant to Section 14 of the UDC Act, by letter dated July 30, 2019, the President of ESD requested that the City convey its ownership interest in the property to ESD, and certified that the conveyance is necessary and convenient for ESD's corporate purposes, specifically for the implementation of the Project.

The discretionary actions required for the proposed project include: Conveyance of City-Owned property to ESD for the purpose of subsequent development; An Environmental Assessment Statement was conducted in 2008, pursuant to the State Environmental Quality Review Act (SEQRA) and concluded that there were no negative environmental impacts that could result from the implementation of the Project. Subsequently, a Technical Memorandum was produced in July 2019 which concluded that the latest proposed development program would not result in any significant adverse impacts beyond those disclosed in the 2008 environmental review.

This Notice of Public Hearing has been prepared, pursuant to the New York State Urban Development Corporation Act, Chapter 174, Section 1 of the Laws of 1968, as amended.

### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)  
 Department for the Aging (DFTA)

#### STATEMENT OF BASIS AND PURPOSE

The Conflicts of Interest Board (the "Board") is proposing to amend subdivision (e) of Board Rules § 1-13.

Proposed Revisions to Board Rules § 1-13(e)

The process set forth in subdivision (e) was recently incorporated into a rule that went into effect on March 10, 2019. This subdivision provides a mechanism for an agency to assign a public servant: (a) to use City time and City resources to perform work for a not-for-profit entity that serves a City purpose; and (b) to be involved, if approved by the Board, in that not-for-profit's City business. As part of this process, for each designation or request, the Board will post one document on its website; the proposed revisions would clarify which of two possible documents will be posted.

If the public servant is designated by an agency head pursuant to Board Rules § 1-13(e)(1) to use City time and City resources to perform work for a not-for-profit, but the public servant will not be involved in the not-for-profit's City business, then the Board will post only the agency head's letter making that designation. If the agency head's designation under Board Rules § 1-13(e)(1) also requests approval from the Board for the public servant to be involved in the City business dealings of a not-for-profit pursuant to Board Rules § 1-13(e)(2), then only the Board's letter approving that request will be posted by the Board on its website. The agency head's letter to the Board requesting that approval pursuant to Section 1-13(e)(2) would remain confidential for two reasons: first, the Board would be treating these requests the same as it does similar requests from agency heads for waivers of the moonlighting restrictions for agency employees; second, the Board's determination would include all relevant information, including, of necessity, a statement of the agency head's designation made pursuant to Section 1-13(e)(1).

#### Text of the Proposed Rule

New material is underlined.

[Deleted material is in brackets.]

Section 1. Subdivision (e) of Section 1-13 of Chapter 1 of Title 53 of the Rules of the City of New York is amended to read as follows:

(e) (1) An agency head may designate a public servant to perform work on behalf of a not-for-profit corporation, association, or other such entity that operates on a not-for-profit basis, including serving as a board member or other position with fiduciary responsibilities provided that:

(i) there is a demonstrated nexus between the proposed [activity] work, the public servant's City job, and the mission of the public servant's agency; [and]

(ii) such work furthers the agency's mission and is not undertaken primarily for the benefit or interests of the not-for-profit;

[(ii)] (iii) the designated public servant takes no part in the entity's business dealings with the City at the entity or at his or her agency, except that Council Members may sponsor and vote on discretionary funding for the entity; and

[(iii)] (iv) within 30 days the written designation is disclosed to the Conflicts of Interest Board [and will be posted on the Board's website].

(2) A public servant designated in accordance with paragraph (1) of this subdivision may take part in such entity's business dealings with the City at the entity and/or at his or her agency if, after written approval [of] by the agency head, the Board determines that there is a demonstrated nexus between the proposed [participation] work, the public servant's City job, and the mission of the public servant's agency; and that such participation furthers the agency's mission and is not undertaken primarily for the benefit or interests of the not-for-profit entity.

(3) The Board will post designations of public servants made pursuant to paragraph (1) on its website. When an agency makes a request pursuant to paragraph (2) of this subdivision for a public servant both to perform work on behalf of a not-for-profit entity and be involved in that entity's City business, only the Board's determination will be posted on its website.

[(3)] (4) The designation made pursuant to paragraph (1) and approval made pursuant to paragraph (2) of this subdivision must be by the head of the agency served by the public servant, or by a deputy mayor if the public servant is an agency head. A public servant who is an elected official, including a district attorney, is the agency head for the public servants employed by the official's agency or office. A public servant who is an elected official, including a district attorney, may provide the designation pursuant to paragraph (1) and the agency head approval pursuant to paragraph (2) for him or herself.

**CONSUMER AFFAIRS**

■ NOTICE

Notice of Adoption

Notice of Adoption to amend the penalty schedule for the sales of petroleum products located in Section 6-42 of Chapter 6 of Title 6 of the

Rules of the City of New York. This amendment lowers the maximum penalty for one type of violation, eliminates violations that do not exist, and adds a penalty for a violation recently added to the Rules. This amendment also adds violations to the weights and measures penalty schedule in Section 6-38 of Chapter 6 of Title 6 of the Rules of the City of New York.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of Consumer Affairs by Section 180(3) of the New York Agriculture and Markets Law, Section 20-574 of Chapter 3 of Title 20 of the New York City Administrative Code, and Sections 1043 and 2203(f) of the New York City Charter, and in accordance with the requirements of Section 1043 of the New York City Charter, that the Department amends Sections 6-38 and 6-42 of Chapter 6 of Title 6 of the Rules of the City of New York.

This rule was proposed and published on July 8, 2019. A public hearing was held on August 7, 2019.

**Statement of Basis and Purpose of Rule**

The Department of Consumer Affairs ("DCA" or "Department") is amending the penalty schedule for the sales of petroleum products located in Section 6-42 of Chapter 6 of Title 6 of the Rules of the City of New York ("Rules") and the penalty schedule for weights and measures located in Section 6-38 of the Rules. Specifically, DCA is making the following amendments:

- Currently, the penalty schedule provides a maximum penalty of \$500 for violations of DCA Rule 5-51. However, Section 20-703 of the Code provides for a maximum penalty of \$350 for violations of regulations promulgated pursuant to the Consumer Protection Law. Because DCA Rule 5-51 was promulgated pursuant to the Consumer Protection Law, it should carry a maximum penalty of \$350.
- Currently, the penalty schedule has entries for 1 NYCRR §§ 220.8 and 220.9, which have been repealed, and 1 NYCRR § 224.18, which does not exist. DCA is eliminating these entries.
- Section 3-103 of the Rules of the City of New York, Inspection of Printer Tickets, was recently added to DCA's rules. DCA is now adding a penalty for violations of Section 3-103 to the penalty schedule.
- Adding the following violations to the weights and measures penalty schedule in Section 6-38, which exist in City and State law and will now be included in the penalty schedule: Section 20-584 of the New York City Administrative Code ("Code") (testing, sealing and marking), Code Section 20-585 (standard measures and containers), Code Section 20-587 (sale by true weight or measure required), Code Section 20-590 (repair of inaccurate devices), Section 184 of the New York Agriculture and Markets Law (condemnation, seizure or repair of false devices), Section 185 of the New York Agriculture and Markets Law (stop-use, stop-removal and removal orders), and Section 186 of the New York Agriculture and Markets Law (possession and use of false devices).

An analysis of this rule as described in Section 1043(d) of the New York City Charter was not performed because it falls under the exception in Section 1043(d)(4)(ii).

New material is underlined.
