HOUSING PRESERVATION AND DEVELOPMENT

PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that a Real Property A&D Public Hearing will be held on Wednesday, June 24, 2020, at 10:00 A.M. The Public Hearing will be held via Conference Call. Call-in #: 1-646-992-2010, Access Code: 717-876-299.

Pursuant to Section 124 of the Public Housing Law and Section 1802(6) (j) of the Charter, the Department of Housing Preservation and Development ("HPD") has proposed an amendment to the deed described below, pursuant to which the City of New York ("City") previously conveyed certain real property located in the Borough of the Bronx and known as:

BLOCK	LOT	ADDRESS
3143	234	2291 Webster Avenue

on the Tax Map of the City ("Premises") and, now known as the Twin Parks Terrace project in the Extremely Low & Low-Income Affordability (ELLA) Program.

In 1997, the City conveyed five lots, Bronx Block 3143, Lots 234, 236, 240, 206 and 167 to the New York City Housing Authority ("NYCHA"), for purposes of creating accessory parking for the existing NYCHA development Twin Parks West (Sites 1 and 2), pursuant to a deed dated June 9, 1997 ("Deed"). Subsequently, Lots 234, 236, and 240 were merged into new Lot 234. New Lot 234 is improved by a now inactive parking lot that has 37 parking spaces. NYCHA requests that HPD amend the Deed to remove the covenant that limits Lot 234 (f/k/a 234, 236, and 240) to accessory uses so that the site can be developed as a mixed-use new construction affordable housing project under HPD's Extremely Low and Low-Income Affordability (ELLA) Program (the "New Construction Project"). The New Construction Project will include demolition of the existing inactive parking lot and the construction of a building containing approximately 182 multifamily residential units (including one superintendent unit) with rents affordable to households with incomes up to 80% AMI, approximately 10,628 square feet of commercial space and approximately 1,809 square feet of community facility space.

At the construction loan closing of the New Construction Project, it is anticipated that NYCHA will ground lease Lot 234 to Twin Parks Terrace Housing Development Fund Corporation as legal owner and a beneficial owner controlled by Joy Construction Corporation and Settlement Housing Fund, Inc. (collectively, "Proposed Ground Lessee"). Proposed Ground Lessee will enter into a Regulatory Agreement setting forth the income and rent restrictions for the New Construction Project along with other requirements.

This submission is to request approval to modify the Deed to remove the covenant that limits Lot 234 (f/k/a 234, 236, and 240) to accessory uses so that the site can be developed as a mixed-use new construction affordable housing project under HPD's Extremely Low and Low-Income Affordability (ELLA) Program.

The Amended Deed is available for public examination by contacting HPD, at pearsona@hpd.nyc.gov, on business days during business hours.

In order to access the Public Hearing and testify, please call 1-646-992-2010, Access Code: 717-876-299 no later than 9:55 A.M. If you need further accommodations, please let us know at least five business days in advance of the Public Hearing via email, at DisabilityAffairs@mocs.nyc.gov.

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- *Win More Contracts, at nyc.gov/competetowin*

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)
Department of Homeless Services (DHS)
Department of Probation (DOP)
Department of Small Business Services (SBS)
Department of Youth and Community Development (DYCD)
Housing and Preservation Department (HPD)
Human Resources Administration (HRA)

Statement of Basis and Purpose of the Proposed Rule

In November 2018, New York City voters approved a ballot initiative proposed by the 2018 Charter Revision Commission that established the New York City Civic Engagement Commission. The proposal was codified as Chapter 76 of the NYC Charter. Chapter 76, in part, requires the Commission to develop a "poll site language assistance program" ("Program") that will provide language assistance for limited English proficient voters at City poll sites. Section 3202(a)(4) sets forth the Program's requirements and directs the Commission to promulgate rules establishing the minimum standards and training requirements for individuals who provide language assistance for voters under the Program.

This proposed rule would establish minimum standards for individuals who provide language assistance services under the Program. The proposed rule would require such individuals to be fluent in English and the language to be served. Such individuals would also be required to comply with all lawful orders from the staff of the New York City Board of Elections, observe the prohibition on electioneering, and ensure voter privacy. The proposed rule requires that the Commission provide at least one training for such individuals prior to each election event and establishes minimum requirements for the content of all Commission training.

Furthermore, under section 3202(a)(5) of the Charter, the Commission is authorized to conduct programming in partnership with other city agencies to increase access to public engagement processes. In the event that the Commission engages in such programming to provide services to voters outside polling places, including but not limited to services for absentee voters, the proposed rule requires such services to substantially comply with provisions related to services at polling places.

EMERGENCY MANAGEMENT

NOTICE

NOTICE OF ADOPTION OF EMERGENCY RULE
ESTABLISHMENT EMERGENCY FOOD DELIVERY PROGRAM

The Commissioner of the New York City Office of Emergency Management hereby gives notice, pursuant to the authority granted by sections 1043(i) and 497(a) and (d) of the New York City Charter, of the adoption of the following emergency rule, effective immediately, establishing a temporary emergency food delivery program for vulnerable homebound New Yorkers who are impacted by the COVID-19 public health emergency and meet certain eligibility criteria.

Statement of Basis and Purpose of Emergency Rule

The Office of Emergency Management is adopting an emergency rule establishing a temporary emergency food delivery program to ensure that certain vulnerable New Yorkers facing food insecurity as a result of the COVID-19 public health emergency have adequate food access. The program aims to feed New Yorkers facing food insecurity during the COVID-19 public health emergency by deploying Taxi and Limousine Commission-licensed drivers of taxis and for-hire vehicles, or other drivers as determined by the agency, to deliver free meals to program participants.

The program will be focused on the City's most vulnerable populations. In order to receive services under the program, the individual or family must meet the following criteria:

- 1. No member of the household is able to obtain food from outside the home:
o as a result of the COVID-19 Public Health Emergency (e.g. the individual is in quarantine or otherwise restricted to their home as a result of City and/or State emergency orders and policies adopted in response to the COVID-19 Public Health Emergency); or
o because the individual is elderly, a person with a disability, or a person with functional needs that prevent or impede travel outside home to obtain food regularly; and

- 2. The individual or family lacks neighbors or other family members that can obtain food for the individual or family; and
3. The individual or family does not receive meal assistance from existing meal delivery programs (including Meals on Wheels and God's Love We Deliver); and
4. The household is either:
o unable to afford meal delivery or grocery delivery as a result of the COVID-19 Public Health Emergency (e.g., crisis led to job loss or other adverse impact on income); or
o normally relies on public food services (e.g., food pantry, soup kitchen, etc.) that are unavailable to the individual or family due to the COVID-19 Public Health Emergency.

This rule is necessary because food insecurity among a growing number of New Yorkers is an immediate and significant problem facing the City during the COVID-19 public health crisis. As businesses lay off workers in response to the Emergency Orders described above and as individuals remain in their homes entirely or to the maximum extent possible, the City expects to see an increased number of food insecure New Yorkers. This includes but is not limited to those who would normally rely on services outside the home such as food pantries, soup kitchens, or other free food service programs. It is anticipated that existing programs for the home delivery of food to food insecure individuals, operated by the City or by non-profits such as Meals on Wheels and God's Love We Deliver, will not have adequate staffing or financial capacity to meet the needs of this population during the period of this emergency.

In order to address the unique and imminent challenge of providing adequate food supply to vulnerable, home-bound New Yorkers, the City has developed an emergency food delivery program. For food insecure residents who meet the criteria described above, home delivery of meals is the safest and most efficient way to ensure that this population is receiving adequate nutrition.

Sections 1043(a) and (i) and 497(a) and (d) of the New York City Charter authorize the Office of Emergency Management to issue this emergency rule. Pursuant to Charter section 1043(d)(4)(i), this rule does not require certification or analysis by the Office of Operations.

New material is underlined.
[Deleted material is in brackets.]

Section 1. The Rules of the City of New York are amended by adding a new Title 72, to read as follows:

TITLE 72

OFFICE OF EMERGENCY MANAGEMENT

CHAPTER 1

EMERGENCY FOOD DELIVERY PROGRAM

§ 1-01. Emergency food delivery. a. An individual or family residing in New York City may request free meals delivered to the home of such individual or family, provided that:

- 1. No such individual member of the household is able to obtain food from outside the home either:
(i) Due to reasons related to the COVID-19 Public Health Emergency, including but not limited to individuals in quarantine by order of a health care professional or otherwise restricted to their home as a result of City or State emergency orders and policies adopted in response to the COVID-19 Public Health Emergency; or
(ii) Because the individual is over the age of 60, a person with a disability, or a person with functional needs that prevent or impede travel outside home to obtain food regularly; and
2. Such individual or family lacks neighbors or other family members that can obtain food for the individual or family; and
3. Such individual or family does not receive sufficient meal assistance from existing meal delivery programs, including but not limited to Meals on Wheels and God's Love We Deliver; and

Such individual or family either:

- (i) Is unable to afford meal delivery or grocery delivery as a result of economic impacts related to the COVID-19 Public Health Emergency, including but not limited to loss of employment or income; or
(ii) Would otherwise rely on public food services, including but not limited to food pantries, soup kitchens and senior centers, that are unavailable or that cannot be accessed by the individual or family due to the COVID-19 Public Health Emergency.

b. Such requests must be made in a form and manner as determined by the Commissioner of Emergency Management. Requests for meal delivery pursuant to this section may be made on the City's website or by calling the City's 311 call center.

c. Meals delivered under this program will be delivered by drivers licensed by the Taxi and Limousine Commission who have chosen to participate in this program in vehicles licensed by such Commission, or may be delivered by such other method as determined by the Commissioner of Emergency Management. Drivers licensed by the Taxi and Limousine Commission may apply to participate in this program in a form and manner as determined by the Commissioner of Emergency Management.

d. Nothing in this section shall be construed as granting any individual or family that meets the eligibility criteria provided in subdivision a of this section a right to receive meal delivery services under this program. In addition to the requirements for eligibility set forth in subdivision a of this section, delivery of meals pursuant to this section is subject to availability of food and drivers.

e. The provisions of this chapter shall be deemed effective as of March 24, 2020. The program provided for in this chapter will terminate at the end of the COVID-19 Public Health Emergency, as determined by Order of the Mayor, or on such other date as determined by the Commissioner of Emergency Management.

Required Finding Pursuant to New York City Charter Section 1043(i)(1)

IT IS HEREBY CERTIFIED that the immediate effectiveness of this emergency rule, which establishes a temporary emergency food delivery program, is necessary to address a public health emergency and to aid the City of New York in responding to COVID-19.

On January 30, 2020, the World Health Organization designated the outbreak of the novel coronavirus, COVID-19, as a Public Health Emergency of International Concern. On January 31, 2020, United States Health and Human Services Secretary Alex M. Azar II declared a public health emergency for the entire United States to aid the nation's healthcare community in responding to COVID-19. On March 7, 2020, Governor Andrew Cuomo declared by Executive Order a disaster emergency for the entire State of New York. On March 12, 2020, Mayor Bill de Blasio declared a State of Emergency within the City of New York. New York State and New York City continue to take measures to address the threat that COVID-19 poses to the health and welfare of its residents and visitors.

On March 20, 2020, the Governor issued Executive Order No. 202.8 ("E.O. 202.8"), which stated that "both travel-related cases and community contact transmission of COVID-19 have been documented in New York State and are expected to be continue" and that "in order to facilitate the most timely and effective response to the COVID-19 emergency disaster, it is critical for New York State to be able to act quickly to gather, coordinate, and deploy goods, services, professionals, and volunteers of all kinds." E.O. 202.8 requires that 100 percent of the workforce in the state remain at home, excluding essential services. In practical effect, this E.O. has resulted in large-scale closures of storefronts and other work locations, resulting in large-scale lay-offs of workers.

Food insecurity among a growing number of New Yorkers is an immediate and significant problem facing the City during the COVID-19 public health crisis. As businesses lay off workers in response to public health restrictions imposed on employers and as individuals remain in their homes entirely or to the maximum extent possible, the City expects to see an increased number of food insecure New Yorkers. This includes but is not limited to those who would normally rely on services outside the home such as food pantries, soup kitchens, or other free food service programs. It is anticipated that existing programs for the home delivery of food to food insecure individuals will not have adequate staffing or financial capacity to meet the needs of this population during the period of this emergency.

Delaying implementation of this rule pending non-emergency rulemaking would foreseeably impede the delivery of the program's free meals to vulnerable, homebound residents of New York City during this public health emergency.

Pursuant to section 1043(i)(2) of the New York City Charter, the emergency rule will remain in effect for not more than 120 days while OEM prepares a permanent rule.

IT IS HEREBY CERTIFIED that the immediate effectiveness of a rule authorizing OEM to establish a temporary emergency food delivery program to serve vulnerable New Yorkers affected by the COVID-19 Public Health Emergency is necessary to address an imminent threat

to the health of residents of New York City and to a necessary service that is normally provided to such residents.
