NOTICE

On Wednesday, November 6, 2024, a public hearing is being held by the City Planning Commission (CPC), accessible in-person and remotely, in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by The New York City Economic Development Corporation (NYCEDC), the Office of the Chief Medical Examiner (OCME), and the New York City Department of Citywide Administrative Services (DCAS) (collectively, the Applicants), in affiliation with the New York City Health and Hospitals Corporation (H+H), New York City Public Schools (NYCPS), the New York City School Construction Authority (SCA), and the City University of New York (CUNY). The Applicants are seeking a series of land use actions including a zoning map amendment; a zoning text amendment to Appendix F of the New York City Zoning Resolution (ZR); special permits pursuant to ZR Section 74-171 and 75-901; Dispositions, acquisitions, and site selections; and a City Map Change related to the demapping of the East 25th Street replacement bridge (the "Proposed Actions") from the City Planning Commission. The area subject to the Proposed Actions is generally bounded by East 25th Street to the south, First Avenue to the west, FDR Drive to the east, and the northern edge of the former East 26th Street, and encompasses the southern, approximately 4.75-acre portion of Manhattan Block 962, Lot 100 (the Development Site) located at 425 East 25th Street in the Kips Bay area of Manhattan Community District 6. The Proposed Actions, along with other discretionary approvals, would facilitate the development of the Science Park and Research Campus (SPARC) Kips Bay project, which would transform Hunter College's antiquated Brookdale Campus into approximately 2.19 million gross square feet (gsf) of state-of-the-art academic, healthcare, and life sciences and retail space and public realm improvements (the Proposed Project).

The proposed project would also require other discretionary approvals including the use of City capital funding to construct the new CUNY building, New York State financing for the development of the proposed project, and the siting of CUNY and NYCPS facilities, which are not subject to ULURP. The Build Year is 2031.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through 5:00 PM on Monday, November 18, 2024.

For instructions on how to submit comments and participate, both in-person and remotely, please refer to the instructions at the beginning of this agenda.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 23DME013M.

- Win More Contracts, at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City's PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page>

The New York City Department of Health and Mental Hygiene ("Health Department") continues to seek proposals for the Justice Involved Supportive Housing (Open-Ended) Request for Proposals (RFP) through the City's Procurement and Sourcing Solutions Portal ("PASSPort" system).

This RFP is intended to procure and make available permanent supportive housing units for adults (18+); initially, the Health Department anticipates that the population would be comprised mainly of individuals who are frequently cycling through jail and shelter who have a mental illness and/or substance use disorder. The Health Department anticipates that the population matches may expand to include individuals who, in addition to having frequent contact with the criminal justice system and the homeless system, have also had frequent contact with the mental health treatment system.

RFP documents and additional details can be found by visiting the PASPort Procurement Navigator at <https://nyc.gov/businessopportunities> and searching by EPIN: "81622P0004". For the latest information regarding any changes to the RFP be sure to read all released addenda.

This RFP is issued and remains available through the PASSPort system only to those organizations that have an account and an Approved HHS Accelerator PQL qualification status in PASSPort. Proposals and prequalification applications will be accepted on an on-going basis ONLY through PASSPort. If you do not have a PASSPort account or Approved PASSPort HHS Accelerator PQL Application, please visit <https://nyc.gov/passport> to get started. If you have any questions about your HHS Accelerator Prequalification status or for assistance with creating a PASSPort account, please visit <https://nyc.gov/mocshelp>.

THE NEW YORK STATE EMINENT DOMAIN PROCEDURE LAW**

Whereas, the New York City Department of Design and Construction (“DDC”), on behalf of the New York City Department of Transportation (“DOT”) and the City of New York (“City”), has proposed the acquisition of certain portions of lots and unlotted streetbed properties on Arthur Kill Road from Cortelyou Avenue to Richmond Town Road (Capital Project No. HWR1140A) in the Borough of Staten Island (the “Project”); and

Whereas, the New York State Eminent Domain Procedure Law (“EDPL”) sets forth uniform procedures for condemnations by municipalities throughout the State of New York, which also governs this acquisition; and

Whereas, pursuant to the EDPL, the City is required to hold a public hearing to inform the public of the proposed acquisition, including the impact on the lotted and unlotted streetbed properties listed below, and to review the public use to be served by the Project, including the impact on the environment and residents; and

Whereas, on August 1, 2024, the City held a public hearing pursuant to EDPL Section 201 in connection with the proposed public project, in the Borough of Staten Island (with an option to attend virtually). Having given due consideration to the complete hearing record, which includes, amongst other things, all documents submitted and all public comments received, the City makes the following determination and findings concerning the herein described proposed acquisition and Project:

1. The public use and benefit of this project is for the reconstruction of Arthur Kill Road between Clark Avenue and Richmond Avenue in the Borough of Staten Island.

EMERGENCY EXECUTIVE ORDER NO. 672

October 15, 2024

WHEREAS, on September 2, 2021, the federal monitor in the *Nunez* use-of-force class action stated that steps must be taken immediately to address the conditions in the New York City jails; and

WHEREAS, on June 14, 2022, the federal court in *Nunez* approved the *Nunez* Action Plan, which "represents a way to move forward with concrete measures now to address the ongoing crisis at Rikers Island"; and

WHEREAS, although there has been improvement in excessive staff absenteeism, extraordinarily high rates of attrition due to staff retirements and other departures continue to seriously affect the Department of Correction's (DOC's) staffing levels and create a serious risk to DOC's ability to carry out the safety and security measures required for the maintenance of sanitary conditions; and access to basic services, including showers, meals, visitation, religious services, commissary, and recreation; and

WHEREAS, this Order is given to prioritize compliance with the *Nunez* Action Plan and to address the effects of DOC's staffing levels, the conditions at DOC facilities, and health operations; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 140 of 2022, Emergency Executive Order No. 579 of 2024, and Emergency Executive Order 623 of 2024; and

EMERGENCY EXECUTIVE ORDER NO. 673

October 15, 2024

WHEREAS, it is of utmost importance to protect the health and safety of all persons in the custody of the Department of Correction ("DOC"), and of all officers and persons who work in the City of New York jails and who transport persons in custody to court and other facilities, and the public; and

WHEREAS, over 80 provisions in the various Court Orders entered in *Nunez v. City of New York*, 11 CV 5845 (SDNY), require DOC to consult with, and seek the approval of, the *Nunez* Monitor

(“Monitor”) prior to implementing or amending policies on issues, including but not limited to, matters relating to security practices, the use of restraints, escorts, emergency lock-ins, de-escalation, confinement management of incarcerated individuals following serious acts of violence and subsequent housing strategies, and DOC may be held in contempt of court and sanctioned if it fails to appropriately consult with and obtain approval from the Monitor regarding policies in these areas; and

WHEREAS, as fully detailed in Emergency Executive Order 579 of 2024, DOC is already experiencing a significant staffing crisis, which poses a serious risk to the health, safety, and security of all people in custody and to DOC personnel; and

WHEREAS, attempting to comply with many of the provisions of Local Law 42 and the new BOC regulations, such as transporting individuals to court without restraints, would require a massive increase in staff and other resources, which are not available; and

WHEREAS, even if DOC had such additional staffing and resources, that still would not obviate the direct threat to public safety posed by certain provisions of Local Law 42, nor would it obviate the fact that the Monitor has yet to approve implementation of those provisions as required by the *Nunez* Orders, nor would it obviate the fact that additional time would be needed to safely implement those provisions of Local Law 42 eventually approved by the Monitor, because, as the Monitor has expressly cautioned, the safe implementation of any new requirement or reform in DOC facilities requires planning time to “evaluat[e] the operational impact, update[e] policies and procedures, updat[e] the physical plant, determin[e] the necessary staffing complement, develop[] training materials, and provid[e] training to thousands of staff, all of which must occur before the changes in practice actually go into effect” [11 CV 5845 (SDNY) Dkt No. 758-3 at p. 61]; and

WHEREAS, on July 27, 2024, I issued Emergency Executive Order No. 624, and declared a state of emergency to exist within the correction facilities operated by the DOC, and such declaration remains in effect;

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 625, dated July 27, 2024; and

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:
