Changes to the store layout of a #FRESH food store# that has been constructed, pursuant to a previous certification under this Section,

where such changes result in a #FRESH food store# that continues to comply with the requirements of this Chapter, shall not require subsequent certification by the Chairperson under this Section. #FRESH food stores# certified prior to [date of adoption] that do not comply with paragraph (c) of the definition of #FRESH food store# may change the floor layout provided that there is no increase in the degree of noncompliance with such requirement.

No later than the date on which an application for certification is first submitted, a copy of the drawings submitted, pursuant to paragraph (a) of this Section shall be submitted by the applicant, to the affected Community Board, which shall have 45 days to review said application. For #zoning lots# containing increased #residential floor area# generated, pursuant to Section 63-21 (Special Floor Area Regulations), if a #development# or horizontal #enlargement# fails to comply with the provisions of Section 11-331 (Right to construct if foundations completed) with respect to completion of foundations within four years of the date of certification, pursuant to this Section, such building permit shall lapse, and any new building permit will require a new certification, pursuant to this Section.

63-31 Requirements for Certificate of Occupancy

No certificate of occupancy shall be issued for any portion of the #development# or #enlargement# identified in the drawings submitted, pursuant to paragraph (a)(2) of Section 63-30 until a temporary certificate of occupancy has been issued for the #FRESH food store# space. The declaration of restrictions, where required, pursuant to paragraph (c) of Section 63-30, shall be noted on any temporary or final certificate of occupancy for the #building#.

63-40 CERTIFICATION FOR CHANGE OF USE OF A FRESH FOOD STORE

A #FRESH food store# for which a certification has been issued, pursuant to Section 63-30 may be changed to any #use# permitted by the underlying district upon certification by the Chairperson of the City Planning Commission that such change of #use# would not create a new #non-compliance#, increase the degree of #non-compliance# of #buildings# on the #zoning lot#, or result in reduction in the number of required fewer #accessory# off-street parking spaces than required by the new #use#, pursuant to Section 63-24 (Required Accessory Off-street Parking Spaces in Certain Districts) under the applicable district regulations.

If a certification, pursuant to this Section is granted, a notice of cancellation, in a form acceptable, to the Department of City Planning, of the declaration of restrictions recorded, pursuant to Section 63-30 shall be executed and recorded in the Office of the City Register of the City of New York against all tax lots comprising the former #FRESH food store#.

The City Planning Commission may, by authorization, permit modifications, to the #bulk# and #accessory# off-street parking requirements of the applicable zoning districts when a change of #use# of a #FRESH food store# for which a certification has been issued, pursuant to Section 63-30, would create a new #non-compliance#, increase the degree of #non-compliance# of #buildings# on the #zoning lot#, or result in a reduction in the number of required fewer #accessory# off-street parking spaces than required by the new #use#, pursuant to Section 63-24 (Required Accessory Off-street Parking Spaces in Certain Districts) under the applicable district regulations, provided that such #use# is permitted by the underlying districts.

§ 12-01 Scope

This chapter governs the queuing of applications for the Food Retail Expansion to Support Health Program ("FRESH"), pursuant to section 63-00 et seq. of the Zoning Resolution as well as the effect such queuing has on closed projects, terminated applications, and lapsed certifications related to such program.

§ 12-02 Definitions

For the purposes of this chapter:

Application. The term "Application" means materials filed with the Department, pursuant to section 10-09 of these rules to obtain a Certification in connection with a project.

Certification. The term "Certification" means a Certification by the Chair of the Commission, pursuant to section 63-30 of the Zoning Resolution for a FRESH food store.

Commission. The term "Commission" means the City Planning Commission.

<u>Department. The term "Department" means the Department of City Planning.</u>

FRESH. The term "FRESH" means the Food Retail Expansion to Support Health Program, pursuant to section 63-00 *et seq.* of the Zoning Resolution.

FRESH Application Statement ("FAS"). The term "FRESH Application Statement" or "FAS" means a PAS in accordance with section 10-04 of this title or, if the Department determines that such statement is not necessary, a draft land use application in accordance with section 10-07 of this title, both of which are submitted in connection with a prospective Application.

FRESH Food Store. The term "Fresh Food Store" shall have the same meaning as that term is defined in section 63-01 of the Zoning Resolution.

FRESH Residential Floor Area. The term "FRESH Residential Floor Area" means the additional residential floor area permitted in accordance with this chapter and section 63-21 of the Zoning Resolution as a result of the provision of "FRESH Food Store Floor Area," as that term is defined in section 63-01 of the Zoning Resolution.

<u>Pre-Application Statement ("PAS"). The term "Pre-Application Statement" or "PAS" means the Pre-Application Statement described in section 10-04 of this title.</u>

The term "Radius" means a half-mile radius measured from zoning lots of the proposed FRESH Food Store where the total FRESH Residential Floor Area for all FRESH Food Stores within such radius may not exceed more than 40,000 sq ft. A FRESH Food Store with FRESH Residential Floor Area will be deemed to be included in such radius if any portion of such store's zoning lot is located within such radius.

§ 12-03 Review and Queuing of Applications

(a) The Department shall queue all projects in the order that their respective FAS was received by the Department, provided that, with respect to an FAS that is a PAS, such PAS has been determined by the Department to be complete in accordance with section 10-04(b) of this title.

(b) When two or more projects, including the proposed project, are located within a Radius and the total of FRESH Residential Floor Area among them exceeds 40,000 sq ft, the project for which an FAS was first received and is deemed in compliance with this title shall have priority to obtain all of its requested FRESH Residential Floor Area. The project that is next in the Queue shall then have priority to obtain all the remaining FRESH Residential Floor Area within such Radius which has not been claimed by a project earlier in the Queue. The use of remaining FRESH Residential Floor Area unclaimed by projects earlier in the Queue shall continue in this manner for subsequent projects until there is no additional unclaimed FRESH Residential Floor Area within the Radius.

If the project sponsor responds within the specified timeframe but does not provide the requested materials, if any, within thirty (30) days of such response, the project will be placed on hold. If a project is on hold for twelve (12) months, the project record will be closed or the corresponding Application terminated, whichever is applicable, and the project will be removed from the Queue. The previously claimed FRESH Residential Floor Area corresponding, to the removed project will now be available to projects remaining in the Queue. NOTICE

On September 22, 2021 a remote public hearing is being held by the City Planning Commission (CPC), in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by RXR SL Owner LLC and Terminal Fee Owner LP (the Applicants). The Applicants are seeking a zoning map amendment and zoning text amendment (the Proposed Actions) affecting the two blocks bounded by West 28th Street to the north, Eleventh Avenue to the east, West 26th Street to the south, and Twelfth Avenue/Route 9A to the west (Block 672, Lot 1 and Block 673, Lot 1); these blocks contain the Starrett-Lehigh Building and the Terminal Warehouse (the project area), located in the West Chelsea neighborhood of Manhattan, Community District 4. The zoning map amendment would extend the Special West Chelsea District (WCh) over the project area and change the underlying zoning district from M2-3 to M2-4. The proposed zoning text amendments would create new subarea (Subarea K) in WCh and, within such subarea, modify certain use, signage, sidewalk café, and loading requirements. The Proposed Actions would allow the Applicants to lease space in the Starrett-Lehigh Building and Terminal Warehouse to a more diverse range of tenant types, allowing for flexibility needed to respond to changes in the economy over the long term.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through Monday, October 4, 2021.

For instructions on how to submit comments and participate remotely, please refer, to the instructions, at the beginning of

This hearing is being held, pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 21DCP103M.

The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)

Department of Homeless Services (DHS)
Department of Probation (DOP)
Department of Small Business Services (SBS)

Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD)

Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

Statement of Basis and Purpose of Proposed Rule

The Department of Consumer and Worker Protection ("DCWP" or "Department") is proposing a new penalty schedule to implement Local Law 64 of 2021, which creates restrictions on single-use plastic beverage straws, beverage stirrers, and beverage splash sticks (collectively, "single-use beverage plastics").

Local Law 64 restricts food service establishments – such as restaurants, cafes, delis, bars, grocery stores and food trucks – from providing single-use plastic straws, stirrers and splash sticks to customers. Food service establishments are prohibited from providing single-use plastic stirrers and splash sticks. Food service establishments are prohibited from providing non-compostable, single-use plastic straws ("plastic straws") except upon request by a customer.

For customers who request a plastic straw, food service establishments must provide one free of charge, without inquiring about the reason for the request. Food service establishments must stock plastic straws to fulfill customer requests and must post signs advertising the straws' availability at self-serve stations. Compostable plastic straws ("compostable straws") may be provided upon request only for use on-premises, but only if the food service establishment properly separates and disposes of those straws through a commercial composting provider or via another method specified in Administrative Code Section 16-306.1(c)(1).

Food service establishments that violate provisions of Local Law 64 are liable for civil penalties from \$100 to \$400 per violation.

To implement Local Law 64, DCWP is proposing a new penalty schedule of single-use beverage plastics violations.

Sections 1043 and 2203(f) of the New York City Charter and Local Law 64 of 2021 authorize DCWP to make these proposed rules.

New material is underlined.
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Proposed Rule Amendments

Section 1. A new Section 6-74 is added to Subchapter B of Chapter 6 of Title 6 of the Rules of the City of New York to read as follows:

§ 6-74 Single-Use Beverage Plastics Penalty Schedule

All citations are to Title 16 of the Administrative Code of the City of New York.

Each subdivision, paragraph, subparagraph, clause, item, or other provision charged in the Notice of Violation shall constitute a separate violation of the law or rule.

Unless otherwise specified by law, a second or third or subsequent violation means a violation by the same respondent, whether by admitting to the violation, being found in violation in a decision, or entering into a settlement agreement for violating the same provision of law or rule, on a different day within twelve months of the prior violation(s).
