The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)

AGENCY RULES

TRANSPORTATION

■ NOTICE

Notice of Adoption

NOTICE OF ADOPTION relating to the update of the New York City Department of Transportation’s (DOT) civil penalty schedule reflecting changes in the law and recently adopted rules.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the New York City Department of Transportation (DOT) by Sections 1043 and 2903 of the New York City Charter and in accordance with the requirements of Section 1043 of the New York City Charter, that DOT hereby amends Section 3-01 of Chapter 3 of Title 34 of the Rules of the City of New York.

This rule was first published on August 31, 2020 and a public hearing was held on October 1, 2020. DOT received written and verbal comments.

Statement of Basis and Purpose of Final Rule

The Commissioner of the New York City Department of Transportation is authorized to issue rules regarding parking and traffic operations and highway operations in the City pursuant to Sections 1043 and 2903 of the New York City Charter.

Pursuant to Local Law 5 of 2018, the maximum civil penalty amounts relating to street construction, maintenance, repairs, obstructions and closures were increased significantly, particularly where public safety is involved. Accordingly, DOT is increasing certain penalty amounts for violations adjudicated at the Office of Administrative Trials and Hearings. The increased penalties are expected to increase compliance with the Department’s rules and thereby promote public safety in the street construction and maintenance process.

Specifically, the rule:

- increases the penalty amounts of 9 current violations;
- adds 7 new penalties to reflect recently adopted rules and changes to the law; and
- provides clearer, more concise language in describing the penalties.

The DOT penalty schedule is being updated to increase penalty amounts, update descriptions, and add new penalties for the following: New York City Administrative Code sections 19-109, 19-121, 19-122, 19-123, 19-124, 19-147, 19-159.4, 19-170, as well as sections 2-02, 2-05, 2-07, 2-09, 2-11 and 2-20 of Title 34 of the Rules of the City of New York.

In response to the comments received, DOT compared some of the proposed penalty amounts with those penalty amounts that are currently in place for similar violations. Accordingly, the following changes were made to the proposed rule, which are reflected in the adopted rules:

- Decreased the proposed penalty amount for failure to post “Steel Plates Ahead” or “Raise Plow” sign from \$750 to \$500.
- Decreased the proposed penalty amount for failure to obtain DOT permit for any changes to, or installation of, temporary construction, parking or regulatory signs and supports from \$1500 to \$750.
- Decreased the proposed penalty amount for installation of an overhead shunt or wrap-around shunt without a DOT permit from \$750 to \$500.
- Decreased the proposed penalty amount for installation of street shunt without a DOT permit from \$1200 to \$750.

New material is underlined.
~~Deleted material is in brackets.~~

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Rule Amendment

Section 1. Section 3-01 of Title 34 of the Rules of the City of New York is amended to read as follows:

CHAPTER 3 PENALTY SCHEDULE

§ 3-01. Department of Transportation Penalty Schedule.

All citations are to the Administrative Code of the City of New York or to this Title.

Except as otherwise noted or provided in the relevant rule or law, a second or subsequent violation is a violation by the same respondent of the same provision of law, with a date of occurrence within 6 months of the date of occurrence of the previous violation.

When a respondent is found to be in violation of any of the following provisions of the Administrative Code or this Title, any civil penalty recommended by the Hearing Officer under 48 RCNY, § 6-17(c)(3), any default penalty imposed pursuant to 48 RCNY § 6-20(b) and subject to § 1049-a(d)(1)(d) of the Charter, and any civil penalty imposed for admissions of violation(s) pursuant to 48 RCNY § 6-09(a) or late admissions pursuant to 48 RCNY § 3-17 will be imposed in accordance with the following penalty schedule:
