The Public Hearing will include the following item(s):

On Thursday, August 8th, 2024, a public hearing is being held by the Queens Borough President's Office, accessible in-person and remotely, to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by the New York City Department of City Planning (DCP). DCP is proposing a package of zoning text amendments with citywide applicability to provide a broader range of housing opportunities across the city. The Proposed Action seeks to enable more housing and wider variety of housing types in all neighborhoods citywide, from the lowest-density districts to the highest, to address the housing shortage and high cost of housing in New York City. Incremental changes across a wide geography can create a significant amount of housing and affordable housing without resulting in dramatic change to neighborhoods. To create more housing and more types of housing, the Proposed Action comprises project components in four broad categories: Medium- and High-Density proposals in R6-R10 districts and equivalents; Low-Density proposals in R1-R5 districts and equivalents; Parking proposals, which span the full range of districts and densities; and assorted other changes in line with project goals. In general, the Proposed Action would apply in underlying zoning districts, Special Districts, and other geographies that modify underlying zoning, with limited adjustments to reflect planning goals in specific areas. As such, the Proposed Action would affect all 59 community districts in the City. The analysis year is 2039.

Written comments on the DEIS are requested and will be received and considered by the Queens Borough President's Office through 5:00 P.M. on Thursday, August 8th, 2024.

For instructions on how to submit comments and participate, both in-person and remotely, please refer to the instructions at the beginning of this agenda. This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 24DCP033Y.

CHAPERONE SERVICES - Negotiated Acquisition - Other - PIN#06825N0004 - Due 8-26-24 at 4:00 P.M.

Pursuant to Procurement Policy Board rules (PPB) Section 3-04(b)(2)(i) (D) & 3-04(b)(2)(ii), the New York City Administration for Children's Services (ACS) intends to utilize the negotiated acquisition procurement method to enter into contract negotiations with TemPositions Health Care Inc. for the provision of chaperone services for youth at ACS' Nicholas Scoppetta Children's Center. TemPositions Health Care is located at 622 Third Avenue, 39th Floor, New York, NY 10017. The proposed contract term of this program will be August 1, 2024, through June 30, 2024. The EPIN for this proposed award is 06825N0004001. The proposed total contract authority is \$2,893,276.75.

Any information concerning the provider's performance, as well as any other factors relevant to the proposed contract may be expressed by contacting Peter Pabon at peter.pabon@acs.nyc.gov by no later than August 26, 2024.

Organizations interested in solicitations for these services are invited to do so by registering with the NYC Mayor's Office of Contract Services (MOCS) PASSPort system. To register with PASSPort, please go to www.nyc.gov/ PASSPort. There you will find additional guides to assist you with the registration process.

ACS selected the negotiated acquisition procurement method pursuant to the Procurement Policy Board Rules, Section 3-04(b)(2)(i)(D) & Section 3-04(b)(2)(i) because due to increase in demand and unexpected staffing shortages, ACS is in urgent need of supplemental staff in addition to those provided by our current vendor, Gotham Per Diem, to provide chaperone services for children and youth residing at the NSCC in time for the FALL 2024 school year. ACS reached out to interested parties who proposed for these services in past solicitations and found that TemPositions Health Care was the only experienced provider who has both the organizational capability and capacity to meet this need in a very short timeframe.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor prequalification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
