"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts, at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy

by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)

AGENCY RULES

ADMINISTRATIVE TRIALS AND HEARINGS

■ NOTICE

Notice of Adoption of Rule

Pursuant to the authority vested in the Office of Administrative Trials and Hearings' Environmental Control Board (OATH ECB) by sections 1048, 1049 and 1049-a of the New York City Charter, and in accordance with the requirements of Section 1043 of said Charter, OATH ECB has adopted amendments to Chapter 6 of Title 48 of the Rules of the City of New York.

A proposed version of this rule amendment was published in *The City Record* on May 8, 2020. A public hearing was held on June 9, 2020. No testimony regarding the rule amendment was given at the public hearing, and OATH ECB did not receive any written comments from the public.

Statement of Basis and Purpose of Final Rule

The Office of Administrative Trials and Hearings' Environmental Control Board (OATH ECB) amends subdivision a and subdivision b of section 6-19 of title 48 of the Rules of the City of New York to allow a respondent seeking to file an appeal to obtain a financial hardship waiver for restitution payments. If a respondent wishes to appeal an OATH ECB hearing decision pursuant to such section 6-19, the respondent must, in addition to meeting other requirements, indicate in writing that any fines, penalties, or restitution imposed by the hearing decision have been paid in full, unless the respondent is granted a waiver due to financial hardship, or another exception applies. Prior to this rule amendment, such a waiver could be granted with respect to the payment of fines and penalties, but not with respect to the payment of restitution. The two sections of this rule change, described below, are necessary to ensure that respondents facing financial hardship can exercise their right to an appeal regardless of the type of sanction imposed upon them by a hearing decision.

Section 1 of this rule amends clause (A) of subparagraph (iii) of paragraph 1 of subdivision a of section 6-19 of title 48 of the Rules of the City of New York to permit a respondent who has been granted a financial hardship waiver to file an appeal of an OATH ECB decision without indicating in writing that any payments of restitution imposed by the decision have been made in full. Prior to this rule change, such

alternative would only be available where the decision imposed the payment of a fine or a penalty.

Section 2 of this rule amends subdivision b of section 6-19 of title 48 of the Rules of the City of New York to eliminate the restitution exception for financial hardship waivers. This amendment allows the OATH ECB Chief Administrative Law Judge, or his or her designee, to waive the requirement that a respondent indicate in writing and submit proof that the respondent has paid restitution in full prior to or at the time of filing an appeal, where the respondent has produced evidence of the respondent's financial hardship.

New material is underlined.

[Deleted material is in brackets.]

Section 1. Clause (A) of subparagraph (iii) of paragraph 1 of subdivision a of section 6-19 of title 48 of the Rules of the City of New York is amended to read as follows:

A. Respondent is granted a waiver of prior payment of fines [or], penalties or restitution due to financial hardship, as provided in subdivision (b) of this section;

§ 2. Subdivision b of section 6-19 of title 48 of the Rules of the City of New York is amended to read as follows:

(b) Financial hardship.

[(1)] An application to the Tribunal for a waiver of prior payment due to financial hardship must be made before or at the time of the filing of the appeal and must be supported by evidence of financial hardship. The Chief Administrative Law Judge or his or her designee has sole discretion to grant or deny a waiver due to financial hardship. Application for a waiver does not extend the time to appeal.

[(2) Notwithstanding the provisions set forth in subdivision (a)(iii), above, payment of restitution is not subject to waiver due to financial hardship. If a Hearing Officer has ordered payment of restitution, the Respondent must, prior to or at the time of filing the appeal, submit proof that the Respondent has deposited the amount of restitution with the agency responsible for collecting payment, pending determination of the appeal.]

This proposed rule was not included in the Conflicts of Interest Board's regulatory agenda for this Fiscal Year because it was not anticipated to be a subject of rulemaking at that time.

Where can I find the Conflicts of Interest Board's rules? The Conflicts of Interest Board's rules are in Title 53 of the Rules of the City of New York.

What rules govern the rulemaking process? The Conflicts of Interest Board must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the City Charter.

Statement of Basis and Purpose of the Proposed Rule

The City Planning Commission (the "Commission") is comprised of thirteen members, including a Chair who serves as a regular employee of the City. Pursuant to City Charter § 192(b), Commission members are prohibited from appearing, directly or indirectly, before the Commission, the Department of City Planning, "or any other city agency for which the conflicts of interest board shall, by rule, determine such appearance creates a conflict of interest with the duties and responsibilities of the member." Pursuant to City Charter § 192(b), the Board adopted Board Rules § 1-09 in 1992 to identify the City agencies before which a Commission member's appearance would pose a conflict. The Board notes, in accordance with City Charter § 2603(c)(4), that two advisory opinions, A.O. Nos. 1993-32 and 2007-2, are straightforward applications of Board Rules § 1-09, requiring no codification as a rule.

The Board now proposes to update and clarify the rule. The proposed amendments would:

- (1) remove the definitional sections contained in Board Rules § 1-09(a), which are not unique to the Commission: City Charter § 2601(4) ("Appear"), § 2601(15) ("Ministerial"), and § 2604(b)(6) ("Indirect Appearance");
- (2) organize the prohibitions into a more user-friendly format; and
- (3) update the agency names that have been changed in the intervening years.

The agency names are deleted or revised as follows:

- The reference to the Mayor's Office of Planning and Coordination has been deleted, as such office has ceased to exist.
- The Art Commission has been designated, by Executive Order No. 119 of 2008, as the Public Design Commission. Because the Art Commission remains part of the City Charter, both names are included.
- The Department of Business Services has become the Department of Small Business Services (Local Law 34 of 2002).
- The Economic Development Corporation, originally formed as a local development corporation, was incorporated as a not-for-profit corporation in 2012 but, as a City agency within the meaning of Charter Section 2601(2), has been named explicitly.
- Reference to local development corporations that contract with the Department of Small Business Services has been clarified to include business improvement districts.
- Reference to the Hardship Appeals Panel has been deleted for two reasons: first, no person has been appointed to serve on the Hardship Appeals Panel since its creation (Local Law 70 of 1991) as § 3021 of City Charter Chapter 74. Second, because the Hardship Appeals Panel is part of the same Charter chapter establishing the New York City Landmarks Preservation Commission, the proposed Board Rules § 1-09(a)(7) would already prohibit any appearances before the Hardship Appeals Panel.

New material is underlined.
[Deleted material is bracketed.]

Section 1. Section 1-09 of Chapter 1 of Title 53 of the Rules of the City of New York is REPEALED and a new Section 1-09 is added to read as follows:

§1-09 Prohibited Appearances by City Planning Commissioners Before City Agencies.

- (a) For the purposes of Charter Section 192(b), no member of the City Planning Commission shall appear, within the meaning of Charter Section 2601(4), directly or indirectly on any matter before:
 - (1) the Mayor, Deputy Mayor, and their staffs;
 - (2) the Mayor's Office of Environmental Coordination;
 - (3) the offices of the Borough Presidents;
 - (4) the City Council, including any individual Council Members and their staffs;
 - (5) Community Boards;
 - (6) the Art Commission/Public Design Commission; and
 - (7) the Landmarks Preservation Commission.
- (b) For the purposes of Charter Section 192(b), no member of the Commission shall appear, within the meaning of Charter Section 2601(4), directly or indirectly on any matter involving zoning or land use before:
 - (1) the Department of Buildings, provided that a member of the Commission shall not be barred from filing plans with the Department of Buildings or from making appearances related to the filing of such plans, except that appearances in reconsideration proceedings before a Borough Commissioner, the Commissioner, or a Deputy Commissioner of the Department of Buildings shall be prohibited;
 - (2) the Board of Standards and Appeals;
 - (3) the Department of Consumer Affairs;
 - (4) the Economic Development Corporation; and
 - (5) the Department of Small Business Services and any local development corporation or business improvement district that has entered into a contract with the City to perform services on behalf of the Department of Small Business Services.
- (c) For the purposes of Charter Section 192(b), no member of the Commission shall appear, within the meaning of Charter Section 2601(4), before any City agency with respect to planning, environmental, financial or other aspects of a matter that can reasonably be expected to come before the Commission for approval or other formal action, including, but not limited to, the acquisition or disposition of City-owned land; an application for a zoning change or special permit; action pursuant to the Uniform Land Use Review Procedure; or action on major concessions and franchises.

What rules govern the rulemaking process? The Conflicts of Interest Board must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the City Charter.

Statement of Basis and Purpose of the Proposed Rule

City Charter § 2604(b)(2) prohibits a public servant from engaging in "any business, transaction or private employment, or hav[ing] any financial or other private interest, direct or indirect, which is in conflict with the proper discharge of his or her official duties." As codified in Board Rules § 1-13(b), this means that a public servant may not use City resources, including his or her City title, "for any non-City purpose."

The Conflicts of Interest Board proposes to adopt a new § 1-18 of the Board Rules to apply City Charter § 2604(b)(2) to promotional materials produced by or on behalf of a non-City product, program, or entity. The Board has addressed such promotional materials, including book blurbs and print advertisements, in four advisory opinions on endorsements: Nos. 1991-1, 1995-2, 1998-6, and 2000-3. These opinions reflect a determination by the Board that "the City's interest must be the clear determinant" for a public servant to use his or her City title to promote non-City products, programs, or entities. A.O. No. 1995-2 at 4. Without such a clear City purpose, the use of City resources would "present[] a significant risk of creating the appearance that the public servant's official position is being used to advance a private interest." A.O. No. 1991-1 at 1.

The Board has often concluded, both in this context and others, that a City agency itself is in the best position to decide how best to advance its mission. Thus, in Advisory Opinion No. 2008-6, an opinion on official fundraising, the Board observed: "Elected and appointed officials are selected for, among other things, their good judgment, and the Board finds no basis in Chapter 68 to limit the discretion of these officials as to their official charitable fundraising if they are exercising discretion within their defined areas of responsibility." A.O. No. 2008-6 at 10-11. As a result, the Board advised in this Advisory Opinion, subsequently codified in Board Rules § 1-14, that an agency head need not obtain the Board's approval every time the agency wanted to fundraise on behalf of a not-for-profit organization.

In providing advice about an individual public servant's use of City title for endorsements, the Board under normal circumstances defers to an agency head's determination provided that a demonstrable nexus exists between the product, program, or entity and the agency's mission. Accordingly, the Board proposes to codify a rule that would permit public servants, with the approval of their agency head, to use their City titles in promotional materials produced by or on behalf of a non-City product, program, or entity, provided that there is a demonstrable nexus between the product, program, or entity and the mission of the public servant's City agency.

The determination of whether a demonstrable nexus exists depends on the specific circumstances of the endorsement and the nature of the public servant's work for the City. For example:

- In A.O. No. 2000-3, the Board advised the Police Commissioner that he may write and sign a letter that would serve as the introduction to a book published to raise funds for the NYPD Museum, a not-for-profit organization with the sole mission of educating the public about the New York City Police Department.
- In confidential advice, the Board advised an elected official that the elected official could author a welcome letter for the first edition of a privately published freely distributed magazine promoting public transportation in the City. The Board advised the official that the official could write the letter for the purpose of promoting tourism and the use of public transportation within the elected official's district.
- In confidential advice, the Board advised an elected official that the elected official could not appear in an advertisement for a hospital located within the elected official's district. The Board provided similar advice to a high-ranking public servant's proposed appearance in an advertisement for a for-profit business in A.O. No. 1991-1.

- In confidential advice, Board staff advised a high-ranking public servant that the public servant could author a testimonial for a book that demonstrated the City's role in alleviating inequality and poverty.

To ensure that a public servant is not acting to benefit an associated person or firm— including a close family member such as a spouse, sibling, parent, or child, or any person or firm having a business or financial relationship with the public servant—the rule would prohibit an endorsement where the public servant or the public servant's agency head is associated, within the meaning of City Charter § 2601(5), with either the entity or an employee of the entity that is the subject of the endorsement. This means, for example, that if an agency head's spouse wrote a book on a matter connected to the mission of the agency, an agency employee may not provide a promotional blurb for the book on behalf of the agency.

Text of the Proposed Rule

New material is underlined.

Section 1. Title 53 of the Rules of the City of New York is amended by adding a new section 1-18, to read as follows:

§ 1-18 Use of City Title in Promotional Materials

- (a) Pursuant to Charter § 2604(b)(2) and § 2604(b)(3), a public servant may use or permit the use of his or her City title and/or City agency in promotional materials produced by or on behalf of a non-City product, program, or entity provided that all of the following conditions are met:
 - (i) a demonstrable nexus exists between the product, program, or entity and the mission of the public servant's agency;
 - (ii) neither the agency head nor the public servant is associated, within the meaning of Charter § 2601(5), with either the person or entity or an employee of the person or entity that is the subject of the endorsement or whose product or program is the subject of the endorsement;
 - (iii) the public servant's agency head approves in writing the use of the public servant's City title and/or City agency; and
 - (iv) if the promotional materials solicit donations for a not-for-profit organization, the public servant and public servant's agency comply with the requirements of Board Rules § 1-14.
- (b) For purposes of this section, an elected official, including a District Attorney, is the agency head of the staff members in their office. The Speaker of the New York City Council is the agency head of the central staff of Council, and a Council Member is the agency head of the staff of their office.

EMERGENCY EXECUTIVE ORDER

WHEREAS, on March 7, 2020, New York State Governor Andrew Cuomo declared a State disaster emergency for the entire State of New York to address the threat that COVID-19 poses to the health and welfare of New York residents and visitors; and

WHEREAS, Emergency Executive Order No. 98, issued March 12, 2020 and extended most recently by Emergency Executive Order No. 123, issued June 7, 2020, contains a declaration of a state of emergency in the City of New York due to the threat posed by COVID-19 to the health and welfare of City residents, and such declaration remains in effect; and

WHEREAS, this Order is given because of the propensity of the virus to spread person-to-person and also because the actions taken to prevent such spread have led to property loss and damage; and

WHEREAS, measures taken to combat the spread of COVID-19 may prevent individuals, businesses and other entities from meeting legally imposed deadlines for the filing of certain documents or for the completion of other required actions; and

WHEREAS, this Order is given in order to ensure that the Governor's orders are enforced; and

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct that section 1 of Emergency Executive Order No. 124, dated June 12, 2020, is extended for five (5) days.

§ 2. This Order incorporates any and all relevant provisions of Governor Executive Order No. 202 and subsequent orders issued by the Governor of New York State to address the State of Emergency declared in that Order pursuant to his powers under section 29-a of the Executive Law.

§ 3. I hereby direct the Fire Department of the City of New York, the New York City Police Department, the Department of Buildings, the Sheriff, and other agencies as needed to immediately enforce the directives set forth in this Order in accordance with their lawful enforcement authorities, including but not limited to Administrative Code sections 15-227(a), 28-105.10.1, and 28-201.1, and section 107.6 of the New York City Fire Code.
