## NOTICE

On Wednesday, November 6, 2024, a public hearing is being held by the City Planning Commission (CPC), accessible in-person and remotely, in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by The New York City Economic Development Corporation (NYCEDC), the Office of the Chief Medical Examiner (OCME), and the New York City Department of Citywide Administrative Services (DCAS) (collectively, the Applicants), in affiliation with the New York City Health and Hospitals Corporation (H+H), New York City Public Schools (NYCPS), the New York City School Construction Authority (SCA), and the City University of New York (CUNY). The Applicants are seeking a series of land use actions including a zoning map amendment; a zoning text amendment to Appendix F of the New York City Zoning Resolution (ZR); special permits pursuant to ZR Section 74-171 and 75-901; Dispositions, acquisitions, and site selections; and a City Map Change related to the demapping of the East 25<sup>th</sup> Street replacement bridge (the "Proposed Actions") from the City Planning Commission. The area subject to the Proposed Actions is generally bounded by East 25th Street to the south, First Avenue to the west, FDR Drive to the east, and the northern edge of the former East 26th Street, and encompasses the southern, approximately 4.75-acre portion of Manhattan Block 962, Lot 100 (the Development Site) located at 425 East 25<sup>th</sup> Street in the Kips Bay area of Manhattan Community District 6. The Proposed Actions, along with other discretionary approvals, would facilitate the development of the Science Park and Research Campus (SPARC) Kips Bay project, which would transform Hunter College's antiquated Brookdale Campus into approximately 2.19 million gross square feet (gsf) of state-of-the-art academic, healthcare, and life sciences and retail space and public realm improvements (the Proposed Project).

The proposed project would also require other discretionary approvals including the use of City capital funding to construct the new CUNY building, New York State financing for the development of the proposed project, and the siting of CUNY and NYCPS facilities, which are not subject to ULURP. The Build Year is 2031.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through 5:00 PM on Monday, November 18, 2024.

For instructions on how to submit comments and participate, both in-person and remotely, please refer to the instructions at the beginning of this agenda.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 23DME013M.

### HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City’s PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at [https://passport.cityofnewyork.us/page.aspx/en/rfp/request\\_browser\\_public](https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browser_public)

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page>
