In total the proposed development is intended to be approximately 1,158,800 sq. ft. (6.17 FAR), with approximately 1,050 dwelling units, a 30,000 sq. ft. community center, 79,000 sq. ft. of commercial space, including office space and local retail, approximately 250 accessory attended parking spaces for at least 20 percent of market-rate dwelling units, 538 required bicycle parking spaces, and approximately 2.9 acres of new public open space comprised of approximately 2.32 acres of accessible in-river space and 0.86 acres of intertidal area. Local retail uses on the ground floor of both buildings would activate street frontages along North First and Third streets, and River Street, as well as along the adjacent publicly-accessible open space. No loading docks are required, and none will be provided. A landfill action would add approximately 6,319 sq. ft. of landfill as part of the waterfront public open space plan.

Changes to the store layout of a #FRESH food store# that has been constructed, pursuant to a previous certification under this Section, where such changes result in a #FRESH food store# that continues to comply with the requirements of this Chapter, shall not require subsequent certification by the Chairperson under this Section. #FRESH food stores# certified prior to [date of adoption] that do not comply with paragraph (c) of the definition of #FRESH food store# may change the floor layout provided that there is no increase in the degree of noncompliance with such requirement.

No later than the date on which an application for certification is first submitted, a copy of the drawings submitted, pursuant to paragraph (a) of this Section shall be submitted by the applicant, to the affected Community Board, which shall have 45 days to review said application. The declaration of restrictions, where required, pursuant to paragraph (c) of Section 63-30, shall be noted on any temporary or final certificate of occupancy for the #building#.

63-40 CERTIFICATION FOR CHANGE OF USE OF A FRESH FOOD STORE

A #FRESH food store# for which a certification has been issued, pursuant to Section 63-30 may be changed to any #use# permitted by the underlying district upon certification by the Chairperson of the City Planning Commission that such change of #use# would not create a new #non-compliance#, increase the degree of #non-compliance# of #buildings# on the #zoning lot#, or result in reduction in the number of required fewer #accessory# off-street parking spaces than required by the new #use#, pursuant to Section 63-24 (Required Accessory Off-street Parking Spaces in Certain Districts) under the applicable district regulations.

§ 12-01 Scope

This chapter governs the queuing of applications for the Food Retail Expansion to Support Health Program ("FRESH"), pursuant to section 63-00 *et seq.* of the Zoning Resolution as well as the effect such queuing has on closed projects, terminated applications, and lapsed certifications related to such program.

§ 12-02 Definitions

For the purposes of this chapter:

Application. The term "Application" means materials filed with the Department, pursuant to section 10-09 of these rules to obtain a Certification in connection with a project.

Certification. The term "Certification" means a Certification by the Chair of the Commission, pursuant to section 63-30 of the Zoning Resolution for a FRESH food store.

Commission. The term "Commission" means the City Planning Commission.

Department. The term "Department" means the Department of City Planning.

FRESH. The term "FRESH" means the Food Retail Expansion to Support Health Program, pursuant to section 63-00 *et seq.* of the Zoning Resolution.

FRESH Application Statement ("FAS"). The term "FRESH Application Statement" or "FAS" means a PAS in accordance with section 10-04 of this title or, if the Department determines that such statement is not necessary, a draft land use application in accordance with section 10-07 of this title, both of which are submitted in connection with a prospective Application.

FRESH Food Store. The term "Fresh Food Store" shall have the same meaning as that term is defined in section 63-01 of the Zoning Resolution.

FRESH Residential Floor Area. The term "FRESH Residential Floor Area" means the additional residential floor area permitted in accordance with this chapter and section 63-21 of the Zoning Resolution as a result of the provision of "FRESH Food Store Floor Area," as that term is defined in section 63-01 of the Zoning Resolution.

<u>Pre-Application Statement ("PAS"). The term "Pre-Application Statement" or "PAS" means the Pre-Application Statement described in section 10-04 of this title.</u>

The term "Radius" means a half-mile radius measured from zoning lots of the proposed FRESH Food Store where the total FRESH Residential Floor Area for all FRESH Food Stores within such radius may not exceed more than 40,000 sq ft. A FRESH Food Store with FRESH Residential Floor Area will be deemed to be included in such radius if any portion of such store's zoning lot is located within such radius.

§ 12-03 Review and Queuing of Applications

(a) The Department shall queue all projects in the order that their respective FAS was received by the Department, provided that, with respect to an FAS that is a PAS, such PAS has been determined by the Department to be complete in accordance with section 10-04(b) of this title.

(b) When two or more projects, including the proposed project, are located within a Radius and the total of FRESH Residential Floor Area among them exceeds 40,000 sq ft, the project for which an FAS was first received and is deemed in compliance with this title shall have priority to obtain all of its requested FRESH Residential Floor Area. If the project sponsor responds within the specified timeframe but does not provide the requested materials, if any, within thirty (30) days of such response, the project will be placed on hold. If a project is on hold for twelve (12) months, the project record will be closed or the corresponding Application terminated, whichever is applicable, and the project will be removed from the Queue. The previously claimed FRESH Residential Floor Area corresponding, to the removed project will now be available to projects remaining in the Queue. NOTICE

On September 22, 2021 a remote public hearing is being held by the City Planning Commission (CPC), in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by RXR SL Owner LLC and Terminal Fee Owner LP (the Applicants). The Applicants are seeking a zoning map amendment and zoning text amendment (the Proposed Actions) affecting the two blocks bounded by West 28th Street to the north, Eleventh Avenue to the east, West 26th Street to the south, and Twelfth Avenue/Route 9A to the west (Block 672, Lot 1 and Block 673, Lot 1); these blocks contain the Starrett-Lehigh Building and the Terminal Warehouse (the project area), located in the West Chelsea neighborhood of Manhattan, Community District 4. The zoning map amendment would extend the Special West Chelsea District (WCh) over the project area and change the underlying zoning district from M2-3 to M2-4. The proposed zoning text amendments would create new subarea (Subarea K) in WCh and, within such subarea, modify certain use, signage, sidewalk café, and loading requirements. The Proposed Actions would allow the Applicants to lease space in the Starrett-Lehigh Building and Terminal Warehouse to a more diverse range of tenant types, allowing for flexibility needed to respond to changes in the economy over the long term.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through Monday, October 4, 2021.

This hearing is being held, pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 21DCP103M.

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts, at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA)

Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)

Department of Probation (DOP)

Department of Small Business Services (SBS)

Department of Youth and Community Development (DYCD)

AGENCY RULES

HOUSING PRESERVATION AND DEVELOPMENT

■ NOTICE

Notice of Adoption of Amendments to Rules Regarding Certifications of No Harassment

Notice is hereby given that pursuant to the authority vested in the Commissioner of the Department of Housing Preservation and Development ("HPD") by sections 1043 and 1802 of the New York City Charter, and sections 27-2093, 28-107.3, 27-2093.1, and 28-505.3 of the Administrative Code of the City of New York, HPD is adopting amendments to Chapters 10 and 53 of Title 28 of the Rules of the City of New York, concerning exceptions from the requirement for certifications of no harassment. The adopted amendments except from that requirement certain work that (i) requires a permit from the Department of Buildings (DOB) and (ii) is required to be performed in a building in order to rescind a vacate order issued by HPD or DOB.

Statement of Basis and Purpose

The adopted rules amend Chapters 10 and 53 of Title 28. These chapters require owners of certain buildings to apply for a certification of no harassment in order to get a permit from the Department of Buildings (DOB) for covered categories of work. In administering this requirement, the Department of Housing Preservation and Development (HPD) has concluded that under certain circumstances, property owners to whom HPD or DOB has issued a vacate order should be able to expeditiously address the conditions for which the vacate order was issued, without having to secure a certification of no harassment first. Therefore, HPD has concluded that the requirement should not apply when a property owner seeks to perform the minimum repairs, replacement, modification, or partial demolition work required to address the conditions for rescission of a vacate order issued by HPD or DOB in a building. The adopted rule amendments provide this exception.

New material is underlined.
[Deleted material is bracketed]

Section 1. Section 10-02 of title 28 of the rules of the city of New York is amended to read as follows:

§10-02 Scope of Rule.

(a) The requirements of this chapter apply to certifications, exemptions, and waivers pursuant to Administrative Code §28-107.1 et seq., Administrative Code §27-2093, Zoning Resolution §96-110, Zoning Resolution §93-90, Zoning Resolution §98-70, Zoning Resolution §23-013, and any subsequently enacted provision of the Administrative Code or Zoning Resolution which authorizes HPD to make determinations concerning certifications, exemptions, or waivers.

(b)[(1)] With regard to single room occupancy multiple dwellings[,]: (1) A [a] certification shall be required where mandated pursuant to Administrative Code \$28-107.1 et seq. and Administrative Code \$27-2093; provided, however, that a certification shall not be required pursuant to Administrative Code \$28-107.3(4) for repairs, replacement, modification, or partial demolition work that is the minimum required to be performed to address conditions for rescission of a vacate order issued by HPD or DOB in a building.

(2) Except as otherwise provided in paragraph (1) of this subdivision, in [In] accordance with the authority of the Commissioner pursuant to Administrative Code \$28-107.3(4) to prescribe by regulation other types of alteration work, a certification shall be required where the application and plans filed with DOB seek to:

(i) increase or decrease the number of dwelling units;

 (ii) alter the layout, configuration or location of any portion of a dwelling unit;

- (iii) increase or decrease the number of residential kitchens or residential bathrooms;
- (iv) alter the layout, configuration or location of any portion of a residential kitchen or residential bathroom;
- (v) demolish or change the use or occupancy of any dwelling unit and/or any portion of the building serving the dwelling units.
- [(2)] (3) Where the application and the accompanying plans submitted to DOB do not provide for any [such] change[s,] described in paragraph (2) of this subdivision, or where the application is for work described in paragraph (1) of this subdivision, a certification shall not be required pursuant to Administrative Code §28-107.3(4), but may be required pursuant to other provisions of Administrative Code §28-107.1 et seq. or pursuant to the Zoning Resolution.
- (c) With regard to properties located in the Special Clinton District defined in Article IX, Chapter 6 of the Zoning Resolution (§96-00 et seq.), a certification shall be required where mandated pursuant to the terms of such Article and Zoning Resolution §96-110; provided, however, that subject to compliance with the applicable zoning provisions, a certification shall not be required for repairs, replacement, modification or partial demolition work that is the minimum required to be performed to address conditions for rescission of a vacate order issued by HPD or DOB in a building.
- (d) With regard to multiple dwellings located in the anti-harassment area defined in Zoning Resolution §93-90 (Hudson Yards/Garment Center), a certification shall be required where mandated pursuant to the terms of such section; provided, however, that subject to compliance with the applicable zoning regulations, a certification shall not be required for repairs, replacement, modification or partial demolition work that is the minimum required to be performed to address conditions for rescission of a vacate order issued by HPD or DOB in a building.
- (e) With regard to multiple dwellings located in the anti-harassment area defined in Zoning Resolution §23-013 (Greenpoint-Williamsburg), a certification shall be required where mandated pursuant to the terms of such section and New York City Zoning Resolution §93-90; provided, however, that subject to compliance with the applicable zoning provisions, a certification shall not be required for repairs, replacement, modification or partial demolition work that is the minimum required to be performed to address conditions for rescission of a vacate order issued by HPD or DOB in a building.
- (f) With regard to multiple dwellings located in the anti-harassment area defined in Zoning Resolution §98-70 (West Chelsea), a certification shall be required where mandated pursuant to the terms of such section and New York City Zoning Resolution §93-90; provided, however, that subject to compliance with the applicable zoning provisions, a certification shall not be required for repairs, replacement, modification or partial demolition work that is the minimum required to be performed to address conditions for rescission of a vacate order issued by HPD or DOB in a building.
- §2. The definition of "Exceptions to Covered Categories of Work" set forth in section 53-01 of title 28 of the rules of the city of New York is amended by adding a new subdivision (7) to read as follows:
- (7) Repairs, replacement, modification, or partial demolition work that is the minimum required to be performed to address conditions for rescission of a vacate order issued by the Department or the Department of Buildings in a building.
