HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City’s PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. This Negotiated Acquisition (NA) for the Respect First Program (Respect First) is being released by the Mayor's Office to End Domestic and Gender-Based Violence (ENDGBV), in partnership with the New York City Department of Social Services/Human Resources Administration ("HRA" or "DSS"). In 2018, New York City announced Interrupting Violence at Home (IVAH), a new initiative to implement abusive partner intervention programming (APIP) in communities. ENDGBV is overseeing the implementation of the IVAH initiative as a key response to intimate partner violence. Engaging abusive partners in non-mandated programming is a critical opportunity to provide community-based responses in relationships where there is intimate partner violence. Between 2010 and 2016, the NYPD had previous contact with the victim of intimate partner violence and the abusive partner in only 39 percent of intimate partner violence related homicides. Added 25% Allowance of 179,183.50.

Judgment is required in evaluating competing proposals, and it is in the best interest of the City to require a balancing of price, quality and other factors. Although an open procurement, due to the nature of the services, the Agency expects a limited number of qualified vendors.
