## **CITYWIDE**

#### No. 1 CITY OF YES FOR HOUSING OPPORTUNITY N 240290 ZRY

CITYWIDE IN THE MATTER OF an application submitted by New York City Department of City Planning, pursuant to Section 201 of the New York City Charter, for an amendment of the Zoning Resolution of the City of New York, modifying multiple Sections to expand opportunities for housing within all zoning districts, and across all 59 of the City's Community Districts.

#### NOTICE

On Wednesday, July 10, 2024, a public hearing is being held by the City Planning Commission (CPC), accessible in-person and remotely, in conjunction with the above hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by the New York City Department of City Planning (DCP). DCP is proposing a package of zoning text amendments with citywide applicability to provide a broader range of housing opportunities across the city. The Proposed Action seeks to enable more housing and wider variety of housing types in all neighborhoods citywide, from the lowest-density districts to the highest, to address the housing shortage and high cost of housing in New

York City. Incremental changes across a wide geography can create a significant amount of housing and affordable housing without resulting in dramatic change to neighborhoods. To create more housing and more types of housing, the Proposed Action comprises project components in four broad categories: Medium- and High-Density proposals in R6-R10 districts and equivalents; Low-Density proposals in R1-R5 districts and equivalents; Parking proposals, which span the full range of districts and densities; and assorted other changes in line with project goals. In general, the Proposed Action would apply in underlying zoning districts, Special Districts, and other geographies that modify underlying zoning, with limited adjustments to reflect planning goals in specific areas. As such, the Proposed Action would affect all 59 community districts in the City. The analysis year is 2039.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through 5:00 P.M. on Monday, July 22, 2024.

For instructions on how to submit comments and participate, both in-person and remotely, please refer to the instructions at the beginning of this agenda

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 24DCP033Y.

#### HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City's PASSPort system. The PASSPort system is a webbased system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport. cityofnewyork.us/page.aspx/en/rfp/request\_browse\_public

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page

GATEWAY TO HUNTS POINT FDC: FREIGHT ELECTRIC VEHICLE CHARGING HUB AND WELCOME CENTER - Request for Proposals - PIN# 10693 - Due 11-21-24 at 11:59 P.M.

New York City Economic Development Corporation ("NYCEDC"), acting on behalf of the City of New York (the "City"), is pleased to release this request for proposal ("RFP") seeking proposals from qualified parties (collectively, "Respondents", and, each a "Respondent") for the development of an approximately 3.2 acre site ("site AOU-2" or the "Site") within the Hunts Point Distribution Center ("Hunts Point FDC" or "FDC") in the Bronx.

Site AOU-2 is a rectangularly-shaped and vacant ~156,830 square feet property bordered by Food Center Drive to the south and Halleck Street to the west. The Site is situated directly adjacent to the south-west entrance of the Hunts Point FDC and approximately 1-mile driving distance from the Bruckner Expressway (I-278).

Through this RFP, NYCEDC is seeking Proposals for the development and operation of Site AOU-2 as a freight-focused electric vehicle ("EV") and fleet charging facility that maximizes the number of medium- and heavy-duty ("MHD") vehicles charging on site and a multi-purpose welcome center to serve as the entrance to the FDC and a centralized location for workforce development programming (the "Project"). Respondents may propose a strategy that accommodates light duty charging on the Site to maximize market viability while minimizing impacts to MHD vehicle charging access and activity. Respondents may partner with other entities.

A competitive response to this RFP must accomplish the following goals:

- Develop Freight-Focused EV Charging Facilities on the Site
- Develop Multi-Purpose Welcome Center and Workforce Development Hub
- Address Environmental Justice Concerns, Especially Air Quality
- Reduce Entry Barriers to Electrification for Current FDC Tenants
- Create and Preserve Quality Jobs

It is the policy of NYCEDC to comply with all federal, state and City laws and regulations which prohibit unlawful discrimination because

of race, creed, color, national origin, sex, age, disability, marital status and other protected categories and to take affirmative action in working with contracting parties to ensure certified Minority and Women-Owned Business Enterprises ("M/WBE") share in the economic opportunities generated by NYCEDC's projects and initiatives.

This project is being funded with Federal Highway Administration funds, through the United States Department of Transportation, and this project has Disadvantaged Business Enterprise ("DBE") participation goals. All respondents will be required to submit a DBE Utilization Plan with their response. A list of certified DBEs can be found at https://nysucp.newnycontracts.com/. M/WBEs are also encouraged to apply.

NYCEDC, in accordance with Title VI of the Civil Rights Act of 1064, 78 Stat. 252, 42 U.S.C. 2000d to 2000d-4 and Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally–assisted programs of the Department of Transportation and Title 23 Code of Federal Regulations, Part 200, Title VI Program and Related Statutes, as amended, issued pursuant to such Act, hereby notifies all who respond to this NYCEDC RFP that it will affirmatively insure that in any contract entered into pursuant to this advertisement, DBEs will be afforded full opportunity to submit proposals in response to this RFP and will not be discriminated against on the grounds of race, color, national origin, sex, age, disability/handicap and income status in consideration for an award.

NYCEDC established the Contracting Financing Loan Fund programs for Minority, Women and Disadvantaged Business Enterprises interested in working on NYCEDC projects. The Contracting Financing Loan Fund facilitates financing for short-term mobilization needs such as insurance, payroll, supplies and equipment. Bidders, sub-contractors and sub-consultants are strongly encouraged to visit the NYCEDC website at http://edc.nyc/opportunity-mwdbe to learn more about the program.
