The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)
Department of Homeless Services (DHS)
Department of Probation (DOP)
Department of Small Business Services (SBS)
Department of Youth and Community Development (DYCD)
Housing and Preservation Department (HPD)
Human Resources Administration (HRA)

STATEMENT OF BASIS AND PURPOSE

In accordance with the mandate of City Charter § 2603(c) (4) for the Board to review all its advisory opinions and initiate rulemaking to adopt those with "interpretative value in construing provisions" of Chapter 68, the Board has been reviewing the 29 advisory opinions it has issued concerning public servants' acceptance of gifts. These proposed amendments to Board Rules § 1-01 (the "Valuable Gifts Rule") codify advisory opinions with interpretive value and clarify existing rules to conform with current practice. Additionally, the proposed amendments would incorporate the Board's longstanding interpretation of Charter § 2604(b)(3) that the acceptance of gifts offered as a result of a public servant's City position would violate Charter § 2604(b)(3). See, e.g., Advisory Opinion ("A.O.") Nos. 1990-3, 1991-4, 1992-10, 1992-23, 1994-12, and 2000-4.

1. Gifts to Enhance Agency Morale

In proposed Board Rules § 1-01(i), the Board would address acceptance by the City of blocks of free tickets for entertainment, sporting, and cultural events. For these kinds of events, the attending public servants would not be performing any governmental work; instead, the City is distributing the gifted tickets to its employees to promote office morale or reward good performance. The Board addressed such gifts in A.O. No. 2000-4, advising that it would be permissible to accept the donation of tickets for use by City employees if: (1) approved by and distributed in a manner approved by an agency head; and (2) the donation does not raise significant concerns of a conflict of interest, such as the donor having a project pending before the accepting City agency or the donor having any role in selecting the public servants who will attend. See also A.O. No. 1992-33 at 4 (advising that agency employees cannot accept free travel and hotel lodging offered a part of a morale boosting program by a firm with matters before that agency).

This longstanding interpretation of Chapter 68 is consistent with advice provided by the Board in A.O. No. 2007-3, permitting a registered lobbyist to offer blocks of tickets as gifts to the City with agency head approval. The four-factor test in proposed Board Rules § 1-01(i) would provide a mechanism by which the City may accept gifts to benefit its workforce while also safeguarding against the efforts of donors to target public servants involved in their City business or reward public servants for providing them with favorable determinations.

One of the four factors would exclude from acceptance of free attendance those public servants who hold positions of authority, defined as any public servant who is required by New York City Administrative Code Section 12-110 to file an annual disclosure report. Members of this group of public servants (which includes elected officials; public servants who are candidates for City elective office; public servants who have been designated as having substantial policy discretion pursuant to Board Rules Section 1-02; public servants responsible for reviewing contracts, leases, and other agreements; members of boards and commissions; and certain classes of higher-ranking public servants) are excluded from accepting free tickets to purely recreational events because such acceptance may implicate donors targeting them in the hopes of securing favorable City determinations.

2. Donations for Personal Emergencies

In proposed Board Rules § 1-01(j), the Board would establish a standard to permit a public servant to accept otherwise prohibited donations in the event of a personal emergency similar to that articulated in A.O. No. 1992-29. In A.O. No. 1992-29, the Board advised an injured public servant's co-workers that they could raise funds for his medical expenses from firms that were regulated by their agency or may have matters before the injured public servant, provided that all funds were collected by a third party not connected to the agency and that the donors' identities were not revealed to the public servant or to any other agency employee. Proposed Board Rules § 1-01(j) would permit public servants to accept anonymized donations in emergency situations, subject to strict restrictions on who may solicit donations and from whom donations may be solicited. Public servants who comply with these requirements would be able to accept otherwise prohibited contributions, provided that the contributions address the need caused by the emergency.

3. Gifts between Public Servants

In proposed Board Rules § 1-01(k), the Board would refine the advice provided in A.O. No. 2013-1 concerning gifts between public servants. Proposed Board Rules § 1-01(k)(1) would make it clear that public servant peers may give gifts to each other and that superiors may give gifts to subordinates. In both scenarios, the recipient of the gift has no authority in their City job over the giver; thus, accepting the gift would be permissible. Proposed Board Rules § 1-01(k)(2) would set forth the general prohibition against public servants accepting

gifts from their subordinates, with two exceptions: first, proposed Board Rules §1-01(k)(2)(i) would permit a superior to accept a from a subordinate on a special occasion marking a major life event, such as a wedding, the birth or adoption of a child, or retirement, where the gift is appropriate to the occasion; second, proposed Board Rules § 1-01(k)(2)(ii) would permit a public servant to accept gifts other than gifts of cash or cash equivalents (such as gift cards) on other events, such as holidays or birthday, from their subordinates, or a group of subordinates, where the total value of the gift is \$10 or less. By providing a \$10 limit on the total value of any gift accepted by a supervisor, and by excluding cash and cash equivalents, proposed Board Rules § 1-01(k)(2)(ii) would offer a safeguard against a superior -- particularly in a large City agency or office -- receiving hundreds of dollars in cash or cash equivalents, such as gift cards, from their subordinates.

4. Disposition of Impermissible Gifts

In proposed Board Rules § 1-01(l), the Board would clarify existing Board Rules § 1-01(i) by setting the order of steps a public servant must take to dispose of an impermissible gift. A public servant who receives an impermissible gift must first attempt to return the gift because that gift should not be accepted. If the gift cannot be returned, the public servant's agency head may, after providing written notice to the inspector general for the agency: (a) direct the item to be donated to the agency, to an entity as defined in Board Rules § 1-14(a)(1)(iii), or to the Mayor's Fund to Advance New York; (b) share the item within the agency; or (c) destroy the item.

5. Compatibility with Other Laws

In proposed Board Rules § 1-01(m), the Board would consolidate provisions of existing Board Rules § 1-01 addressing other regulatory or statutory regimes. Proposed Board Rules § 1-01(m) would not substantively change the restrictions set forth in existing Board Rules § 1-01(i), (j), and (k) except to explicitly reference Charter § 2604(b)(3) and Charter § 2604(b)(14).

New material is underlined.

Section 1. Subdivisions (i) through (k) of Chapter 1 of Title 53 of the Rules of the City of New York, relating to acceptance of valuable gifts, are REPEALED and new subdivisions (i) through (m) are added to read as follows:

(i) Gifts to Enhance Employee Morale

- (1) For the purposes of Charter § 2604(b)(3) and Charter § 2604(b)(5), tickets to an entertainment, sporting, or cultural event may be accepted as a gift to the City for use by City employees provided that:
 - i. the attending public servants are not required to file annual disclosure reports pursuant to New York City Administrative Code Section 12-110;
 - ii. the offer of the free attendance is unsolicited by any public servant;
 - iii. the public servants attending the event are selected according to a method that receives agency head approval in writing; and

WHEREAS, Emergency Executive Order No. 98, issued March 12, 2020 and extended most recently by Emergency Executive Order No. 165, issued December 3, 2020, contains a declaration of a state of emergency in the City of New York due to the threat posed by COVID-19 to the health and welfare of City residents, and such declaration remains in effect; and

WHEREAS, this Order is given because of the propensity of the virus to spread person-to-person and also because the actions taken to prevent such spread have led to property loss and damage; and

WHEREAS, measures taken to combat the spread of COVID-19 have created a particular need to enliven the City's commercial corridors and provide businesses with an opportunity to generate revenue while allowing customers and employees to practice social distancing in order to protect public health and safety; and

WHEREAS, covered businesses in the City have seen a significant decrease in business traffic and revenue during the pandemic, due to indoor capacity limits and other measures implemented to combat the spread of COVID-19; and

WHEREAS, allowing covered businesses to conduct certain business operations in space directly in front of their establishments on the sidewalk, and on roadways opened pursuant to the Open Streets: Restaurants initiative, will enable such businesses to increase their customer base while maintaining social distancing, and will protect public health by allowing customers to shop outside;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

a. The definition of "covered business" in section 1(a)(1) is amended to include a food service establishment that has not registered for the Open Streets: Restaurants Program set forth in Emergency Executive Order No. 126 and as amended by subsequent Emergency Executive Orders, to the extent such food service establishment limits the business that it conducts in its outdoor commercial premises to pick-up of pre-ordered food and the offer and sale of prepared prepackaged food or whole, uncut fruit or vegetables. Any pre-ordered food for pick-up or prepackaged food offered for sale outdoors must comply with Articles 71 and 81 of the New York City Health Code, Chapter 23 of Title 24 of the Rules of the City of New York, the New York State Sanitary Code, and any other relevant State or Federal food safety regulation or law. A food service establishment operating pursuant to the Open Storefronts Program is not authorized to provide seating for customers.

b. Section 1(g) is amended to provide that the Open Storefronts Program shall remain in effect through September 30, 2021, unless later extended by subsequent Emergency Executive Order.

c. Section 7 is amended to read as follows:

§ 7. In order to further encourage the use of outdoor space by retail businesses and customers, I hereby authorize the Department of Transportation to grant concessions for the use of pedestrian plazas for outdoor retail markets, provided any such concession shall not be subject to renewal and shall have a term of less than 120 days

d. Section 8 is amended to provide that notwithstanding such section's suspension of the Open Storefronts Program in any location identified by the New York State Cluster Action Initiative as a "Red Zone" where outdoor dining is prohibited pursuant to Governor Executive Order No. 202.68, a food service establishment may continue to operate outdoors under the Open Storefronts program for the purpose of pick-up of pre-ordered food only.

Violations of the directives set forth in this Order may be issued as if they were violations under the New York City Health Code, title 24 Rules of the City of New York sections 3.07 and 3.11, and may be enforced as such by the Department of Health and Mental Hygiene or any other agency named in this section.

EMERGENCY EXECUTIVE ORDER NO. 184

February 22, 2021

EMERGENCY EXECUTIVE ORDER

WHEREAS, on March 7, 2020, New York State Governor Andrew Cuomo declared a State disaster emergency for the entire State of New York to address the threat that COVID-19 poses to the health and welfare of New York residents and visitors; and

WHEREAS, Emergency Executive Order No. 98, issued March 12, 2020 and extended most recently by Emergency Executive Order No. 179, issued February 1, 2021, contains a declaration of a state of emergency in the City of New York due to the threat posed by COVID-19 to the health and welfare of City residents, and such declaration remains in effect; and

WHEREAS, this Order is given because of the propensity of the virus to spread person-to-person and also because the actions taken to prevent such spread have led to business closures and increased unemployment; and

WHEREAS, the COVID-19 pandemic has led to a precipitous decline in airport traffic, resulting in extraordinary economic loss, and it will take several years for the commercial airline industry to fully recover and for airport revenues to return to pre-pandemic levels; and

WHEREAS, COVID-19 has magnified the need to redesign airports to facilitate health and safety; and

WHEREAS, the Port Authority of New York and New Jersey ("Port Authority") holds a ground lease with the City of New York for John F. Kennedy International Airport ("JFK Airport") and LaGuardia Airport (together, the "City Airports") through the year 2050, and for the past few years has been working with its subtenants at JFK Airport (e.g., terminal operators and airlines) on a comprehensive plan for the redevelopment of JFK Airport, which is projected to create approximately 20,000 jobs over the life of the project and significantly improve the airport's operations, environmental sustainability and stature as a world class airport; and

WHEREAS, due to the unforeseen delays in finalizing construction contracts and the financial impact resulting from the pandemic, including reduced revenues due to decreased airport traffic, diminished revenue projections into the near future, and constrained financing options, the Port Authority's redevelopment plan for JFK Airport has been delayed and is no longer financially viable under the lease's current term; and

WHEREAS, the Port Authority has indicated it can only expect to proceed with its redevelopment plan if the lease is extended, and an extension of the lease term would be subject to the Uniform Land Use Review Procedure, a process that ordinarily would be expected to take 9-12 months; and

WHEREAS, an immediate extension of the lease term is necessary in order to enable the redevelopment to proceed;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct that, to the extent an amendment to extend the term of the ground lease between the Port Authority and the City of New York for the City Airports by a period of ten (10) years is subject to sections 197-b, 197-c, 197-d, or 1301(2)(l) of the New York City Charter or sections 2-01 through 2-07 of title 62 of the Rules of the City of New York, such provisions are suspended.

§ 2. This Emergency Executive Order shall take effect immediately, and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.

Bill de Blasio,
MAYOR
