Special Regulations Applying to Large-Scale Community Facility Developments

79-40
SPECIAL PERMIT PROVISIONS

* * *

79-43
Special Permit for Limited Bulk Modifications for Certain Large-scale Community Facility Developments

For #large-scale community facility developments# located within the boundaries of Community Districts 8 and 12 in the Borough of Manhattan, that contain #community facility uses# specified in Section 73-64 (Modification for Community Facility Uses), the City Planning Commission may, by special permit, permit modification of regulations relating to height and setback on the periphery of the #large-scale

community facility development#, #courts# and distance between windows and walls or #lot lines# not otherwise allowed in Section 79-21 (General Provisions). As a condition for such action, allow modifications to the following provisions set forth in paragraph (a) of this Section, provided that the findings in paragraph (b) are met.

(a) The Commission may allow modifications:

- (1) to regulations relating to height and setback on the periphery of the #large-scale community facility development#, #courts# and distance between windows and walls or #lot lines# not otherwise allowed in Section 79-21 (General Provisions); and
- (2) additionally, in R9 and R10 Districts, located within Community District 8:
 - (i) to #lot coverage#; and
 - (ii) to #sign# regulations.

(b) In order to grant such special permit, the Commission shall find that such modification:

- (a)(1) is required in order to enable the #large-scale community facility development# to provide an essential service to the community;
- (b)(2) will provide a more satisfactory physical relationship to the existing #buildings# which form the #large-scale community facility development#, and provide a more efficient and integrated site plan;
- (c)(3) will better complement the existing character of the neighborhood;
- (d)(4) will not unduly increase the #bulk# of #buildings# in any #block# to the detriment of the occupants or users of #buildings# in the #block# or nearby #blocks#; and
- (e)(5) will not adversely affect any other #zoning lots# or #streets# outside the #large-scale community facility development# by unduly restricting access to light and air; and
- (6) in R9 and R10 Districts located within Community District 8:
 - (i) with regard to #lot coverage#, will result in a better site plan and a better relationship among #buildings# and open areas; and
 - (ii) with regard to #sign# modifications:
 - (a) a signage plan has been submitted showing the location, size, height, and illumination of all #signs# on the #zoning lot#;
 - (b) the modifications are consistent with the amount and location of the #large-scale community facility development# that the Commission finds appropriate on the #zoning lot#; and
 - (c) #illuminated signs#, if provided:
 - (1) utilize an illumination type, and are located and oriented in a manner so as to minimize any negative effects on nearby #residences#; and
 - (2) do not alter the essential character of the adjacent area.

The Commission may prescribe additional conditions and safeguards to improve the quality of the #large-scale community facility development# and to minimize adverse effects on the character of the surrounding area.

Under the Open Door Program, eligible sponsors purchase City-owned or privately owned land and construct cooperative or condominium buildings affordable to moderate- and middle-income households. Where dictated by lot size, the program may also fund the construction of new one- to three-family homes. Construction financing may be provided through loans from the City ("City Subsidy"), the New York State Affordable Housing Corporation, private lenders and developer equity. The City provides a tax exemption for the homes.

Upon construction completion, the sponsor will sell the homeownership units to households who agree to owner-occupy their units for the length of the regulatory period. If the homeowner sells or refinances during the regulatory period, the homeowner may realize up to 2% appreciation on the original purchase price per year of owner occupancy. Upon resale, the homeowner will also be required to sell to a household earning no more than the project's income limit.

The proposed project consists of the new construction of approximately seven single-family and eight two-family homes containing a total of approximately twenty-three dwelling units on the Disposition Area.

Under the proposed project, the City will sell the Disposition Area to Resilient Homes Housing Development Fund Company, Inc. ("Sponsor") for the nominal price of one dollar per tax lot, and the Sponsor will convey beneficial ownership of the Disposition Area to Resilient Homes, LLC ("Company"), which will develop the Disposition Area. The Company will also deliver an enforcement note, and the Sponsor and the Company (collectively, "Owner") will deliver an enforcement mortgage, for the difference between the appraised value of the land and the purchase price ("Land Debt").

Upon the sale of each homeownership unit to an initial purchaser, the Land Debt and City Subsidy, if any, will be apportioned pro rata to each unit. At such time, HPD may unsecure or forgive all or a portion of the Land Debt, and unsecure, but not forgive, all or a portion of the City Subsidy, based on the appraised value of a homeownership unit and/or, in the case of forgiveness of Land Debt, if HPD determines that the forgiveness is necessary to reduce the taxable consideration for a unit. The sum evidenced by the note and secured by the mortgage will be reduced to zero upon maturity of the Land Debt and City Subsidy, respectively, if the owner has complied with the program's restrictions.

The appraisal and the proposed Land Disposition Agreement and Project Summary are available for public examination by emailing Margaret Carey at careym@hpd.nyc.gov on business days during business hours.

To make a request for accommodation, such as sign language interpretation services, please contact the Mayor's Office of Contract Services ("MOCS") via e-mail at disabilityaffairs@mocs.nyc.gov or via phone at (212) 298-0734. TDD users should call Verizon relay services. Any person requiring reasonable accommodation for the public hearing should contact MOCS at least three business days in advance of the hearing to ensure availability.

Under HPD's Affordable Neighborhood Cooperative Program, occupied City-owned residential buildings are purchased by Restoring Communities Housing Development Fund Corporation ("Sponsor") and then rehabilitated by a private developer selected through a request for qualifications. Upon conveyance to the Sponsor, buildings will be managed by the private developers. Following completion of rehabilitation, Sponsor conveys the building to a cooperative housing development fund corporation ("Cooperative Corporation") formed by the building's tenants. The cooperative interests attributable to occupied apartments will be sold to the existing tenants for \$2,500 per apartment, or \$250 for qualifying households under a purchase savings plan. Under the program's term sheet, the cooperative interests attributable to vacant apartments will be sold for a price affordable to families earning no more than 120% of the area median income.

Under the proposed project, the City will sell the Disposition Area to Sponsor for the nominal price of one dollar (\$1.00) per building. When completed, the project will provide approximately 73 affordable cooperative dwelling units.

At the time of sale, the Sponsor will be required to sign a rental regulatory agreement with HPD containing, among other things, restrictions on rents, incomes, and assets. When the Sponsor conveys the building to the Cooperative Corporation upon the completion of rehabilitation, the Cooperative Corporation will be required to sign a cooperative regulatory agreement with HPD containing, among other things, restrictions on sale prices, incomes, and assets as well as requirements for a flip tax and building reserve fund.

For electronic bid submissions, please note the following procedures: Bid submissions must be sent via electronic mail ("The Bid Submission Email") to DCPSubmissions@schools.nyc.gov (the "Bid Submission

Email Address"). Bid Submissions sent to any other email address will be disregarded. The subject line of your Bid Submission Email must include the solicitation number and the name of the submitting vendor (e.g., B5840 – Enter Company Name). Please attach the completed Request for Bids and the Bid Blank documents to the Bid Submission Email as separate files. Please name the bid blank attachment "Bid Blank" and the completed Request for Bids attachment "RFB." If the files accompanying your bid submission are too large to be transmitted as email attachments, please include in the first line of your Bid Submission Email a link to a Microsoft OneDrive folder containing all of your bid-related documents. Please note that if you are using OneDrive, do not attach any documents to the Bid Submission Email. Further, please include a separate folder within your OneDrive folder which includes the separate bid blank file. Please name this folder and the bid blank file "Bid Blank." The name of your OneDrive folder must match the subject line of your bid submission, and your OneDrive folder must not contain any files unrelated to the Bid Submission.

Guidance for first-time Microsoft One-Drive Users: Microsoft OneDrive ("OneDrive") is a file hosting and synchronization service operated by Microsoft as part of its web version of Microsoft Office. OneDrive allows users to grant access to files which are too large to transmit via electronic mail to other users. If you do not have Office 365, please take the following steps to gain access to a free version of OneDrive so that you can upload those bid submission documents which are too large to transmit via electronic mail: 1. Conduct an internet search for "Microsoft OneDrive;" 2. Navigate to the official Microsoft website and sign up for a free account; 3. Once you have created a folder for the solicitation whose name matches the subject line of your Bid Submission Email, upload the documents relevant to your bid submission in this folder; 4. Create a share link for this folder; 5. Be sure to check your share settings so that anyone receiving the link that you create will be able to open the link and access the files. If your share link permissions are restricted (e.g. to only your organization in Office 365), the DOE will not be able to view your solicitation documents. It is your responsibility to ensure that the link(s) you provide allows the DOE to view, download and/or open your documents; and 6. Include the link which you have created as the first line of your Bid Submission Email. The Bid opening will be conducted virtually via Microsoft Teams on Friday, August 8, 2024, from 11:00 A.M. to 12:00 P.M. Bidders who have submitted their Bid Submission Email by the Bid Submission Deadline will receive a reply to their Bid Submission Email with a link to be able to view a livestream of the Bid opening online. If you do not receive a confirmation email of the DOE's receipt of your electronic bid submission, please email: Gabriel.Soriano@schools.nyc.gov.

For hard copy (paper) bid submissions, please follow the below instructions: Further to prior instructions regarding submissions of bids. In addition to electronic submission via email, Bidders may choose to hand deliver their bid packages to NYC DOE at any time prior to the Bid Due Date/Time. If you plan to submit a paper bid, you must provide notice by e-mailing DCPSubmissions@schools.nyc.gov, including "Paper Submission Request for Solicitation # B5840" in the subject line, at least three (3) business days in advance of the anticipated date and time and place you or your agent plan to arrive at 65 Court Street, Brooklyn, NY 11201, Rm 1201 to drop off your bid. Bidders should include in their notification e-mail the name of the person who will be delivering the bid or advise that the Bid Package will be arriving by messenger. Bidders who fail to provide advance notification of intent to hand-deliver a bid, risk not having anyone receive the bid.

Please continue to check the DOE website and/or Vendor Portal for updates. <https://infohub.nyc.ed.org/vendors> <https://www.finance360.org/vendor/vendorportal/>

NOTICE OF INTENT TO ENTER INTO NEGOTIATIONS - TENNIS PROS - Negotiated Acquisition - Judgment required in evaluating proposals- PIN# CWTP-2024 - Due 7-8-24 at 5:00 P.M.

In accordance with Section 1-14 of the Concession Rules of the City of New York ("Concession Rules"), the New York City Department of Parks and Recreation ("Parks") intends to enter into a negotiated concession for permit agreements for the Operation of Tennis Professional Concessions at Various Locations Citywide. The selected operator will be permitted to give tennis instruction during the times that the tennis court is open for use.

The concession will have a term not to exceed five (5) years. The concession will be operated pursuant to a permit issued by Parks; no leasehold or other proprietary right will be offered. As compensation to the City, Parks anticipates receiving a permit fee, expressed as a guaranteed annual minimum fee. The available locations are:

Bronx X39-TP: Pelham Bay Park X104-TP: Williamsbridge Oval

Brooklyn B28-TP: Dyker Beach Park (Due to construction, the permit will be for 4 years. The construction timeline and dates are subject to change) B51-TP: William E. Kelley Memorial Park B129-TP: Kaiser Park

Queens Q413-TP: Rochdale Park

At this time, it is neither practicable nor advantageous to award these concessions by competitive sealed proposals or competitive sealed bids as the current outdoor tennis season is currently underway and ends on November 24, 2024. If Parks were to issue either a competitive

sealed proposal or competitive sealed bid, there would not be enough time left in the current season for successful operations. As these locations did not receive any bids on the most recent competitive sealed bid solicitation, the sites remain vacant and the community is without permitted tennis instructors. Additionally, with the absence of permitted concessionaires on site, this invites illegal vendors to fill the void. For these reasons, it is in the best interest of the City to pursue a negotiated concession for these locations.

Potential concessionaires that would like to express interest in the proposed concession and/or obtain additional information concerning the concession may contact Andrew Coppola, Senior Project Manager for the Revenue Division, at (212) 360-3454 or via e-mail at Andrew.Coppola@parks.nyc.gov by July 8, 2024. Thereafter, there will be a process for submission of fee offers. Parks will select the highest fee offers to the City from the responsible and responsive applicant while also taking into account the extent to which the potential awardee concessionaires would be operating or providing instruction at a similar concession on Parks property during all or part of the term of the concession, in determining an award of the concession on the subject premises. In no event shall a potential awardee (or principal(s) of a potential awardee) have more than two concessions total from this or any other solicitation during all or part of the term of the concessions. At Parks' request, the applicant shall submit documentation, satisfactory to Parks, demonstrating that it has the necessary certifications and the financial capability to pay the fees set forth in its fee offer. Failure to provide such documentation will result in a determination of non-responsiveness.

Where applicable, Parks may condition the award of this concession upon the successful completion of PASSPort (the Procurement and Sourcing Solutions Portal) Questionnaires and review of that information by the Department of Investigation. In addition, any person or entity with at least a 10% ownership interest in the submitting vendor (including a parent company), may be required to complete PASSPort Questionnaires (Principal Questionnaire for any person and Vendor Questionnaire for any entity with at least a 10% ownership interest in the submitting vendor).

This concession has been determined not to be a major concession as defined by Chapter 7 of the Rules of the City Planning Commission.

Please note that the concession award is subject to applicable provisions of federal, State, and local laws and executive orders requiring affirmative action and equal employment opportunity.

The New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity who believes that there has been unfairness, favoritism or impropriety in the proposal process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, NY 10007, telephone number (212) 669-2323.

Please address any questions and/or correspondence relating to the potential concession award to Andrew Coppola, Senior Project Manager for the Revenue Division, at (212) 360-3454 or via e-mail at Andrew.Coppola@parks.nyc.gov (Office of the Revenue Division, City of New York Parks, The Arsenal-Central Park, 830 Fifth Avenue, Room 407, New York, NY 10065).

Statement of Basis and Purpose of Proposed Rules

These proposed Procurement Policy Board (PPB) Rule amendments would update the provisions of the PPB Rules relating to "M/WBE Noncompetitive Small Purchases."

The PPB is proposing amendments to PPB Rule § 3-08(c)(1)(iv) to rename the "M/WBE Noncompetitive Small Purchases" to "M/WBE Small Purchases."

Section 1 would amend PPB Rule § 3-08(c)(1)(iv) to rename the "M/WBE Noncompetitive Small Purchases" to "M/WBE Small Purchases" to provide greater clarity regarding this procurement method. While competition is not required for contracts awarded pursuant to this method, agencies often do utilize various forms of source selection in connection with M/WBE small purchase contracts to promote competition and in the best interests of the City. Renaming this method will reduce confusion amongst vendors and potential vendors regarding whether to expect potential competition in connection with contracts awarded through this method.

Additionally, changing "except" to "provided" in the first sentence of § 3-08(c)(1)(iv) will clarify that when making M/WBE small purchases pursuant to such provision agencies are required to attempt to obtain at least three price quotes from M/WBE vendors or document their inability to do regardless of whether a procurement includes competition.

The PPB's authority to promulgate these rules is found in sections 311, 314, and 1043 of the New York City Charter.

On June 4, 2024, the PPB voted to initiate the rulemaking process under the Citywide Administrative Procedure Act for this proposed rule amendment.

The new material added in the text of the rule is underlined and the deleted material is in [brackets]. "Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

SECTION 1. SUBPARAGRAPH (iv) of PARAGRAPH (1) OF SUBDIVISION (c) OF SECTION 3-08 OF TITLE 9 OF THE RULES OF THE CITY OF NEW YORK IS AMENDED TO READ AS FOLLOWS:

(iv) *M/WBE [Noncompetitive] Small Purchases.* No competition is required for the procurement of goods, services, and construction from M/WBE vendors, [except] provided that in making purchases pursuant to this subparagraph, the Contracting Officer must attempt to obtain at least three price quotes from M/WBE vendors or document their inability to do so. The Contracting Officer must ensure that the [noncompetitive] price [selected] is reasonable and that purchases are distributed appropriately among responsible M/WBE vendors. Agencies shall not use this subparagraph to make any purchase for goods, services or construction, the value of which is less than or equal to the applicable micropurchase limits set in subparagraph (c) (1)(ii) above, or to make any purchase the value of which exceeds the maximum amount authorized pursuant to paragraph (1) of subdivision (i) of section 311 of the Charter. Additionally, agencies shall not make purchases pursuant to this subparagraph for human services.

MANAGEMENT AND BUDGET

■ NOTICE

COMMUNITY DEVELOPMENT BLOCK GRANT-DISASTER RECOVERY PROGRAM
NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

NYC Mayor’s Office of Management and Budget (NYC OMB)
255 Greenwich Street, 8th Floor
New York, NY 10007
(212) 788-6130

On or about July 1, 2024, the City of New York (“the City”) will submit a request to the U.S. Department of Housing and Urban Development for the release of Community Development Block Grant-Disaster Recovery (CDBG-DR) funds authorized under the Community Development Act of 1974, as amended, and the Continuing Appropriations Act, 2023 (Public Law 117-180), to undertake a project known as NYCHA Green Infrastructure for the purpose of managing stormwater runoff across seventeen (17) New York City Housing Authority (“NYCHA”)–owned developments. The funds will be requested for one of these sites, the Cooper Park Houses. The location of the Cooper Park site is 40 Debevoise Avenue, Brooklyn, NY 11211.

The City proposes to award approximately \$2,001,646 in CDBG-DR funds to NYCHA, who will procure a contractor to install green

infrastructure at Cooper Park as part of the NYCHA Green Infrastructure project. The Cooper Houses site will include four (4) assets in the form of sub-surface slow-release detention chambers that will temporarily store rainwater below ground and then release it slowly into the combined sewer after the storm has passed and capacity has returned.

The green infrastructure practices in this project will all be located in parking lots or other open spaces on NYCHA properties. Excavation is required to install subsurface chambers and reconstruct catch basins and outlet control structures that are reconnected to existing sewer pipes. Once installation and reconstruction are complete, the area will be backfilled, resurfaced, and restored to its pre-existing condition; features at or above ground level will be replaced in kind.

The activities proposed are categorically excluded under HUD regulations at 24 CFR Part 58 from National Environmental Policy Act (NEPA) requirements. An Environmental Review Record (ERR) that documents the environmental determinations for this project will be made available to the public for review either electronically or by U.S. mail. Please submit your request by U.S. mail to Julie Freeman, Senior Assistant Director, New York City Office of Management and Budget, at 255 Greenwich Street, 8th Floor, New York, NY 10007, or by email to CDBGComments@omb.nyc.gov.

PUBLIC COMMENTS

Any individual, group, or agency may submit written comments on the ERR to the New York City Office of Management and Budget (NYC OMB) at the above address or via email to CDBGComments@omb.nyc.gov. All comments received by June 30, 2024 will be considered by NYC OMB prior to authorizing submission of a request for release of funds.

ENVIRONMENTAL CERTIFICATION

NYC OMB certifies to HUD that the City and Julie Freeman, in her capacity as Certifying Officer of the City’s CDBG-DR Program, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD’s approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows the City to use CDBG-DR Program funds.

OBJECTIONS TO RELEASE OF FUNDS

HUD will accept objections to its release of funds and NYC OMB’s certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of NYC OMB; (b) NYC OMB has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient or other participants in the development process have committed funds, incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Sec. 58.76) and shall be addressed to CPDRROFNyc@hud.gov. Potential objectors should contact HUD to verify the actual last day of the objection period.

City of New York: Eric Adams, Mayor
