IN THE MATTER OF an application submitted by Camber Property Group LLC for a modification to the previously approved application (CP-22380) to update the previously approved plans and zoning calculations to reflect the proposed as-of-right development of 6 new mixed residential and community facility buildings, within an existing large-scale residential development bounded by Lafayette Avenue, White Plains Road, Seward Avenue, and Thieriot Avenue (Block 3600, Lot 4), in an R6 District.

Plans for this proposal are on file with the City Planning Commission and may be seen, at 120 Broadway, 31st Floor, New York, NY 10271-0001.

NOTICE

On August 18th, 2021, a public hearing is being held by the City Planning Commission (CPC), accessible both in person and remotely, in conjunction with the above hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by Camber Property Group for a minor modification to the Stevenson Commons LSRD and an amendment to an existing project plan to facilitate the construction of six new affordable residential buildings, including 753 units of affordable housing in Soundview, Bronx Community District 9. The Stevenson Commons site (a.k.a. the "Project Area") at 1850 Lafayette Avenue comprises the 679,000-square foot (sf) superblock bounded by Lafayette Avenue, White Plains Road, Seward Avenue, and Thieriot Avenue. The eastern portion of the site is currently developed with a mix of residential, retail, community facility, and/or accessory parking uses. The Proposed Actions would facilitate new construction on the Stevenson Commons site that would result in an incremental (net) increase of approximately 735 affordable dwelling units, including 621 income-restricted housing units and 114 affordable independent residences for seniors (AIRS), 33,995 gsf of community facility uses, approximately 1.94 acres of publicly accessible open space, and a net decrease of 104 accessory parking. The Proposed Actions would facilitate the development of six new residential and community facility buildings with approximately 735 total new units (621 income-restricted housing units and 114 affordable independent residences for seniors ("AIRS")) on lands that currently are underutilized and present unsafe conditions. The Proposed Project is compliant with the underlying R6 zoning district. The location and bulk of the existing Stevenson Commons buildings would not change, and no new modifications of zoning provisions are required for either

the Proposed Project or the existing Stevenson Commons buildings.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through August 30th, 2021.

For instructions on how to submit comments and participate remotely, please refer to the instructions at the beginning of this agenda.

This hearing is being held, pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 21DCP044X.

NOTICE

On Wednesday, August 18, 2021, a public hearing is being held by the City Planning Commission (CPC), accessible both in

person and remotely, in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by BP 347 Madison Associates, LLC, (BP) and the Metropolitan Transportation Authority (MTA) (the Applicant). The Applicant is seeking from the CPC two Vanderbilt Corridor Subarea special permits, pursuant to Zoning Resolution §81-633 (Grand Central public realm improvements) and §81-634 (modifications to bulk regulations and mandatory district plan elements), in order to redevelop the property located at 341-347 Madison Avenue (the Project Site), within the Vanderbilt Corridor and Grand Central Core Area of the Special Midtown District's East Midtown Subdistrict in Manhattan, Community District 5. The Project Site is owned by the MTA, from which BP is seeking approval of a net lease on the property. The Proposed Action, which is expected to be completed by 2026, would facilitate the redevelopment of the Project Site with the Proposed Project—a new, approximately 925,630-gross-square-foot (gsf) commercial office building up to 1,050 feet tall (including the bulkhead), with ground floor retail uses, below-grade space (i.e., mechanical and back-of-house space), and on-site transportation improvements that would create new pedestrian access to, and egress from, the new Long Island Rail Road (LIRR) East Side Access (ESA) concourse (the existing connection from 45th Street to the Grand Central Terminal (GCT) Roosevelt Passageway would remain adjacent to the site at 52 Vanderbilt). The Proposed Action would also provide off-site improvements to passenger circulation at the Grand Central – 42nd Street Subway Station, including improvements to passenger connections to the IRT Flushing Line (#7 Train) platform.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through Monday, August 30, 2021.

For instructions on how to submit comments and participate remotely, please refer to the instructions at the beginning of this agenda.

This hearing is being held, pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 21DCP020M.

The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)

Department of Probation (DOP)
Department of Small Business Services (SBS)

Department of Youth and Community Development (DYCD)
Housing and Preservation Department (HPD)
Human Resources Administration (HRA)

AGENCY RULES

HOMELESS SERVICES

■ NOTICE

Notice of Adoption of Amendment to Title 31 of the Rules of the City of New York to Add a New Chapter 5 Regarding the Special One Time Assistance (SOTA) Program

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Commissioner of the New York City Department of Homeless Services ("DHS") pursuant to Section 603 of the New York City Charter, and in accordance with the requirements of Section 1043 of the New York City Charter, that DHS has adopted the above final rule.

A proposed rule was published in the City Record on March 22, 2021 and a public hearing was held on June 15, 2021.

Statement of Basis and Purpose

The Special One Time Assistance (SOTA) Program provides one year of rent to eligible New York City Department of Homeless Services (DHS) clients who have been in shelter for at least 90 days to move within New York City, to other New York State counties, or outside of New York State.

SOTA can be accessed by working individuals and families and those who receive Supplemental Security Income (SSI), Social Security Disability Income (SSDI) and other forms of income as long as there is the future ability to make rent payments based on the household's rent not exceeding forty percent of the household's income. Once a household is approved for SOTA, the New York City Human Resources Administration (HRA) will establish an account for the purpose of making monthly rental payments to the landlord. After the year covered by the SOTA grant, the household will be responsible for paying their own rent and, except in extraordinary circumstances, will not be eligible to receive SOTA again in the future.

DHS's authority for this rule may be found in section 603 of the New York City Charter.

New material is underlined.

The New York City Department of Homeless Services hereby amends Title 31 of the Rules of the City of New York to include a new chapter 5, which will read as follows:

The Special One Time Assistance (SOTA) Program

§ 5-01 Definitions.

For the purposes of this chapter, the following terms have the following meanings:

- (a) The "Commissioner" means the Commissioner of the New York City Department of Social Services or the Commissioner's designee.
- (b) "DHS" means the New York City Department of Homeless Services.
- (c) A "DHS family shelter" is a shelter for families with children or adult families operated by or on behalf of the DHS.
- (d) A "DHS single adult shelter" means a shelter for single adults operated by or on behalf of DHS.
- (e) "DSS" means the New York City Department of Social Services, which includes both DHS and the New York City Human Resources Administration.
- (f) "Gross income" means the sum of: (1) earned income, as defined in Section 352.17(a) of Title 18 of the New York Codes, Rules and Regulations, except that it shall exclude

income earned through the New York City Department of Youth and Community Development's Summer Youth Employment Program; and (2) unearned income, as defined in Section 387.10(b)(3) of such title, except that it shall exclude PA and shall only include income that is regularly recurring. All other income deductions or exclusions, including those set forth in Sections 387.11 and 387.12 of Title 18 of the New York Codes, Rules and Regulations shall not be applied when calculating a household's gross income.

- (g) The "shelter household" means the individual or individuals who resided in shelter who intend to reside or do reside together in the SOTA unit.
- (h) The "household" means the shelter household and any additional individuals who intend to reside with the shelter household in the SOTA unit if they are the spouse, domestic partner or dependent child of any member of the shelter household or the parent or step-parent of any member of the shelter household under the age of 21.
- (i) "HRA" means the New York City Human Resources Administration.
- (j) "PA" means public assistance benefits, including monthly grants and shelter allowances, issued under the Family Assistance program pursuant to New York Social Services Law § 349 and/or the Safety Net Assistance program pursuant to New York Social Services Law § 159, and regulations promulgated thereunder.

- (l) A "SOTA grant" means the payments made by HRA pursuant to section 5-03(c) of this chapter.
- (m) A "SOTA unit" is a residential unit to which SOTA payments are being applied pursuant to this chapter.
- (n) The "Special One-Time Assistance Program" or the "SOTA Program" means the program established pursuant to this chapter.

§ 5-02 In General.

- (a) The Special One Time Assistance (SOTA) program provides one year of monthly rent payments to enable eligible residents of New York City Department of Homeless Services (DHS) shelters to move to permanent residences within or outside of New York City. Available only to households with income, the program is designed to help put program participants in a position where they can be self-sufficient following the year covered by the SOTA grant. As such, it is a one-time grant.
- (b) DHS shall administer the SOTA Program, except that the account from which SOTA payments will be made will be established by HRA.

§ 5-03 Eligibility and Payments.

- (a) To be eligible for SOTA, a household must meet the following requirements:
 - (1) The shelter household must reside in DHS shelter and have a qualifying shelter stay, except as provided in subdivision (d) of this section.
 - (2) If any member of the household has been determined to be eligible for HRA shelter under Section 452.9 of Title 18 of the New York Codes, Rules and Regulations, the household must not include the perpetrator of the domestic violence that resulted in such determination.
 - (3) If the shelter household is currently in a DHS family shelter, the household must be eligible for shelter as determined by DHS pursuant to Parts 351 and 352 of Title 18 of the New York Codes, Rules and Regulations.
 - (4) The household must have a lease or an agreement to rent for at least one year a residence they have selected that meets the requirements set forth in section 5-04, including the requirement that the total rent for the unit or the household's proportionate share, as applicable, not exceed forty percent of the household's income.
 - (5) The household must not have previously had SOTA payments paid on its behalf, except as provided in subdivision (d) of this section.
 - (6) The household must:
 - (1) provide accurate, complete and current information on income and household composition;

- (2) provide supporting documentation as necessary to verify eligibility;
- (3) agree to have its SOTA grant paid directly to the landlord; and
- (4) agree to the household requirements set forth in section 5-05 of this chapter.
- (7) The household's income must not exceed eighty percent of the New York City area median income for the household's size as established by the United States Department of Housing and Urban Development.

(b) Qualifying Shelter Stay and Limitations.

- (1) Qualifying Shelter Stay. A shelter household in a DHS family shelter will have a qualifying shelter stay for purposes of section 5-03(a)(1) of this chapter if the shelter household has resided in a DHS shelter for at least 90 days prior to approval, excluding gaps of up to ten calendar days. An individual in a DHS single adult shelter will have a qualifying shelter stay for purposes of section 5-03(a)(1) if the individual has resided in a DHS shelter for at least 90 of the last 365 days. Once a household has a qualifying shelter stay, it will not lose its qualifying shelter stay by moving from one type of shelter to another.
- (2) Changes to Qualifying Shelter Stay. The Commissioner may change what constitutes a qualifying shelter stay for purposes of paragraph (1) of this subdivision, upon an evaluation of: housing market conditions, shelter utilization rates, and the availability of funding.
- (c) Households must submit an application on a form and in a format established by DHS. Subject to the availability of funding, if the household meets the requirements of this section and the landlord and residence selected by the household satisfy the requirements of this chapter, DHS shall approve the household's application and refer the case to HRA to establish an account from which monthly payments will be made directly to the landlord for a period of one year, provided the household continues to reside in the SOTA unit and subject to the withholding procedures set forth in section 5-07. If the total monthly rent for the SOTA unit does not exceed forty percent of the household's income, the monthly payments will be equal to the total monthly rent for the SOTA unit minus any contributions from third parties. If the requirements of section 5-04(b) are satisfied and the total monthly rent for the SOTA unit exceeds forty percent of the household's income, the monthly payments will be equal to the household's proportionate share as described in that subdivision.
- (d) In extraordinary circumstances, DHS may, in its discretion, approve a second SOTA grant on behalf of a household where, for reasons outside the household's control, the household has already returned to, or is at risk of returning to, DHS shelter within six months of payment of the first SOTA grant.

§ 5-04 The SOTA Unit

- (a) A SOTA application will not be approved pursuant to subdivision (c) of section 5-03(a) of this chapter, unless the residence to which SOTA payments will be applied meets the following requirements:
 - (1) The residence must be within one of the 50 states of the United States of America, the District of Columbia or one of the territories of the United States.
 - (2) The rent for the residence must be reasonable in comparison to other comparable units in the area where the unit is located.
 - (3) Except as provided in subdivision (b) of this section, the rent for the residence must not exceed forty percent of the household's gross income.
 - (4) If the lease is for an individual room in an apartment or in a single-family dwelling in New York City, the rent cannot exceed the lesser of forty percent of the household's gross income or \$800. The residence cannot be an individual room in an apartment or other dwelling, except in New York City. Room rentals will only be approved for households consisting of one or two adults with no children and will not be approved where the room is in a rent-stabilized or rent-controlled unit.
- (b) The rent for the residence may exceed forty percent of the household's gross income only if the household's proportionate share of the rent does not exceed forty percent of the household's gross income and there is an additional individual on the lease whose proportionate share of the rent

does not exceed forty percent of such individual's gross income. For purposes of this subdivision, the household's proportionate share of the rent shall be half of the rent if there is one additional individual on the lease whose income is being used to enable the household to move into a unit with a rent that is higher than would otherwise be permitted. If there is more than one such additional individual, the household's proportionate share will be determined on a case by case basis, considering such factors as household composition and number of bedrooms intended to be used primarily by the household.

- (c) If the residence is in New York City, in the New York State counties of Nassau, Rockland, Suffolk or Westchester, or in the New Jersey counties of Bergen, Essex, Hudson, Middlesex, Passaic or Union, the residence must meet a safety and habitability assessment. If the residence is in New York City, such assessment will be the same assessment that is used in the CityFHEPS program under chapter 10 of this title. If the residence is in one of the other counties listed in this subparagraph, the assessment will be substantially similar to the assessment that is used in the CityFHEPS program. Regardless of the location of the residence, the landlord must comply with all applicable building and housing code standards and ensure that the SOTA unit is habitable at the time of rental and during the year covered by the SOTA grant.

§ 5-05 Household Requirements

- (a) During the year that is covered by the SOTA grant:
 - (1) The program participant must notify DSS immediately if the household plans to move out of the SOTA unit.
 - (2) The program participant must promptly notify DSS if they are served with eviction papers.
 - (3) The program participant must promptly notify DSS if they learn that the landlord or the person to whom rent should be sent changes.
 - (4) The household must make best efforts to maintain the actual or projected income that they reported to DHS at the time they were approved for SOTA.
 - (5) The household must file for all work supports for which it is entitled. These may include public benefits and tax credits, such as the Earned Income Tax Credit (EITC), the Child Tax Credit (CTC) and the Child Care Tax Credit (CCTC).
 - (6) The household must seek all appropriate services as necessary to preserve their tenancy, including, but not limited to, job placement, landlord-tenant mediation, financial counseling and anti-eviction services. If the household is in New York City, it can receive assistance or referrals for these services from their designated service provider or local Homebase office. If the household is outside of New York City, it can receive referrals for services from a hotline operated by DSS.
 - (7) The program participant must notify the landlord in writing if the landlord fails to properly maintain or make necessary repairs to the SOTA unit. If the problem persists, and the program participant would like their rent to be withheld pursuant to section 5-07, they must notify HRA and provide documentation of the problem and their notification to the landlord.
 - (8) If any member of the household has been determined to be eligible for HRA shelter under Section 452.9 of Title 18 of the New York Codes, Rules and Regulations, the household must not include the perpetrator of the domestic violence that resulted in such determination.
 - (9) The household must not sublet the SOTA unit or assign their rights to the unit.
 - (10) The household must otherwise cooperate with DSS in its administration of the SOTA program.
- (b) At the end of the year covered by the SOTA grant, the household will be responsible for paying their own rent.

§ 5-06 Landlord Requirements

- (a) Landlords participating in the SOTA program are subject to the following requirements:
 - (1) The landlord must accept the HRA security voucher in lieu of a cash security deposit and not request any additional security from the household;
 - (2) The landlord must not demand, request, or receive any amount above the rent or reasonable fees stipulated in the lease during the year that is covered by the SOTA grant.

- (3) The landlord must deem SOTA payments that are issued by the last day of the month as timely payments towards the SOTA unit's rent for that month, regardless of any provisions in the lease to the contrary.
- (4) During the year covered by the SOTA grant, the landlord must not move a household from the SOTA unit to another residence without prior written approval from both DSS and the household.
- (5) During the year covered by the SOTA grant, the landlord must notify DSS within 5 business days of learning that the household no longer resides in the SOTA unit.
- (6) During the year covered by the SOTA grant, the landlord must notify DSS within 5 business days if any legal proceeding affecting the household's tenancy is commenced;
- (7) During year covered by the SOTA grant, the landlord must notify DSS as soon as reasonably practicable if ownership or management of the SOTA unit is changing;
- (8) The landlord must return any payments from the SOTA Program to DSS for any period that the household was not residing in the SOTA unit;
- (9) The landlord must promptly report and return to DSS any overpayments of rent, including, but not limited to overpayments caused by inaccurate information provided to DSS, or changes in ownership, payee, or management.
- (10) The landlord must notify DSS within 5 business days of learning that the household has permanently left or plans to permanently leave the SOTA unit during the year covered by the SOTA grant and return any payments from HRA for any period of time the household was not residing in the unit.
- (11) Landlords must comply with all applicable building and housing code standards and ensure that the SOTA unit is habitable at the time of rental and during the year covered by the SOTA grant.
- (12) If the SOTA unit is an individual room in an apartment or single family dwelling in New York City, utilities must be included in the rent.
- (13) The landlord of the unit may not be the spouse, domestic partner, parent, child, step-parent, step-child, grandparent, grandchild, step-parent, stepchild, sister or brother, step-brother or step-sister of any member of the household. This requirement may be waived for good cause.
- (b) Prior to approval of a SOTA application, the landlord of the unit towards which SOTA grants will be applied must agree to the requirements in subdivision (a) of this section, must disclose if they have with respect to any household member any of the familial relationships specified in section 5-06(a) (13) and must certify that the unit is currently habitable and in compliance with applicable housing and building codes. These agreements, disclosures and representations shall be made on a form to be provided by DHS that indicates that failure to provide true and accurate statements is punishable as a Class A Misdemeanor pursuant to Section 175.30 of the New York Penal Law § 175.30.
- (c) Landlords may be banned from participation in City rental assistance programs for violations of any of the landlord requirements. Before placing a landlord on a disqualification list, DSS will provide notice to the landlord and an opportunity for the landlord to object in writing. Landlords who fail to comply with applicable building and housing code standards during the year covered by the SOTA grant may be subject to the withholding procedures set forth in section 5-07 of this chapter.

§ 5-07 Withholding

- (a) A household may request that SOTA payments be withheld from the landlord based on problems with housing conditions. HRA in its discretion may grant any such request based on:
 - (1) submission by the household of documentation of a housing court or other court action against the landlord;
 - (2) if the unit is outside New York City, submission by the household of documentation from the appropriate local government authority confirming the housing condition about which the household is complaining; or
 - (3) if the unit is in New York City, confirmation that a violation has been issued by the New York City Department of Buildings, the New York City

Department of Housing, Preservation and Development, or other applicable agency.

- (b) In exercising its discretion, HRA may consider, among other things, the severity of the condition or conditions, the extent to which the condition or conditions affect the habitability of the unit, and any efforts by the landlord to resolve the conditions.
- (c) If the request for withholding is granted, HRA will notify both the household and the landlord. The household or the landlord may request that SOTA payments be resumed and that SOTA payments previously withheld be released. If the landlord makes the request, the landlord must provide a court order or an inspection report indicating that the condition has been cleared and must do so within 60 days of the issue being resolved. If the program participant makes the request, they must provide a written attestation that the issues that led to the withholding have been resolved. Withheld payments will only be released if the issue was resolved while the program participant continued to reside in the unit and will only be released for periods of time when the program participant resided in the unit.

§ 5-08 Agency Review Conference and DSS Administrative Appeal Process.

- (a) Right to DSS Administrative Review.

An applicant or program participant may request an agency review conference and/or a DSS administrative hearing to seek review of any determinations or actions made by DSS under this subchapter, as well as any failures to act, or failures to act with reasonable promptness, by DSS in implementing the provisions of this subchapter.

- (b) Agency Review Conference.

- (1) If an individual requests an agency review conference pursuant to subdivision (a) of this section, DSS shall informally review and attempt to resolve the issues raised.
- (2) An individual may request an agency review conference without also requesting a DSS administrative hearing. Requesting an agency review conference will not prevent an individual from later requesting a DSS administrative hearing.
- (3) An agency review conference must be requested within sixty days after the challenged determination or action, provided further that if a DSS administrative hearing is scheduled, an agency review conference must be requested reasonably in advance of the scheduled hearing date.
- (4) A request for an agency review conference will extend the time period to request a DSS administrative hearing as set forth in paragraph (2) of subdivision (c) of this section to sixty days after the date of the agency review conference.

- (c) Request for a DSS Administrative Hearing.

- (1) An administrative hearing must be requested in writing. Such written request must be submitted by mail, electronic means or fax, or other means as DSS may set forth in an appeals notice.
- (2) Except as provided in paragraph (4) of subdivision (b) of this section, a request for an administrative hearing must be made within sixty days after the challenged determination or action.

- (d) Authorized Representative.

- (1) Except where impracticable to execute a written authorization, a person or organization seeking to represent an individual who has requested a conference or hearing under this section must have the individual's written authorization to represent him or her at an agency review conference or administrative hearing and to review his or her case record, provided that such written authorization is not required from an attorney retained by such individual. An employee of such attorney will be considered an authorized representative if such employee presents written authorization from the attorney or if such attorney advises DSS by telephone of such employee's authorization.
- (2) Once DSS has been notified that a person or organization has been authorized to represent an individual at an agency review conference or administrative hearing, such representative will receive copies of all correspondence sent by DSS to the individual relating to the conference and hearing.

(e) Notice.

DSS shall provide the individual who has requested a hearing under this section with notice of the date, time, and location of the administrative hearing no fewer than seven calendar days prior to the scheduled date of the administrative hearing, unless the issue underlying the request for an administrative hearing has been resolved and the individual has withdrawn his or her hearing request.

(f) Examination of Case Record.

The individual who has requested a conference or hearing under this section or his or her authorized representative has the right to examine the contents of his or her SOTA program case file, if one exists, and all documents and records that DSS intends to use at the administrative hearing. Upon request by telephone or in writing, DSS shall provide such individual with copies of all such documents, and copies of any additional documents in the possession of DSS that the individual identifies and requests for purposes of preparing for the administrative hearing. DSS shall provide such documents at no charge reasonably in advance of the administrative hearing. If the request for such documents is made less than five business days before the administrative hearing, DSS must provide the individual with copies of such documents no later than at the time of the administrative hearing.

(g) Adjournment.

The administrative hearing may be adjourned for good cause by the administrative hearing officer on his or her own motion or at the request of the individual who requested the hearing or his or her authorized representative, or DSS.

(h) Conduct of Administrative Hearing.

- (1) The administrative hearing shall be conducted by an impartial hearing officer appointed by DSS who shall have the power to administer oaths and issue subpoenas and who shall have no prior personal knowledge of the facts concerning the challenged determination or action.
- (2) The administrative hearing shall be informal, all relevant and material evidence shall be admissible and the legal rules of evidence shall not apply. The administrative hearing shall be confined to the factual and legal issues raised regarding the specific determination(s) for which the administrative hearing was requested.
- (3) The individual who requested the hearing shall have a right to be represented by counsel or other representative, to testify, to produce witnesses to testify, to offer documentary evidence, to offer evidence in opposition to the evidence presented by DSS, to request that the hearing officer issue subpoenas, and to examine any documents offered by DSS.
- (4) An audio recording, an audio visual recording or written transcript of the administrative hearing shall be made.

(i) Abandonment of Request for Administrative Hearing.

- (1) DSS will consider an administrative hearing request abandoned if neither the individual who requested the hearing nor his or her authorized representative appears at the administrative hearing, unless either the individual or his or her authorized representative has:
 - (A) contacted DSS prior to the administrative hearing to request rescheduling of the administrative hearing; or
 - (B) within fifteen calendar days of the scheduled administrative hearing date, contacted DSS and provided a good cause reason for failing to appear at the administrative hearing on the scheduled date.
- (2) DSS will restore the case to the calendar if the individual who requested the hearing or his or her authorized representative has met the requirements of paragraph (1) of this subdivision.

(j) Hearing Record.

The recording or written transcript of the hearing, all papers and requests filed in connection with the hearing, and the hearing decision collectively constitute the complete and exclusive record of the administrative hearing.

(k) Hearing Decision.

The hearing officer shall render a decision based exclusively on the hearing record. The decision must be in writing and must set forth the administrative hearing issues, the relevant facts, and the applicable law, regulations and approved policy, if any, upon which the decision is based. The decision must identify the issues to be determined, make findings of fact, state the reasons for the determinations, and when appropriate, direct DSS to take specific action.

- (1) A copy of the decision will be sent to each of the parties and to their authorized representatives, if any. The decision shall include written notice to the individual who had requested the hearing of the right to further appeal and the procedures for requesting such appeal.
- (2) DSS is not bound by a hearing decision that exceeds the authority of the hearing officer or that is contrary to federal, State, or local law or these rules. If the Commissioner determines that DSS is not bound by a hearing decision, the Commissioner shall promptly notify the individual who had requested the hearing of such determination, and of the reasons for the determination. Such notification shall be in writing and shall also inform the individual of the right to judicial review.

(l) Additional appeal.

- (1) An appeal from a decision of a hearing officer may be made in writing to the Commissioner provided it is received by DSS through the procedures described in the notice accompanying the hearing decision no later than fifteen business days after DSS sends the hearing officer's decision. The record before the Commissioner shall consist of the hearing record, the hearing officer's decision and any affidavits, documentary evidence, or written arguments that the applicant or program participant may wish to submit.
- (2) The Commissioner shall render a written decision based on the hearing record and any additional documents submitted by the applicant or program participant and DSS.
- (3) A copy of the decision, including written notice to the applicant or program participant of the right to judicial review, will be sent to each of the parties and to their authorized representatives, if any.
- (4) Upon issuance, the decision of the Commissioner made pursuant to an appeal under this section is final and binding upon DSS and must be complied with by DSS.

- (f) DSS will continue to operate a hotline where current SOTA participants may report problems with their unit and seek assistance and guidance concerning any issues that may affect their ability to remain permanently housed, including referrals for social services within their area.

■ NOTICE

Notice of Adoption

NOTICE IS HEREBY GIVEN that pursuant to the authority vested in the Commissioner of the Department of Housing Preservation and Development ("HPD") by Sections 1043 and 1802 of the New York City Charter, HPD is adopting a new Chapter 57 to Title 28 of the Rules of the City of New York. HPD determined, pursuant to New York City Charter section 1043(e), that a public hearing on the proposed rule would serve no public purpose. A notice of proposed rulemaking was published in the City Record on February 26, 2021.

Statement of Basis and Purpose of Proposed Rule

The City Administrative Procedure Act provides that any person may petition any agency of the City of New York to consider the adoption of any rule, and requires each agency to prescribe by rule the procedure for submission, consideration, and disposition of such petitions. The adopted rule prescribes those procedures.

New material is underlined.
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section one. Title 28 of the Rules of the City of New York is amended by adding a new Chapter 57 to read as follows:

CHAPTER 57 PETITIONS FOR RULEMAKING

§ 57-01 Scope. This chapter governs the procedures by which the public may submit petitions for rulemaking to HPD pursuant to section 1043(g) of Chapter 45 of the New York City Charter, also known as the City Administrative Procedure Act, and the procedures for HPD consideration and disposition of such petitions.

§ 57-02 Definitions. As used in this chapter, the following terms have the following meanings.

(a) HPD. "HPD" means the Department of Housing Preservation and Development of the City of New York or any successor agency or department thereto.

(b) Person. "Person" means an individual, partnership, corporation or other legal entity, and any individual or entity acting in a fiduciary or representative capacity.

(c) Petition. "Petition" means a request or application for HPD to adopt a Rule.

(d) Petitioner. "Petitioner" means the Person who files a Petition.

(e) Rule. "Rule" has the same meaning as in section 1041(5) of the New York City Charter.

§ 57-03 Procedures for Submitting Petitions.

(a) Any Person may submit a Petition.

(b) The Petition must include:

(1) The Rule to be considered, with proposed language for adoption;

(2) A statement of the Rule's purpose and HPD's authority to promulgate the Rule;

(3) The Petitioner's arguments in support of adopting the Rule;

(4) The period of time the Rule should be in effect;

(5) The name of the Petitioner or his or her authorized representative and at least one of the following: (A) mailing address, (B) telephone number, or (C) email address; and

(6) The signature of the Petitioner or his or her authorized representative.

(c) Any change in the information provided pursuant to paragraph five of subdivision b of this section must be reported promptly in writing to HPD by (1) mail or hand delivery to the Office of Legal Affairs of HPD at 100 Gold Street, 5th Floor, New York, New York 10038, ATTN: General Counsel; or (2) e-mail to rules@hpd.nyc.gov.

(d) The Petition must be typewritten.

(e) The Petition must be: (1) mailed or delivered to the Office of Legal Affairs of HPD at 100 Gold Street, 5th Floor, New York, New York 10038, ATTN: General Counsel; or (2) e-mailed to HPD at rules@hpd.nyc.gov.

§ 57-04 Procedures for Consideration of and Responses to Petitions.

(a) When a Petition is submitted to HPD in proper form, HPD will stamp or otherwise register receipt of the Petition with the date it was received and will assign the Petition a number or other unique identifier.

(b) HPD Response.

(1) After HPD receives a Petition submitted in proper form, HPD must, within sixty days from the date of the Petitioner's receipt, either:

(A) deny the Petition in writing, stating the reasons for denial, or

(B) grant the Petition in writing, stating HPD's intention to initiate rulemaking, by a specified date, concerning the subject of the Petition.

(2) HPD is not required to grant the entirety of a Petition and is not bound by the language proposed by a Petitioner. HPD may amend or modify a Petitioner's proposed language at HPD's discretion.

§ 57-05 No Appeal. HPD's decision to deny or grant a Petition is final and is not subject to judicial review.
